RE: DTC 08-12, Verizon's Form 500 Amendment Petition

Dear Secretary Williams:

On March 27, 2009, the Department of Telecommunications and Cable ("Department"), in D.T.C. 08-12, issued a request for comment and notice of public hearing regarding a request by Verizon New England Inc. ("Verizon MA") to amend Form 500 to eliminate the requirement that cable licensees report their total number of subscribers ("Request for Comment"). The Office of the Attorney General ("Attorney General") reserves her right to submit reply comments in this proceeding.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in cursive script that reads "Sandra Callahan Merrick".
