 - (d) ~~Include~~ include a preparation room equipped with sanitary flooring, a flush rim sink, floor drain and ventilation, a reduced pressure backflow preventer or air gap separation at the meter or property line, and the necessary equipment, instruments and supplies for the preparation and embalming of dead human bodies for burial and transportation. Such preparation room and equipment shall comply with all applicable requirements of 239 CMR 3.07 and 239 CMR 3.12, and all applicable requirements of other federal, state and local laws, including but not limited to all applicable regulations of the United States Occupational Safety and Health Administration;

- (e) ~~Contain~~ contain such toilets, lavatories and other sanitary facilities for men and women as may be required by applicable federal, state and local laws and regulations;
 - (f) ~~Where~~ where the ~~establishment~~ Licensed Funeral Establishment consists of more than one building or more than one lot of land, ensure that said buildings and/or lots shall be adjoining and connecting (this rule shall not apply to any Licensed funeral ~~Funeral establishment~~ Establishment opened prior to December 3, 1943 unless there has been a change of address for said establishment since that date);
 - (g) where the Licensed Funeral Establishment was established after December 1, 1949, make ~~Removals~~ removals of dead human bodies into the Licensed funeral ~~Funeral establishments~~ Establishment established after December 1, 1949 shall be completely concealed from public view; and
 - (h) ~~Meet~~ meet the insurance requirements of 239 CMR 3.4617.
- (2) No funeral establishment certificate shall be granted to any ~~Licensed funeral~~ Funeral establishment ~~Establishment~~ unless the owners of said establishment certify, in writing and under the pains and penalties of perjury, that said Licensed funeral ~~Funeral establishment~~ Establishment is in compliance with all applicable requirements of the rules and regulations of the Architectural Access Board found at 521 CMR et. al. and all applicable requirements of the United States Occupational Safety and Health Administration. The Board may require proof of such compliance by building officials, licensed engineers, or licensed architects. Adherence to this section may be waived if the establishment obtains a variance from the Architectural Access Board or if the establishment enters into a compliance plan agreed to by the Board.
- (3) Existing ~~Licensed funeral~~ Funeral establishments ~~Establishments~~ not meeting the rules and regulations of the Architectural Access Board found at 521 CMR et. al. because they are grandfathered under old rules do not need to conform to the newer accessibility rules adopted by these regulations unless:
- (a) ~~The~~ the funeral home needs a new establishment certificate due to a change in ownership or location (name changes alone do not trigger this requirement);
 - (b) ~~Compliance~~ compliance is mandated by the Architectural Access Board or some other local, state, or federal authority; or

(c) ~~Other other~~ changes are made to the laws applicable to the establishment ending said grandfathering.

(4) Funeral Establishments that require renovations creating a violation of 239 CMR 3.06 may continue operating if first entering into a written compliance agreement with the Board. Such agreements are fully discretionary on the part of the Board, the ability to grant such an agreement shall not be deemed to grant funeral establishments any right or entitlement to such an agreement.

3.07: Preparation Room

(1) Every ~~licensed-Licensed funeral-Funeral establishment-Establishment~~ shall have at least one preparation room for the preparation for burial or other disposition of all dead human bodies. Said preparation room shall be at least 12' x 14' in size for any new construction after January 1, 2008. Preparation rooms shall be locked at all times.

(2) No person shall be allowed in the preparation room while a dead human body is being prepared for burial or other final disposition except persons duly registered or licensed by the Board pursuant to M.G.L. c. 112, §§ 82 through 87, public officials engaged in the discharge of their official duties, students who are duly enrolled in a recognized mortuary school, and members of the decedent's immediate family or persons authorized by them in writing. The provisions of this paragraph shall be printed on a placard and conspicuously displayed or posted on the exterior of each door to each preparation room in the ~~Licensed funeral-Funeral establishment-Establishment~~. Failure to post said placards shall constitute grounds for disciplinary action by the Board.

(3) Each preparation room in a ~~Licensed funeral-Funeral establishment-Establishment~~ shall be equipped with a tile or cement floor. Rubber tile, rubber matting or linoleum may be used provided that it is not less than 3/16" thick, and that, if it is used as a floor covering, it is laid over a floor constructed of cement or other waterproof substance. Wooden floors overlaid with metal or other waterproof materials may be accepted in lieu of cement floors.

