**JOINT MOTION FOR NEW HEARING DATES
AND SUSPENSION OF PREHEARING ACTIVITY**

Indiana Bell Telephone Company (“AT&T Indiana”) and Sprint Spectrum L.P. (“Sprint”) hereby request that the Commission set July 23-24, 2014 as the dates for the evidentiary hearings in this case and suspend pre-hearing activity as described herein. In support of this request, the Parties state as follows:

1. The Parties have reached a contingent resolution of Issue 1 (IP-to-IP Interconnection). In light of that development, and to avoid continued litigation of Issue 1 in the event that the contingency on which the resolution of Issue 1 is dependent is fulfilled, the Parties request the evidentiary hearings be delayed until July 23-24, 2014.

2. For the same reason, the Parties also request that all pre-hearing activity in the case, including discovery and the filing of any additional testimony, be suspended, with the exception of any responsive and reply pleadings related to the appeals filed by AT&T Indiana and AT&T Corp, on February 25, 2014 from the Presiding Officers’ February 17, 2014, Entry compelling discovery. In this regard, the Parties also request that the Commission not rule on any pending matters, other than this Joint Motion.

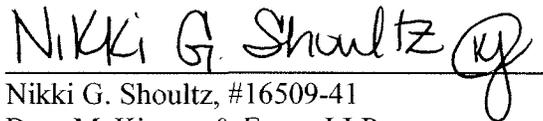

3. Depending on future developments relating to the contingency upon which their resolution of Issue 1 depends, the Parties may seek to resume pre-hearing activity on or after

May 21, 2014. In that event, the Parties will cooperate to establish as promptly as reasonably practicable an agreed schedule and appropriate procedures for completing the pre-hearing activities that have been suspended. To the extent that the Parties are not able to agree on such schedule and/or procedures, they will submit their disagreements to the ALJ for resolution.

4. The Parties will, no later than May 28, 2014, provide the ALJ with a report on the status of this matter, including whether the Parties intend to resume pre-hearing activities.

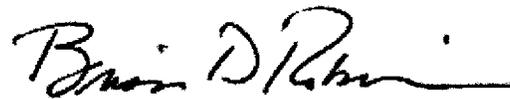

WHEREFORE, AT&T Indiana and Sprint request that the Commission (i) set July 23-24, 2014 as the date for hearings in this case and (ii) suspend all pre-hearing activity, as described herein, pending further notice from the Parties.

Respectfully submitted,
