DISCUSSION

Chief Investigator Chris Carroll was unable to attend.

ITEMS FROM THE CHAIRMAN

Discussion regarding whether or not to cancel a person's OIT license once they have gained the Full license.

A discussion ensued regarding upgrading of an OIT license when the licensee receives a full license in the same class. Current, the OIT license stays active until the end of the license cycle. The licensee will receive a renewal and will usually let it lapse. The chairman noted that the two absent Board members were polled and both were in favor of upgrading the license. Ms. Millhouse made a motion to change the status of an OIT license to "upgraded to a higher license" once and individual obtains the full license in that class and seconded by Mr. Celona. Unanimous

The Board reviewed the Board Meeting calendar for 2016 and made the following revisions:

1. Move the July 1, 2016 meeting to July 15, 2016
2. Cancel the August 5, 2016 meeting
3. Move the September 2, 2016 meeting to August 26, 2016
