Re: DTC 14-6, *Petition of Charter Communications to establish and adjust the basic service tier programming, equipment, and installation rates in Massachusetts served by Charter Communications that are currently subject to rate regulation*

Dear Ms. Clark:

On behalf of Charter Communications, Inc. (“Charter”), this letter confirms the Massachusetts Department of Telecommunications and Cable (“Department”) has agreed to Charter’s request for an extension of certain deadlines arising from the Rate Order issued by the Department on October 30, 2015, in the above-referenced docket.

Specifically, the Department has agreed to Charter’s request to extend until January 29, 2016, the deadlines for: (1) Charter to file the refund plan as directed on page 16 of the Rate Order; (2) Charter to file a motion for reconsideration or notice an appeal of the Rate Order to the FCC. In addition, as I discussed with Hearing Officer Sean Carroll on November 18, 2015, Charter has now notified the Federal Communications Commission (“FCC”) of this agreement to ensure its right to appeal the Rate Order to that agency is preserved. The FCC consented orally to the extension of the appeal deadline to June 29, 2016, and Charter will copy Hearing Officer Carroll on the confirming correspondence with the FCC regarding that agency’s consent.

Please do not hesitate to contact me with any questions regarding this matter.

Very truly yours,

/s/ Paul D. Abbott