(4) Each preparation room shall also contain the following: one standard-type sanitary operating table; one flush-rim sink, one floor drain; one reduced pressure or air gap separation backflow prevention device located at the water meter or property line; one sanitary waste receptacle which is opened by a foot pedal; and a standard-type instrument sterilizer.

- (5) ___ Every preparation room shall comply with all applicable federal, state and local laws, regulations and ordinances regarding ventilation and, in the absence of such laws, shall be ventilated so as to ensure that no deleterious odors are allowed to remain therein and that the odors there from are not permitted to enter into any other part of the ~~Licensed funeral-Funeral establishment-Establishment~~ or any part of any adjoining premises.
- (6) ___ An embalmer's kit shall contain, at a minimum, all items which are reasonably necessary for proper embalming and/or preparation of a dead human body for burial, cremation or other final disposition in light of currently accepted standards of professional practice.
- (7) ___ All equipment which is used to aspirate or remove blood or other potentially infectious materials, as defined in 239 CMR 3.12, or which comes into contact with blood or other potentially infectious materials, shall be maintained and used in a manner which prevents conversion of blood or other potentially infectious materials to aerosol or airborne particles.

3.08: ~~Medical Examiner~~Office of the Chief Medical Examiner

- (1) ___ Every ~~Embalmer and Funeral Director~~Type 3 and Type 6 shall report to the ~~Medical examiner~~ medical Examiner all deaths which he or she, as an authorized public official, should investigate pursuant to the reporting requirements in M.G.L. c. 38. Such deaths include all deaths believed to have been caused by injury or trauma; all deaths believed to have been caused by the action of chemical (i.e., drugs or poisons), thermal or electrical agents; all deaths following abortions; all deaths believed to have resulted from occupational injuries or infections; all sudden deaths of persons not disabled by a recognized disease; and all deaths of persons found dead. Persons registered by the Board shall consult the medical examiner of the district prior to making any removal when in doubt.
- (2) ___ No embalming fluid or any preparation substitute therefore shall be injected into the body of any person ~~supposed to have died by violence or under suspicious circumstances without prior authorization from the Medical Examiner of the state in which the death occurs-unless the requirements of M.G.L. c. 38, § 12 are met.~~

3.09: Control Over Arrangements and Disposition of Human Remains

(1) Every registrant and ~~licensed-Licensed funeral-Funeral establishment-Establishment~~ shall comply with the following rules with respect to control over funeral arrangements and disposition of human remains:

(a) If a ~~licensed-Licensed funeral-Funeral establishment-Establishment~~ is a party to a pre-need funeral services contract, as defined in 239 CMR 4.01, for the benefit of the deceased person, and said contract is still in effect at the time of that person's death, the terms of that contract shall control the nature of the funeral goods and services to be provided, the manner in which funeral services are to be conducted for the deceased, and the final disposition of the deceased person's remains to the full extent provided in that contract. No ~~licensed-Licensed funeral-Funeral establishment-Establishment~~, nor any of its agents or employees, may cancel or materially alter any of the arrangements specified in that contract, even if requested to do so by a member of the deceased person's family or any other person, unless:

~~1-(i)~~ Compliance-compliance with the terms of the original contract would result in a violation of any applicable federal, state or local law or regulation; or

~~2-(ii)~~ The-the funeral-Licensed Funeral establishment-Establishment is ordered to do so by a court of competent jurisdiction.

(b) Where there is no pre-need funeral services contract with the ~~licensed-Licensed funeral-Funeral establishment-Establishment~~ in effect at the time of death for the benefit of the deceased person, or to the extent that any such contract does not fully specify the nature of the funeral arrangements to be provided, said License funeral-Funeral establishment-Establishment and its agents or employees shall give effect first to any wishes of the deceased person regarding the nature of the funeral goods and services to be provided, the manner in which funeral services are to be conducted, and/or the final disposition of the deceased person's remains, which have been expressed in any written document which was signed by the deceased person in the presence of a witness. In the absence of an order from a court of competent jurisdiction to the contrary, said written document shall be sufficient legal authorization for implementation of the arrangements specified therein.

