|---|----------------------------|
| <input type="checkbox"/> Revise existing text | <u>CODE SECTION:</u> _____ |
| <input type="checkbox"/> Adopt new text | <u>CODE SECTION:</u> _____ |
| <input type="checkbox"/> Delete and substitute new text | <u>CODE SECTION:</u> _____ |
| <input type="checkbox"/> Delete text entirely | <u>CODE SECTION:</u> _____ |

(2) Proposal Criteria

Note 1: On a separate sheet, provide a response for each question regardless of whether or not it applies to the proposed code change.

Note 2: Be sure to use corresponding question numbers for your response(s).

Note 3: Provide supporting documentation for the following:

1. Provide an explanation for adopting this proposal, and if not adopted any problem(s) that may result?
2. Will the adoption of this proposal protect the health, safety, welfare and security of the general public, if so, how?
3. Will the adoption of this proposal impact small business, if so, state the impact?
4. What impact will the adoption of this proposal have on local plumbing and/or gas fitting inspectors
5. Does this proposal address known field problems that are not addressed in the current code, if so how?
6. Will the adoption of this proposal have any adverse impact on the public, if so, how?
7. Will the adoption of this proposal help to conserve vital resources in any way, if so how?
8. Will the adoption of this proposal require the Board to approve a new material, technology, installation method prior to implementation?
9. Will the adoption of this proposal impact the industry relative to cost of complying with the code, if so how?
10. Does this proposal discriminate against the use of materials, products, methods, or systems, if so how?
