Could Toll Free service help your organization? We offer 800, 888 and 877 service for the same rate as your Verizon long distance plan. Call your Verizon business office today if you want the convenience of a single source for Local, Long Distance and Toll Free services!

Ask about our long distance calling card options. We have three cards to meet your specific needs - Call Anywhere Card, Call Domestic Card and Call Office Only Card. For more details, ask your Verizon representative.

Notice of Price Increase

Effective February 16, 2008, your Toll Free

Notice of Price Increase

Effective February 16, 2008, the FirmRate Plus Plan Minimum Spend Level Commitment will increase from \$15.00 to \$19.00. Visit www.verizon.com or call your local business office for more information. We will be happy to review your account and calling needs with you.

Notice of Price Increase

Effective February 16, 2008, the Federal Access Charge (FAC) rate will increase from \$1.20 to \$1.30 per line for Centrex and Custopak customers. The FAC rate for Multi-line customers will increase from \$3.10 to \$3.35 per line. The FAC rate for Primary Rate ISDN customers will also increase from \$16.25 to \$17.55.

Contracts and plans

012705

Paying By Check Notice

When you provide a check, you authorize us either to use information from your check to make a one-time electronic fund transfer from your account or to process this transaction as a check. If you wish to be excluded from this process, please call 1-888-500-5358.

When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day we receive your payment, and you will not receive your check back from your financial institution.

Change In FUSF Rates

Effective January 1, 2008, the Federal Universal Service Fund (FUSF) surcharge may change. The FUSF surcharge, which is reviewed quarterly, helps keep local telephone rates affordable for all customers, and provides a discount to schools, libraries, rural health care providers and low-income families.

Enhanced E911 Fee

Effective January 1, 2008, the 911/Disability Access Fee has decreased from \$.99 to \$.75 per month, as ordered by the Massachusetts Department of Telecommunications and Cable.

New Statewide Business Rates

Effective February 1, 2008, regional toll rates will increase from \$.070 per minute to \$.075 per minute. Also business customers with Remote Call Forwarding will see a \$2.04 increase resulting in a charge of \$20.99 per month.

Verizon Online

How to Reach Verizon Online
 Visit start.verizon.net
 or call 1-888-202-2610

New Charges for Account 0062213581373

Paying By Check Notice

When you provide a check, you authorize us either to use information from your check to make a one-time electronic fund transfer from your account or to process this transaction as a check. If you wish to be excluded from this process, please call 1-888-500-5358.

When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day we receive your payment, and you will not receive your check back from your financial institution.

Changes In Your National Directory Assistance Services

Beginning April 1, 2008 the price for each National Directory Assistance call will increase from \$1.25 to \$1.50. For both Local and National Directory Assistance calls, customers may continue to ask the operator for up to two listings on each call. There will be no change to the current monthly free call allowances.

Important Billing Information

The \$2.00 increase to the following Verizon Freedom for Business One-year Term calling plans that was due to become effective on February 1, 2008, has been postponed until March 15, 2008.

- Verizon FreedomSM for Business
- Verizon Freedom BasicSM for Business, Local with Toll
- Verizon Freedom BasicSM for Business, Local

The new rates will be reflected in bills dated on or after April 15, 2008. If you are currently on an existing Verizon Freedom for Business Term plan, you will not be subject to this increase until the current term expires. Once the term expires, the plan will be automatically renewed with the \$2.00 price increase.

If you do not want the plan to automatically renew, you must call the business office to remove or change your plan. To learn how you can save on your business calling and broadband services, ask about the Verizon Freedom® for Business Expansion PAK (applicable terms and conditions apply). For more information or questions, please call the business office number on your bill.

Important Information

As you were previously advised, Verizon Business increased its tariff rates for local Frame Relay service and local ATM service effective December 2007. However, due to billing implementation delays, this increase will not be reflected in your bill until your February or March 2008 bill. One of these bills will include the increased rates as well as a backbilling of the increase from December 2007.