(c) ___ To the extent that there is no pre-need funeral services contract in effect at the time of death for the benefit of the deceased person, and no other valid written document indicating the wishes of the deceased person with respect to the nature of the funeral goods and services to be provided, the manner in which funeral services are to be conducted, or the final disposition of the deceased person's remains, the ~~Licensed funeral Establishment~~ Funeral Establishment and its agents or employees shall follow the directions of the deceased person's surviving kin, in the following order of priority, ~~which is specified in M.G.L. c. 113, § 8:~~

~~1.~~(i) ___ the surviving spouse of the deceased;

~~2.~~(ii) ___ the oldest surviving adult ~~children~~ child of the deceased;

~~3.~~(iii) ___ the surviving parent(s) of the deceased;

~~4.~~(iv) ___ the oldest surviving brother(s) or sister(s) of the deceased;

~~5.~~(v) ___ the guardian of the person of the deceased at the time of his or her death;

~~6.~~(vi) ___ any other person authorized or obligated by law to dispose of the remains of the deceased.

Provided, however, that with respect to receiving authorizations to release a decedent from the Office of the Chief Medical Examiner, the Office of the Chief Medical Examiner may require different or additional signatures for release.

3.10: Removal, Preparation and Transportation - Other General Requirements

(1) ___ For purposes of 239 CMR 3.10, the following terms shall have the following meanings:

(a) ___ Remove or removal shall mean the moving of a dead human body from a home, hospital, or other place of death to a ~~licensed funeral establishment~~ Licensed Funeral Establishment for the purpose of preparing it for burial or cremation.

(b) ___ Ship or shipment shall mean to convey a dead human body by train, boat, airplane, express or motor freight, or other means of transportation, either within, into, or out of the Commonwealth of Massachusetts after said body has been prepared for burial or cremation.

- (c) ___Transport shall mean to convey a dead human body in a closed hearse or other vehicle registered as a hearse used exclusively for the purpose of transporting dead human bodies or funeral equipment, either within, into or out of Massachusetts for any purpose other than that referred to in the definition of remove or ship in 239 CMR 3.10(1)(a).
- (2) ___ In order to recognize the inherent dignity of the human body and protect the public health, sufficient preservation and/or disinfection and refrigeration shall be applied to each dead human body to guarantee temporary protection against excessive decomposition.
- (3) ___ Removals shall not be made from any place of death unless a death certificate or other appropriate death pronouncement form, signed by a duly licensed physician, ~~the a~~ medical examiner or another person duly authorized by law, is in the possession of the ~~funeral director~~ Type 3. In the absence of such a pronouncement, removal may take place with the verbal approval by authorized/legally appropriate government authorities unless otherwise prohibited by M.G.L. c. 114, ~~s-~~ §45. Such approval should be documented, in writing thereafter, with the details of said approval.
- (4) ___ No ~~licensed funeral establishment~~ Licensed Funeral Establishment, nor any agent or employee thereof, shall handle, move or transport any dead human body except under the supervision of, and with the personal attendance in the vehicle of, a person registered by the Board.
- (5) ___ No person registered by this Board or his agent or employee shall remove, transport or otherwise convey a dead human body except in a closed hearse or other vehicle used exclusively for the purpose of transporting dead human bodies within the Commonwealth of Massachusetts. Said vehicles shall be designed or equipped in such a manner as to ensure that any dead human body transported therein is concealed from public view. Said vehicles shall be registered and designated as hearses by the Registry of Motor Vehicles. A person duly registered by this Board shall be in personal attendance in the vehicle during any removal, transportation or conveyance of a dead human body.
- (6) ___ Vehicles registered and equipped as hearses and bearing hearse plates may be used only for removal or transportation of dead human bodies, transportation of flowers, transportation of funeral equipment, transportation of a clergyperson or other funeral

service officiant if such is the custom of the deceased, and/or transportation of other ~~funeral establishment~~Licensed Funeral Establishment personnel.

