(b) This Renewal License is granted under and in compliance with the Cable Act and M.G.L. c. 166A, and in compliance with all rules and regulations of the FCC and the Cable Division in force and effect during the period for which this Renewal License is granted.

(c) Subject to the terms and conditions herein, the Issuing Authority hereby grants to Licensee the right to construct, upgrade, install, operate and maintain a Cable Television System within the Public Way.

SECTION 2.2 - TERM: NON-EXCLUSIVITY

The term of this non-exclusive Renewal License shall be for a period of ten (10) years and shall commence on January 1, 2013, following the expiration of the current license, and shall expire at midnight on December 31, 2022.

SECTION 2.3 - RENEWAL

(a) In accordance with the provisions of federal law, M.G.L. c. 166A, § 13 and applicable regulations, this Renewal License shall be subject to additional renewals for the periods not to exceed ten (10) years or such other periods as allowed by law.

(b) In accordance with applicable law, any such renewal or renewals shall be upon mutual written agreement by Licensee and the Issuing Authority and shall contain such modified or additional terms as Licensee and the Issuing Authority may then agree.

SECTION 2.4 - RESERVATION OF AUTHORITY

Nothing in this Renewal License shall (a) abrogate the right of the Issuing Authority to perform any public works or public improvements of any description, (b) be construed as a waiver of any codes or by-laws of general applicability and not specific to the Cable Television System, Licensee, or this Renewal License, or (c) be construed as a waiver or release of the rights of the Issuing Authority in and to the Public Ways. Any conflict between the terms of this Renewal License and any present or future exercise of the Town's police and regulatory powers shall be resolved by a court of appropriate jurisdiction.

SECTION 2.5 - NON-EXCLUSIVITY OF LICENSE

(a) Licensee acknowledges and agrees that the Issuing Authority reserves the right to grant one or more additional cable television licenses to other Cable Service providers within the Town for the right to use and occupy the Public Ways or streets within the Issuing Authorities jurisdiction.

(b) In the event an application for a new cable television license is filed with the Issuing Authority, proposing to serve the Town, in whole or in part, the Issuing Authority shall serve a copy of such application upon any existing licensee or incumbent cable operator by registered or certified mail or via nationally recognized overnight courier service within a reasonable time thereafter.

(c) The issuance of additional cable television license(s) shall be subject to all applicable federal and state laws, including M.G.L. c. 166A and applicable regulations promulgated thereunder.

(d) In the event that any additional license(s) is hereafter granted on terms or conditions more favorable or less burdensome than those contained in this Renewal License, the Issuing Authority shall convene a public hearing on such issue, within not more than thirty (30) days of receipt of a hearing request from Licensee. Along with said written request, Licensee shall provide the Issuing Authority with written reasons for its belief. At the public hearing, the Issuing Authority shall afford Licensee an opportunity to demonstrate that any such additional license(s) are on terms more favorable or less burdensome than those contained in this Renewal License. By executing this Renewal License, the Licensee acknowledges that its rights are subject to the powers of the Town and its right to adopt and enforce generally applicable by-laws in the lawful exercise of its police powers to the extent permitted by applicable law, with respect to the safety and welfare of the public. The Licensee shall comply with all applicable federal and State laws and regulation, and Town by-laws and lawful regulations, provided such Town by-laws and regulations are not specific to this License, the Licensee and/or Cable System. Any conflict between the terms of this Renewal License and any present or future lawful exercise of the Town's police and regulatory powers shall be resolved in a court of competent jurisdiction. Nothing in this Section 2.6 shall be deemed to prohibit the right of the Licensee to challenge the legality of a Town by-law or regulation.

SECTION 2.7 – REMOVAL OR ABANDONMENT

Upon termination of this Renewal License by passage of time or otherwise, unless: (1) the Licensee has its license renewed for another term; or (2) the ownership of the Cable Television System is transferred to another Person with written approval by the Issuing Authority in accordance with applicable law and pursuant to Section 2.8 below; or (3) unless otherwise operating under the terms of this Renewal License as allowed by applicable law, the Licensee shall remove all of its supporting structures, poles, transmission and distribution systems, and other appurtenances from the Public Ways and shall restore the areas to their original condition as is reasonably possible and as soon as reasonably possible. If such removal is not complete within six (6) months of such termination, the Issuing Authority may deem any property not removed as having been abandoned. Upon written request of the Licensee, the Issuing Authority may waive this requirement for good cause shown.

