Re: DTC 13-6; Investigation by the Department on its Own Motion to Determine whether an Agreement entered into by Verizon New England Inc., d/b/a Verizon Massachusetts is an Interconnection Agreement under 47 U.S.C. § 251 Requiring the Agreement to be filed with the Department for Approval in Accordance with 47 U.S.C. § 252

Dear Mr. Scott,

Enclosed please find Sprint's<sup>1</sup> supplemental responses to Information Requests issued by the Department of Telecommunications and Cable (the "Department") on March 4, 2014. Sprint's response to D.T.C. 1-1 is supplemented by production of ten of the twelve requested agreements. The two remaining agreements will be produced at a later date – subject to approval by the contracting parties. The notice addresses in the two remaining agreements were invalid, so after having obtained proper addresses, new notice letters were forwarded. The enclosed agreements are designated **HIGHLY SENSITIVE CONFIDENTIAL INFORMATION**. To preserve the confidentiality of these documents and protect them from public disclosure Sprint is submitting them under seal along with a Motion for Confidential Treatment.

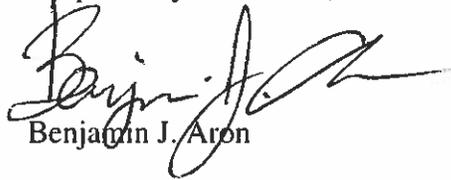

Sprint also encloses supplemental responses to D.T.C. 1-2 and VZ-S 1-6. These two supplemental responses are not confidential, and neither are the documents associated with them.