- (7) ___ If a body has not been embalmed, and the body is to be buried or cremated within the Commonwealth of Massachusetts within 50 hours after death, said body shall be prepared by a ~~registered embalmer~~Type 3, Type 6, or Apprentice Embalmer. Said ~~embalmer~~registrant shall thoroughly wash, disinfect and sanitize said body; close all orifices with treated absorbent cotton; envelop the entire body with clean sheeting or with provided clothing; and take any other appropriate steps necessary to ensure that there will be no offensive leakage or odors from the body prior to burial, cremation or other final disposition. If a body has not been embalmed, and said body is to be buried or cremated within the Commonwealth of Massachusetts, but said burial or cremation will not occur within 50 hours after death, said body shall be prepared by ~~a registered embalmer as required by 239 CMR 3.10(7)~~Type 3, Type 6, or Apprentice Embalmer, and shall also be ~~placed in a refrigeration unit designed to accept dead human bodies and retard decomposition by maintaining at a~~ temperatures between 34 and 39°F ~~if such refrigeration equipment is reasonably available. In cases of advanced decomposition where public health may be an issue, a local board of health may direct a funeral director to embalm a body notwithstanding the direction of a client.~~
- (8) ___ A body, once interred or placed in a cemetery receiving vault, shall not be transported or shipped from the cemetery where it lies unless it is encased in a hermetically sealed or air-tight casket, box or container. A body embalmed by a ~~registered embalmer~~Type 3, Type 6, or Apprentice Embalmer and placed in a receiving vault for not over 30 days shall ~~not be~~ subject to the requirements of ~~excepted from~~ 239 CMR 3.10.
- (9) ___ In all cases of cremation, a suitable casket or alternative container shall be used. If a casket is used, that casket may later be re-used as long as:
- (a) ___ ~~The the~~ casket is equipped with a removable liner or insert;
- (b) ___ ~~The the~~ removable liner or insert is completely removed and replaced with a new liner or insert after each use;
- (c) ___ ~~No no~~ such casket is used or re-used after any non-removable portion of that casket has been soiled, stained or otherwise contaminated by or from any human remains placed therein, or has been placed within a rental casket insert;

- (d) ~~The the~~ customer who rents or re-uses that casket has been informed, in writing, that the casket may have been used previously and that it will be reclaimed by the ~~funeral establishment~~Licensed Funeral Establishment from which he or she has rented or obtained it immediately prior to final disposition of the deceased; and
- (e) ~~The the~~ customer who rents or re-uses that casket has signed a written disclosure or authorization form verifying that he or she has received all of the information required by 239 CMR 3.10(10) in writing and that he or she authorizes the ~~funeral establishment~~Licensed Funeral Establishment to use the removable liner or insert selected by him or her for the final disposition of the deceased.

3.11 : Conduct of Funerals

- (1) ~~All~~ funerals conducted by a ~~licensed funeral establishment~~Licensed Funeral Establishment shall be conducted under the direct supervision of a Type 3 ~~funeral director and embalmer~~ or Type 6 ~~funeral director and embalmer~~.
- (2) ~~Removal, Viewing, Identification and Embalming Procedures-~~
- (a) ~~When a licensed funeral establishment~~Licensed Funeral Establishment is called upon to remove a body and accept responsibility for it, said body shall be held at said ~~funeral establishment~~Licensed Funeral Establishment, or at such other location as the Medical Examiner may direct, until such time as the body can be buried or cremated in accordance with applicable state or local laws.
- (b) ~~A licensed funeral establishment~~Licensed Funeral Establishment which has accepted responsibility for the care of any dead human body may properly require that said body be viewed and identified by the next of kin or duly authorized legal representative of the deceased at said ~~funeral establishment~~Licensed Funeral Establishment prior to any cremation, burial, medical school donation or anatomical gift donation, if said body has not previously been viewed and identified by said next of kin or duly authorized legal representative elsewhere.
- (c) ~~Required forms. Licensed Funeral establishments~~Establishments must develop and utilize written disclosure/authorization forms to be obtained by ~~licensed funeral directors~~Type 3s and Type 6s as follows:

~~1-(i)~~ 1-(i) A ~~licensed funeral establishment~~Licensed Funeral Establishment shall obtain written permission to embalm, or a written acknowledgment of the decision not to embalm, from the next of kin or the duly authorized legal representative of the deceased, for each dead human body which is placed under its care and for which it has accepted responsibility.