SECTION 2.8 – TRANSFER OF THE RENEWAL LICENSE

(a) Pursuant to M.G.L. c. 166A, Section 7, as may be amended from time to time, neither the Renewal License, nor control thereof, shall be transferred, assigned or disposed of in any manner, voluntarily or involuntarily, directly or indirectly, or by transfer of control of any Person, company and/or other entity holding such Renewal License to any other Person, company and/or other entity, without the prior written consent of the Issuing Authority, which consent shall not be arbitrarily or unreasonably withheld. Such consent shall be given only after a public hearing upon a written application therefore on forms as may be prescribed by the FCC and/or the Cable Division. An application for consent to a transfer or assignment, if required, shall be signed by the Licensee and by the proposed transferee or assignee or by their representatives, evidence of whose authority shall be submitted with the application. A transfer or assignment of a license or control thereof between commonly controlled entities, between affiliated companies, or between parent and

subsidiary corporations, shall not constitute a transfer or assignment of a license or control thereof under this Renewal License, unless otherwise provided by applicable federal or state law. An “affiliated company” is any Person or entity who owns or controls, is owned or controlled by, or is under common ownership or control with, such Person or entity.

(b) Pursuant to applicable state and federal law, as may be amended, in considering a request to transfer control of the Renewal License, the Issuing Authority shall consider the transferee's financial capability, management experience, technical expertise and legal ability to operate a Cable System under the existing license and may consider any other criteria allowable under applicable law or regulation.

(c) The consent or approval of the Issuing Authority to any assignment or transfer of the Renewal License granted to the Licensee shall not constitute a waiver or release of the rights of the Town in and to the streets and Public Ways or any other rights of the Town under the Renewal License, and any such transfer shall, by its terms, be expressly subordinate to the terms and conditions of the Renewal License.

(d) The Licensee shall submit to the Issuing Authority an original and one (1) copy, unless otherwise required by applicable law, of the application and FCC Form 394 requesting such transfer or assignment consent.

(e) The consent of the Issuing Authority shall be given only after a public hearing to consider the written application for transfer. Unless otherwise allowed by applicable law(s), the Issuing Authority shall make a decision on said written application within one hundred and twenty (120) days of receipt of said application. After 120 days, the application shall be deemed approved, unless said 120 day period is extended in writing by mutual agreement of the parties pursuant to applicable law.

(f) Any proposed controlling or owning Person or transferee approved by the Issuing Authority shall be subject to all of the terms and conditions contained in the Renewal License.

SECTION 2.9 – EFFECT OF UNAUTHORIZED TRANSFER ACTION

(a) Any transfer of the Cable System without the Licensee and the transferee complying with Section 2.8 above shall be null and void, and shall be deemed a material breach of this Renewal License.

(b) If the Issuing Authority denies its consent to any such action and a transfer has nevertheless been effected, the Issuing Authority may revoke and terminate this Renewal License, unless such transfer is otherwise allowable by applicable law.

(c) The grant or waiver of any one or more of such consents shall not render unnecessary any subsequent consent or consents, nor shall the grant of any such consent constitute a waiver of any other rights of the Town.

ARTICLE 3

With respect to areas of the Town which are currently served by Licensee from a contiguous cable television system, Licensee shall have the option to serve such areas from its cable television system in such abutting town. If an area is not currently served but could be served from an abutting town by the Licensee at a materially lower cost as determined in good faith by the Licensee, Licensee shall have the option to serve such areas from its cable television system in such abutting town.

(d) Provided Licensee has at least ninety (90) days' prior written notice concerning the opening of residential subdivision trenching, or of the installation of conduit for the location of

utilities, it shall install its Cable System cable in such trenching or conduits or may seek permission to utilize alternative trenching or conduits within a comparable time frame. If a substantial quantity of such cable is required for a large subdivision and said quantity is not in stock, Licensee shall be allowed additional time for said installation. The Issuing Authority, or its designee, shall exercise reasonable efforts to have the Dover Planning Board and developers give timely written notice of trenching and underground construction to Licensee. Developer shall be responsible for the digging and back-filling of all such trenches.