Please refer to the "How to reach us" section of your telephone bill to contact the business office that handles your account if you have any questions.

Verizon Online

Paying By Check Notice

When you provide a check, you authorize us either to use information from your check to make a one-time electronic fund transfer from your account or to process this transaction as a check. If you wish to be excluded from this process, please call 1-888-500-5358.

When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day we receive your payment, and you will not receive your check back from your financial institution.

Verizon Enterprise Solutions

Explanation of Type-Date

M-indicates monthly recurring charge;
 the date is the original installation date.
 N-indicates a non-recurring charge;
 the date is the service request date.
 Added-indicates partial month charge for added
 service; the dates reflect the period covered
 by the charge.
 Removed-indicates partial month credit for
 removing service; the dates reflect the period
 covered by the credit.

Paying By Check Notice

When you provide a check, you authorize us either to use information from your check to make a one-time electronic fund transfer from your account or to process this transaction as a check. If you wish to be excluded from this process, please call 1-888-500-5358.

When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day we receive your payment, and you will not receive your check back from your financial institution.

Important Account Reminder: Your current bundle pricing began with your first bundle bill and expires 12 months from that bill. The rate for each of your bundle services is subject to change upon expiration of the 12 month period. Thank you for being a valued Verizon customer.

IMPORTANT - Change To Returned Check Charge

Effective July 19, 2008, the returned check charge will change to \$30.00. This charge applies to checks returned on or after July 19, 2008.

If you have any questions, please call the telephone number that appears on the front portion of your bill to speak with a Verizon customer service representative.

012755

Changes in Federal Charges

Effective on or about April 1, 2008, the Federal Subscriber Line Charge (SLC) for singleline business, multiline business and Centrex lines, ISDN PRI, or ISDN BRI may change. This charge helps pay for the costs of providing and maintaining the local network. In addition, your Federal Universal Service Fund (FUSF) surcharge may change effective on or about April 1, 2008. The FUSF surcharge, which is authorized by the FCC and reviewed quarterly, provides funding for programs to keep local telephone rates affordable for all customers and to provide discounts to schools, libraries, rural health care providers and low-income families.

Important Billing Information

Effective June 1, 2008, there will be a monthly increase to the following products.

- a) \$2.00 per line on all CustoPAK® service not currently under a term commitment. You can avoid the increase and save by signing up for a 3 Year Term Agreement prior to June 1, 2008.
- b) \$1.00 per package for Verizon Freedom Feature Package 1 (Call Forwarding, Call Waiting and Three-Way Calling) and Verizon Freedom Feature Package 2 (Caller ID and Voice Mail).

If you have any questions, please contact the business office telephone number on your bill.

New statewide Local Usage rates for Massachusetts' Business Customers

On May 1, 2008 local usage rates will increase to \$.0300 per minute which applies to all time periods. The new local usage rate will be reflected with bills rendered in June, 2008.

Contact your local Business Office for more information.

Verizon Online

How to Reach Verizon Online
 Visit start.verizon.net
 or call 1-888-649-9500

Verizon Enterprise Solutions

Summary of Long Distance Charges
 Verizon Freedom for Business Toll Free
 representative.

(continued)

Notice of Price Increase

Effective July 19, 2008, International
 Message Telecommunications Service (IMTS)
 rates will increase 5 percent for calls to
 all countries. IMTS rates apply if you are
 not enrolled in an international optional
 calling plan.

In addition, Verizon Long Distance is adding
 Premium Termination rates for calling to
 several additional countries and changing
 many existing Premium Termination rates.
 Verizon Long Distance charges a Premium
 Termination rate to recover the fees that
 foreign telecommunications companies impose
 for terminating calls they designate as
 Premium (e.g., calls to mobile numbers).
 Premium Termination rates are between 1 cent
 and 30 cents per minute more than
 international calls to non-Premium numbers.

If you would like more information about IMTS
 or Premium Termination rates, call our
 business office or visit us on the web at
www.verizon.com.