~~2-(ii)~~ 2-(ii) Where a dead human body is under the care of a ~~licensed funeral establishment~~Licensed Funeral Establishment which has accepted responsibility for it, and said body is to be cremated, said ~~funeral establishment~~Licensed Funeral Establishment shall also obtain written authorization for cremation of said body from the medical examiner or similarly authorized person, in addition to the normally-required physician certifications, prior to cremation of said body.

(d) All arrangements for a funeral, including obtaining any required permissions or authorizations, must be made by ~~properly registered funeral directors~~ Type 3s or Type 6s, provided, however, that Apprentice Embalmers and Funeral Home Assistants may obtain removal and embalming authorization forms.

(e) For purposes of 239 CMR 3.11(2)(a) through (d) all identifications, authorizations and permissions shall be obtained first from the decedent's next of kin, in the order of priority specified ~~for anatomical gifts in M.G.L. c. 113, § 8~~ under 239 CMR 3.09(1)(c). If none of the next of kin are available, said identifications, authorizations or permissions may then be obtained from the duly authorized legal representative of the deceased, the individual designated as the health care proxy for the deceased pursuant to M.G.L. c. 201D, or the individual possessing a power of attorney for health care executed by the decedent.

(3) Refreshments—

(a) No alcoholic beverages may be served in a Licensed Funeral Establishment.

(b) No individual registered with the Board, or other agent or employee of any ~~licensed funeral establishment~~ Licensed Funeral Establishment, shall prepare any food or beverages to be served in connection with any burial or funeral.

(c) No individual registered with the Board, or other agent or employee of any Licensed Funeral Establishment, shall ~~provide, handle or~~ serve any food or liquid

~~refreshments~~beverages in connection with any burial or funeral unless all of the following conditions are met:

- (i) any food and beverages served in connection with any burial or funeral must be provided by a third party vendor or supplier meeting the requirements of 105 CMR 590;
- (ii) the provision of food and beverages served in connection with any burial or funeral must be treated as a “cash advance item” and no Licensed Funeral Establishment shall bill or cause to be billed, the cost for the food and beverages unless the net amount billed for it by the Licensed Funeral Establishment is the same amount as is billed the Licensed Funeral Establishment by the third party vendor or supplier;
- (iii) -there shall be no direct opening between the preparation room and any room where food or beverages are stored or served;
- (iv) food and beverages shall be served in an area separate and apart from where dead human bodies are displayed and in a manner that does not interfere with public health; and
- (v) the Licensed Funeral Establishment shall be in compliance with all other applicable local, state, and federal laws.

~~However, funeral establishments may serve non-alcoholic beverages in areas apart from where dead human bodies are displayed so long as those refreshments do not interfere with public health or are otherwise prohibited by law.~~

(4) Disposition of Cremated Human Remains -

Licensed Funeral Establishments shall dispose of cremated human remains as follows:

- (a) Upon receipt of any cremated human remains, the ~~licensed~~Licensed funeral Funeral establishment Establishment receiving such cremated remains shall contact the next of kin or duly authorized representative of the decedent who made the cremation arrangements.
- (b) The Licensed Funeral Establishment shall deliver such cremated remains only to the next of kin or duly authorized representative of the decedent who made the

cremation arrangements and obtain a signed acknowledgment of receipt from said next of kin or duly authorized representative.

(c) If, after a period of at least ten months from the date of cremation, the cremated remains of a deceased person have not been claimed by the next of kin or the duly authorized representative of the decedent, the ~~licensed funeral establishment~~Licensed Funeral Establishment shall send written notice, by certified mail, return receipt requested, to the next of kin or duly authorized representative of the decedent at their last known address as shown in the records of the ~~funeral establishment~~Licensed Funeral Establishment. If, after an additional period of two months from the date on which that notice was mailed, the cremated remains still have not been claimed, the ~~funeral establishment~~Licensed Funeral Establishment may dispose of the cremated remains as provided in M.G.L. c. 114, § 43M. The ~~funeral establishment~~Licensed Funeral Establishment shall maintain a permanent written record of this final disposition.