SECTION 3.2 - SUBSCRIBER NETWORK

Licensee shall maintain a Cable Television System, fully capable of carrying a minimum bandwidth of 750MHz.

The Issuing Authority or its designee shall consult with a representative of the Licensee to determine the appropriate location for each of such Public Building's respective Outlet prior to requesting that Licensee install Basic Cable Service at no charge.

c) Nothing in this Section 3.3 shall require Licensee to move existing or install additional Drops or Outlets at no charge to those existing buildings included in **Exhibit 3.3**, or to move

existing or install additional Drops or Outlets to buildings installed hereinafter pursuant to subsection (b) above.

(d) It is understood that Licensee shall not be responsible for any internal wiring of such Public Buildings.

SECTION 3.4 - PARENTAL CONTROL CAPABILITY

(a) Pursuant to applicable law, upon request, and at no separate, additional charge, Licensee shall provide Subscribers with the capability to control the reception of any channel on the Cable System.

(b) The Issuing Authority acknowledges that the parental control capability may be part of a converter box and Licensee may charge Subscriber for use of said box.

SECTION 3.5---EMERGENCY ALERT OVERRIDE CAPACITY

Licensee shall comply with the FCC's Emergency Alert System ("EAS") regulations and any applicable laws and regulations of the Commonwealth of Massachusetts in order that emergency messages are distributed over the Cable System.

SECTION 3.6 – VIDEO RETURN LINES

(a) Until such time that the Fiber Video Return Line pursuant to Section 3.6(f) *below* is activated by the Licensee, the Licensee shall continue to own, operate and maintain the existing Coaxial Video Return Lines, Drops and Outlets (formerly the "Institutional Network") to be utilized by the Issuing Authority, its designees and/or Town departments. SECTION 10.1 – INSURANCE

At all times during the term of the Renewal License, including the time for removal of facilities provided for herein, the Licensee shall obtain, pay all premiums for, and file with the Issuing Authority, as obtained and renewed, copies of the certificates of insurance for the following policies:

(a) A commercial general liability insurance policy, written on an occurrence basis, on all claims on account of injury to or death of a person or persons occasioned by the construction, installation, maintenance, operation or removal of the Cable System or alleged to have been so occasioned, with a minimum liability of One Million Dollars (\$1,000,000.00). The policy shall provide blanket contractual liability insurance for all written contracts, and shall include coverage for personal injury, broad form property damage, products and completed operations liability, independent contractor's liability, coverage for property damage from perils of explosion, collapse or damage to underground utilities, commonly known as XCU coverage.

(b) A property damage insurance policy, written on an occurrence basis, naming the Town, its officers, boards, commissions, committees, agent and employees as additional insureds and save them harmless from any and all claims of property damage, real or personal, occasioned or alleged to have been so occasioned by the construction, installation, maintenance or operation of the Cable Television System, with a minimum liability of One Million Dollars (\$1,000,000.00).

(c) Automobile liability insurance for owned automobiles and trucks, non-owned automobiles and trucks and/or rented automobiles and trucks in the amount of:

(i) One Million Dollars (\$1,000,000.00) for bodily injury and consequent death per occurrence;

(d) Workers Compensation in the minimum amount of the statutory limit.

(e) The Licensee shall carry excess liability, written on an occurrence basis, in the minimum amount of Five Million Dollars (\$5,000,000.00) umbrella form over all other insurance required by this Section 10.1.

(f) The following conditions shall apply to the insurance policies required herein:

(i) Such insurance shall commence no later than the Effective Date of the Renewal License.

(ii) Such insurance shall be primary with respect to any insurance maintained by the Town and shall not call on the Town's insurance for contributions.

(iii) Such insurance shall be obtained from brokers or carriers authorized to transact insurance business in the State.

(iv) The coverage amounts set forth above may be met by a combination of underlying and umbrella policies so long as in combination the limits equal or exceed those required herein.

(v) The Licensee's failure to obtain, to procure or maintain the required insurance shall constitute a material breach of the Renewal License under which the Town may immediately suspend operations under the Renewal License.

(vi) The Licensee shall be responsible for all deductibles.

(vii) The Town, its Issuing Authority, other officials, and employees shall be named as "additional insureds" on all liability insurance policies.