Paying By Check Notice

When you provide a check, you authorize us either to use information from your check to make a one-time electronic fund transfer from your account or to process this transaction as a check. If you wish to be excluded from this process, please call 1-888-500-5358.

When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day we receive your payment, and you will not receive your check back from your financial institution.

Dial Dig Safe Before You Dig

It takes only one call to the Dig Safe Center to notify all member utility companies of your excavation work. To prevent harm to underground telephone, gas, electric or cable facilities, you need to call ahead of time. Massachusetts require three business days prior notice.

For information, call toll free 1 888 DIG SAFE (1 888 344-7233), or visit the Dig Safe web site at www.digsafe.com

If there are underground facilities in your area, the utility company will identify their location for you. This will eliminate the possibility of damage and save you the expense of costly repairs.

Remember to call ahead, and to pre-mark with white lines. It's the law!

Local Directory Assistance Rate Increase

Beginning August 1, 2008, the price for Local Directory Assistance will increase from \$1.25 per call to \$1.50 per call. For Local Directory Assistance calls, customers may continue to ask the operator for up to two listings on each call.

Information for Massachusetts Customers about Major Extended Service Outages

In the event of a major extended service outage, Verizon offers customers several service options to assist them during the outage. A major extended service outage is defined as one affecting 200 or more customers for more than 48 hours. These options can be arranged by contacting Verizon repair service.

Intercept. This service will forward incoming calls to a recorded message informing the caller that the line is out of service, and is being repaired by Verizon. Intercept is available in all areas.

Call Forwarding. This service will transfer your incoming calls to a telephone number of your choice. (For calls forwarded to toll areas, applicable toll charges will be billed to your account). With this service, callers to your number won't know that their calls are being forwarded. This service is available in all areas.

Call Answering. This service provides small business or residence customers with the capability to receive and store voice messages, and to retrieve them by using a touch tone telephone. Call Answering is not available in all areas.

Medical Emergencies. A residence service customer with a critical medical condition may submit a doctor's letter verifying the need for telephone service to: Verizon Customer Sales and Service Center 350 Granite Street 3F Braintree MA 02184.

In case of a major extended service outage, Verizon will provide a cellular telephone to customers with a verified medical need. Cellular service may not be available in all areas.

Changes in Federal Charges

Effective on or about July 1, 2008, the Federal Subscriber Line Charge (SLC) for single-line business, multi-line business and Centrex lines, ISDN PRI, or ISDN BRI may change. This charge helps pay for the costs of providing and maintaining the local network. In addition, your Federal Universal Service Fund (FUSF) surcharge may change effective on or about July 1, 2008. The FUSF surcharge, which is authorized by the FCC and reviewed quarterly, provides funding for programs to keep local telephone rates affordable for all customers and to provide discounts to schools, libraries, rural health care providers and low-income families.

Paying By Check Notice

When you provide a check, you authorize us either to use information from your check to make a one-time electronic fund transfer from your account or to process this transaction as a check. If you wish to be excluded from this process, please call 1-888-500-5358.

When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day we receive your payment, and you will not receive your check back from your financial institution.

IMPORTANT INFORMATION FROM VERIZON BUSINESS

This notice applies to Verizon Business customers who subscribe to the Corporate Rewards optional calling plan. On September 22, 2008, Verizon Business will change the automatic renewal provision in its state tariffs for Corporate Reward customers. As revised, when a Corporate Reward customer's original term period ends, the term will automatically be renewed for a period equal to the customers' original term unless the customer notifies Verizon Business otherwise prior to the end of the original term. The tariff revisions will also afford affected Corporate Reward customers a 60-day grace period to select a different term commitment or cancel their plan without penalty.

Verizon Caller ID Service Blocking Options

Concerned About Privacy?