(d) All cremated human remains in the possession of a Licensed Funeral Establishment shall be stored on the premises of the Licensed Funeral Establishment until disposition is made in accordance with 239 CMR 3.11(4).

3.12: Required Precautions Against Bloodborne and Other Pathogens

- (j) ___ Source Individual ~~-shall~~ means any individual, living or dead, whose blood or other potentially infectious materials may be a source of occupational exposure to the employee. Examples include, but are not limited to, hospital or clinic patients, clients in institutions for the developmentally disabled, trauma victims, clients of

drug and alcohol treatment facilities, residents of hospices and nursing homes, human remains, and individuals who donate or sell blood or blood components.

- (k) ___ Sterilize ~~-shall~~ means the use of a physical or chemical procedure to destroy all microbial life including highly resistant bacterial endospores.
 - (l) ___ Transport ~~-shall~~ means to convey a dead human body in a closed hearse or other appropriately registered vehicle used exclusively for the purpose of transporting dead human bodies and/or funeral equipment, either within, into or out of Massachusetts for any purpose other than that referred to in the definitions of remove or ship set forth in 239 CMR 3.12;
 - (m) ___ Universal Precautions ~~-shall~~ means an approach to infection control in which all human blood and certain human body fluids are to be treated as if known to be infectious.
- (2) ___ As part of their function of being "health care responsible", every ~~embalmer or funeral director~~ Type 3 and Type 6 shall adopt all proper means to safeguard the public health, including but not limited to the use of "universal precautions" during the embalming or preparation of a body, as set forth in 239 CMR 3.12.
- (3) ___ Every person, while engaged in removal of a dead human body from the place of death to a ~~licensed funeral establishment~~ Licensed Funeral Establishment, shall be provided with and shall use ~~the following~~ personal protective clothing and equipment to protect against exposure to bloodborne pathogens:.
- (a) ___ Disposable OSHA approved gloves shall be worn for barrier protection against contact with blood or other potentially infectious materials. Non-disposable autopsy, kevlar or rubber gloves shall be worn for additional protection if warranted. Non-disposable gloves shall be cleaned and carefully inspected for punctures, tears or other damage after each use. Damaged gloves, whether disposable or non-disposable, shall be replaced immediately. Other soiled clothing shall be removed before the removal of gloves. Gloves shall be carefully removed to avoid skin contact with the exterior of the gloves; ~~and.~~
 - (b) ___ The body being removed shall be enclosed in a body bag or other suitable, sealed container which will prevent leakage or escape of blood or other potentially infectious materials during removal from the place of death to the ~~licensed funeral~~

~~establishment~~Licensed Funeral Establishment accepting responsibility for the care and preparation of said body.

- (4) ___ Every person, while engaged in actually preparing a dead human body for burial or cremation, shall be provided with and shall use ~~the following~~ personal protective clothing and equipment to protect against exposure to bloodborne pathogens:.
- (a) ___ Disposable OSHA approved gloves shall be worn for barrier protection against contact with blood or other potentially infectious materials. Other soiled clothing or equipment shall be removed before the removal of gloves. Gloves shall be carefully removed to avoid skin contact with the exterior of the gloves.
 - (b) ___ Non-disposable autopsy, kevlar or rubber gloves shall be worn for additional protection if warranted. If non-disposable gloves are used, they shall be cleaned and carefully inspected for punctures, tears or other damage after each use. Damaged gloves shall be replaced immediately. Other soiled clothing or equipment shall be removed before the removal of gloves. Gloves shall be carefully removed to avoid skin contact with the exterior of the gloves.
 - (c) ___ Disposable face masks shall be worn for barrier protection against sprays of blood or other potentially infectious materials to the mouth or nose. Soiled masks shall be replaced immediately.
 - (d) ___ Goggles shall be worn for barrier protection against sprays of blood or other potentially infectious materials to the eyes and for vapor protection against exposure to formaldehyde.
 - (e) ___ Face shields shall be worn for barrier protection against sprays of blood or other potentially infectious materials to the face.
 - (f) ___ Gowns which are impervious to moisture, are washable or disposable, and are long-sleeved shall be worn for barrier protection against skin contact with chemicals, blood or other potentially infectious materials. Soiled gowns shall be replaced immediately.
 - (g) ___ Disposable head and shoe covers shall be worn for barrier protection against blood or other potentially infectious materials.

