Legend

- Hospitals have a rate in the bottom 15%. Their rate is worse than 85% of all hospitals in the state.
- Hospitals are below average, but not in bottom 15%. Their rate is above 15% but below 50% of all hospitals in the state.
- Hospitals perform better than average but are not in the top 15%. Their rate is above 50% but below 15% of all hospitals in the state.
- Hospitals have a rate in the top 15%. Their rate is better than 85% of all hospitals in the state.
- N/A Not enough information was reported.
- See Details Click on the Show Details link for more information on this Provider.
- Above Average Quality We are 95% sure that the hospital performs better than state average quality.
- Not Different from Average Quality The hospital performs in the average range. For a hospital with a small number of cases, we may not have enough information to be sure that the hospital's performance is Above Average Quality or Below Average Quality.
- Below Average Quality We are 95% sure that the hospital performs worse than state average quality.
- Legend
- \$ The hospital is among the least costly. This cost is lower than 85% of all hospitals in the state.
- \$ \$ The hospital cost is below average. This cost is above 15% but below 50% of all hospitals in the state.
- \$ \$ \$ The hospital cost is above average. This cost is above 50% but below 85% of all hospitals in the state.
- \$ \$ \$ \$ The hospital is among the most costly. This cost is higher than 85% of all hospitals in the state.
- N/A Not enough information was reported.
- See Details Click on the Show Details link for more information on this Provider.
- Above Average Cost We are 95% sure that the hospital's cost is above state average cost.
- Not Different from Average Cost The hospital's cost is in the average range. For a hospital with a small number of cases, we may not have enough information to be sure that the hospital's cost is Above Average Cost or Below Average Cost.
- Below Average Cost We are 95% sure that the hospital's cost is below state average cost.

Outpatient Diagnostic Procedures: MRI

Quality and cost of an MRI varies by hospital. The reason to know about this is that someday you, or someone you care about, may need to decide which hospital to go to for an MRI. You can make a more informed choice when you know about quality and cost and then discuss this with your doctor. (more)
