Email Scam Alert

It has come to the attention of the Board of Bar Overseers that there is an email scam targeting various bars and bar members around the country with deceptive emails that have the potential to corrupt computer files. While we are unaware of these attacks occurring in Massachusetts, the fraudulent email being distributed may have a subject line such as “Massachusetts Bar complaint” or “Massachusetts Bar past due invoice”. Because other bars and bar members have received these emails, please closely monitor all unexpected emails.

If you receive one of these fraudulent emails, please do not respond or click on any attachments. Delete it immediately, as these emails likely contain malicious software. Please call us at 617-728-8767 if you have received or suspect that you have received a fraudulent email of this kind.

Sincerely,

Margaret K. Carlson