(viii) Neither this Section 10.1, nor the provision of insurance or insurance proceeds pursuant to this Section 10.1, shall limit the liability of the Licensee pursuant to this Renewal License.

(ix) The Licensee shall provide the Issuing Authority with certificate(s) of insurance for all policies required herein upon expiration of the policies. All certificates shall

contain, at a minimum, a thirty (30) day notice of cancellation or reduction in the coverage amount(s).

SECTION 10.2 – PERFORMANCE BOND

(a) The Licensee shall maintain, without charge to the Town, throughout the term of the Renewal License, a faithful performance bond running to the Town and in a form satisfactory to the Issuing Authority (however, the Issuing Authority shall not unreasonably deem a bond's form to be unsatisfactory), with good and sufficient surety licensed to do business in the Commonwealth of Massachusetts in the sum of Fifty Thousand Dollars (\$50,000). Said bond shall be upon the terms and conditions specified in M.G.L. 166A § 5(K) and the faithful performance and discharge of all obligations imposed by the Renewal License, subject to the provisions of 11.1 and 11.2 below.

(b) The performance bond shall be effective throughout the term of this Renewal License, including the time for removal of all of the facilities provided for herein, and shall be conditioned that in the event that the Licensee shall fail to comply with any one or more provisions of this Renewal License, the Town shall recover from the surety of such bond all damages suffered by the Town as a result thereof, pursuant to the provisions of Sections 12.1 *below*.

(c) Said bond shall be a continuing obligation of the Renewal License, and thereafter until the Licensee has satisfied all of its obligations to the Town pursuant to the terms and conditions of such bond. In the event that the Town recovers from said surety, the Licensee shall take immediate steps to reinstate the performance bond to the sum of Fifty Thousand Dollars (\$50,000) required herein. Neither this section, nor any bond accepted pursuant thereto, nor any damages recovered there under shall limit the liability of the Licensee under the Renewal License.

(d) The performance bond required herein shall contain an explicit endorsement stating that such performance bond is intended to cover the liability assumed by the Licensee under the terms of the Renewal License and shall contain the following endorsement:

It is hereby understood and agreed that this performance bond shall not be cancelled, materially changed or the amount of coverage thereof reduced until thirty (30) days after receipt by the Issuing Authority by certified mail of one (1) copy of a written notice of such intent to cancel, materially change or reduce the coverage required herein.

SECTION 10.3 – INDEMNIFICATION

The Licensee shall, at its sole cost and expense, indemnify, hold harmless and defend the Town, its officials, boards, commissions, committees, agents and/or employees against all claims for damage due to the actions of the Licensee, its employees, officers, contractors and subcontractors or agents arising out of the construction, installation, maintenance, operation, and/or removal of the Cable Television System under this Renewal License, including without limitation, property damage or personal injury (including accidental death) that arise out of Licensee's construction, operation, maintenance or removal of the Cable System. Indemnified expenses shall include reasonable attorneys' fees and costs incurred from the time the Licensee receives written notice of its obligation to indemnify and defend the Town for a specific claim up to such time that the Licensee assumes defense of any action hereunder. The Issuing Authority shall give the Licensee timely written notice of its obligation to indemnify and defend the Town after receipt of a claim for which indemnification is sought. The Licensee is not required to indemnify the Town for attorney fees and costs incurred prior to the above referenced written notice being provided to the Licensee. In the event of a legal action, the Issuing Authority or its designee shall promptly forward a copy of the legal complaint served upon the Town. .

The Licensee shall be subject to all other requirements of federal and State laws or regulations, relating to nondiscrimination through the term of the Renewal License.

SECTION 11.4 – EMERGENCY REMOVAL OF PLANT

(a) If, at any time, in case of fire or disaster in the Town, it shall become necessary in the reasonable judgment of the Issuing Authority or any designee(s), to cut or move any of the wires, cables, amplifiers, appliances or appurtenances of the Cable Television System, the Town shall have the right to do so at the sole cost and expense of the Licensee. In such event, the Licensee shall reimburse the Issuing Authority the cost and expense of such removal within thirty (30) days of submission of a bill thereof.

(b) The Licensee shall have the right to seek reimbursement under any applicable government program for reimbursement.