Customers who subscribe to Verizon Caller ID Service have a special display device on which they see the name and telephone number of incoming calls before answering them. You may be concerned about your privacy and may not want your name and telephone number to be seen by the person you are calling. In response to this concern, Verizon offers you two ways to prevent the display of your name and telephone number: Per-Call Blocking and Line Blocking.

Per-Call Blocking is available at no charge and will prevent the display of your name and telephone number on the Caller ID Service display device. Your line is already equipped for Per-Call Blocking. All you have to do is press *67 (dial 1167 on a rotary phone) before dialing the number.

Line Blocking is also available at no charge. Once added to your line, Line Blocking automatically prevents the display of your name and telephone number on all calls to Caller ID Service subscribers. Line Blocking can be deactivated on a call-by-call basis by simply pressing *82 (dial 1182 on a rotary phone) before making a call.

To order Line Blocking, business customers should call 1 800 941-9900 between 8:30 am and 5 pm, Monday through Thursday, or between 9 am and 5 pm on Friday. If you have more than one telephone number, please be sure to list all numbers you wish to have the Line Blocking option.

To verify that the Line Blocking option has been activated and is working on your number(s), call the automated Line Blocking test number at 1 888 599-2927 (toll free), 24 hours a day, seven days a week. This call must be made from the number you want verified.

Note: Caller ID Service is available in most areas. Line Blocking and Per-Call Blocking do not prevent the delivery of your number when you place a call to 800, 855, 866, 877, 888 and 900 numbers, or on calls made to Enhanced 911, where available.

Changes in Federal Charges Beginning on or about August 1, 2008

Effective on or about August 1, 2008, the Federal Subscriber Line Charge may change on your main phone line and on any additional phone line. This charge helps pay for the costs of providing and maintaining the local network.

In addition, your Federal Universal Service Fund (FUSF) surcharge may change effective on or about August 1, 2008. The FUSF surcharge, which is authorized by the FCC and reviewed quarterly, provides funding for programs to keep local telephone rates affordable for all customers and to provide discounts to schools, libraries, rural health care providers and low-income families.

Changes in Federal Charges Beginning on or about October 1, 2008

Effective on or about October 1, 2008, the Federal Subscriber Line Charge may change on your main phone line and on any additional phone line. This charge helps pay for the costs of providing and maintaining the local network.

In addition, your Federal Universal Service Fund (FUSF) surcharge may change effective on or about October 1, 2008. The FUSF surcharge, which is authorized by the FCC and reviewed quarterly, provides funding for programs to keep local telephone rates affordable for all customers and to provide discounts to schools, libraries, rural health care providers and low-income families.

Paying By Check Notice

When you provide a check, you authorize us either to use information from your check to make a one-time electronic fund transfer from your account or to process this transaction as a check. If you wish to be excluded from this process, please call 1-888-500-5358.

When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day we receive your payment, and you will not receive your check back from your financial institution.

Information for Massachusetts Customers about Major Extended Service Outages

In the event of a major extended service outage, Verizon offers customers several service options to assist them during the outage. A major extended service outage is defined as one affecting 200 or more customers for more than 48 hours. These options can be arranged by contacting Verizon repair service.

Intercept. This service will forward incoming calls to a recorded message informing the caller that the line is out of service, and is being repaired by Verizon. Intercept is available in all areas.

Call Forwarding. This service will transfer your incoming calls to a telephone number of your choice. (For calls forwarded to toll areas, applicable toll charges will be billed to your account). With this service, callers to your number won't know that their calls are being forwarded. This service is available in all areas.

Call Answering. This service provides small business or residence customers with the capability to receive and store voice messages, and to retrieve them by using a touch tone telephone. Call Answering is not available in all areas.

Medical Emergencies. A residence service customer with a critical medical condition may submit a doctor's letter verifying the need for telephone service to: Verizon Customer Sales and Service Center 350 Granite Street 3F Braintree MA 02184.

In case of a major extended service outage, Verizon will provide a cellular telephone to customers with a verified medical need. Cellular service may not be available in all areas.
