Re: D.T.C. 14-7
Petition of Time Warner Cable for Review of FCC Forms 1240 and
Form 1205 for the Great Barrington, North Adams and Pittsfield
Systems

Dear Mr. Carroll:

This will confirm our recent conversations in which I advised you that the FCC Form 1205 filed by Time Warner Cable on November 26, 2014 includes information which we have now determined to be incorrect. Time Warner Cable plans to file a corrected version of the form as quickly as possible. We have agreed that, in light of these circumstances, the public hearing on Time Warner Cable's rates scheduled for August 6, 2015 should be postponed until after the filing of the corrected Form 1205.

Time Warner Cable would agree to an extension of time for the Department to act on the Form 1205 and Forms 1240 filed by Time Warner Cable on November 26, 2014 until a reasonable time after the date of the rescheduled hearing.

Thank you very much for your courtesy in this matter.

Sincerely,

John E. Fogarty