SECTION 11.5 – REMOVAL AND RELOCATION

SECTION 12.1 - NOTICE AND OPPORTUNITY TO CURE

In the event that the Issuing Authority has reason to believe that the Licensee has defaulted in the performance of any or several provisions of this Renewal License, except as excused by Force Majeure, the Issuing Authority shall notify the Licensee in writing, by certified mail, of the provision or provisions which the Issuing Authority believes may have been in default and the details relating thereto. The Licensee shall have thirty (30) days from the receipt of such notice to:

(a) respond to the Issuing Authority in writing, contesting the Issuing Authority's assertion of default and providing such information or documentation as may be necessary to support the Licensee's position; or

(b) cure any such default (and provide written evidence of the same), or, in the event that by nature of the default, such default cannot in the reasonable opinion of the Issuing Authority be cured within such thirty (30) day period, to take reasonable steps to cure said default and diligently continue such efforts until said default is cured. The Licensee shall report to the Issuing Authority, in writing, by certified mail, at thirty (30) day intervals as to the Licensee's efforts, indicating the steps taken by the Licensee to cure said default and reporting the Licensee's progress until such default is cured.

(c) In the event that: (i) the Licensee fails to respond to such notice of default; and/or (ii) the Licensee fails to cure the default or to take reasonable steps to cure the default within the required thirty (30) day period; the Issuing Authority or its designee shall promptly schedule a public hearing no sooner than fourteen (14) days after written notice, by certified mail, to the Licensee. The Licensee shall be provided reasonable opportunity to offer evidence, question witnesses, if any, and be heard at such public hearing.

(d) Within forty-five (45) days after said public hearing, the Issuing Authority shall issue a written determination of its findings. In the event that the Issuing Authority determines that the Licensee is in such default, the Issuing Authority may determine to pursue any lawful remedy available to it, including, but not limited to:

- (i) seek specific performance of any provision in this Renewal License which reasonably lends itself to such remedy as an alternative to damages;
- (ii) commence an action at law for monetary damages;
- (iii) foreclose on all or any appropriate part of the security provided pursuant to Section 10.2 herein;
- (iv) declare the Renewal License to be revoked subject to Section 12.3 below and applicable law; and/or
- (v) invoke any other lawful remedy available to the Town.

(e) In the event that the Issuing Authority fails to issue a written determination within forty-five (45) days after the public hearing pursuant to Section 12.1(d) above, then the issue of said default against Licensee by the Issuing Authority shall, unless otherwise agreed to by the parties, be considered null and void.

SECTION 12.2 – REVOCATION OF THE RENEWAL LICENSE

To the extent permitted by applicable law and subject to the provisions of Section 12.1 above, in the event that the Licensee fails to comply with any material provision of this Renewal License, the Issuing Authority may revoke the Renewal License granted herein.

SECTION 12.3 – NON-EXCLUSIVITY OF REMEDY

No decision by the Issuing Authority or the Town to invoke any remedy under this Renewal License or under any statute, law or by-law shall preclude the availability of any other such remedy.

SECTION 12.4 – NO WAIVER-CUMULATIVE REMEDIES

(a) No failure on the part of the Issuing Authority, the Town or the Licensee to exercise, and no delay in exercising, any right in this Renewal License shall operate as a waiver thereof, nor shall any single or partial exercise of any such right preclude any other right, all subject to the conditions and limitations contained in this Renewal License.

(b) The rights and remedies provided herein are cumulative and not exclusive of any remedies provided by law, and nothing contained in this Renewal License shall impair any of the rights of the Town or of the Licensee under applicable law, subject in each case to the terms and conditions in this Renewal License.

(c) No waiver of, nor failure to exercise any right or remedy by the Issuing Authority, the Town or the Licensee at any one time shall not affect the exercise of such right or remedy or any other right or remedy by the Town or the Licensee at any other time. In order for any waiver of the Issuing Authority, Town or the Licensee to be effective, it shall be in writing.

(d) The failure of the Issuing Authority or the Town to take any action in the event of any breach by the Licensee shall not be deemed or construed to constitute a waiver of or otherwise affect the right of the Issuing Authority or the Town to take any action permitted by this Renewal License at any other time in the event that such breach has not been cured, or with respect to any other breach by the Licensee.