- (5) ___ All instruments, appliances and equipment used in the preparation of a dead human body shall be used and maintained in a manner which prevents, insofar as is reasonably possible, conversion of blood or other potentially infectious bodily fluids or materials into aerosols or airborne particles.
- (6) ___ Every ~~funeral establishment~~Licensed Funeral Establishment shall ensure proper disposal of personal protective clothing and equipment. Disposable items contaminated with blood or other potentially infectious materials shall be placed immediately in an appropriately labeled disposal container and removed in accordance with applicable federal, state and local laws and regulations governing hazardous waste disposal. Non-disposable items contaminated with blood or other potentially infectious materials shall be placed immediately in an appropriately labeled laundry container.
- (7) ___ No sheets or linens which have come in contact with a dead human body shall be re-used unless they have first been thoroughly laundered and disinfected. No other materials or supplies of any kind which have come in contact with a dead human body shall be used more than once. Contaminated laundry shall be handled as little as possible with a minimum of agitation, shall be bagged or containerized at the location where it was used, and shall not be sorted or rinsed at the location of use. Contaminated laundry shall be placed and transported in bags or containers which are labeled or color-coded in accordance with the applicable requirements of the United States Occupational Safety and Health Administration.
- (8) ___ All instruments, appliances and equipment used in the preparation of a dead human body shall be thoroughly cleansed and sterilized in accordance with all applicable state and federal laws and regulations, including but not limited to all applicable regulations of the United States Occupational Safety and Health Administration and the Massachusetts Department of Public Health, immediately at the conclusion of each individual case.
- (9) ___ Each preparation room in a ~~funeral establishment~~Licensed Funeral Establishment shall be equipped with proper and convenient receptacles for refuse, bandages, cotton and other waste materials and supplies, and all such refuse, bandages, cotton and other waste materials shall be disposed of in accordance with all applicable federal, state and local laws governing disposal of hazardous waste.
- (10) ___ Whenever a dead human body is transported within, into or out of Massachusetts prior to being embalmed or otherwise prepared for burial or cremation, all persons engaged in the

transportation of said body or who may come into physical contact with that body during transportation shall follow the precautions required by 239 CMR 3.12(3).

- (11) Whenever a dead human body is transported or shipped within, into or out of Massachusetts after being embalmed or otherwise prepared for burial or cremation, the use of disposable gloves shall be required only for persons who come into actual physical contact with the body itself. Said body shall be transported or shipped in a sealed casket, body bag or other appropriate sealed container which will prevent leakage or escape of blood or other potentially infectious materials during such shipment or transportation.
- (12) Notwithstanding the provisions of 239 CMR 3.12(1) through (11), where a body is dead of a disease which has been identified by the Massachusetts Department of Public Health or the Center for Disease Control as one which requires precautions above and beyond those required by 239 CMR 3.12(1) through (11), a ~~licensed funeral establishment~~Licensed Funeral Establishment and its agents and employees shall follow such additional precautions as may be required or recommended by the Center for Disease Control with respect to said body.
- (13) In accordance with the regulations of the United States Occupational Safety and Health Administration (29 CFR 1910.1030), every ~~embalmer or funeral director~~Type 3 and Type 6 shall inform all workers performing tasks in and for any ~~funeral establishment~~Licensed Funeral Establishment, including any trade ~~embalmers-Type 6s~~ or other workers who are not directly employed by that establishment, about bloodborne pathogen exposure risks associated with specific tasks, how to protect themselves and others from exposure, and the actions to be taken in the event of an exposure incident.

3.13: Code of Conduct and Professional Ethics

- (1) No person who is registered with the Board, nor any person who holds an ownership interest in or is employed by any ~~funeral establishment~~Licensed Funeral Establishment licensed by the Board, shall engage in, or hold any ownership interest in, any other business which is related to the disposition of human remains, including but not limited to any cemetery; crematorium; retail or wholesale casket, urn or vault sales or rental enterprise; monument sales enterprise; or other similar business-; provided, however, that 3.13(1) shall not apply to registrants duly registered with the Board in inactive status pursuant to 239 CMR 3.02(5).
