Docket No. D.T.C. 15-1

In re: Petition of CoxCom, Inc. d/b/a Cox Communications to establish and adjust the basic service tier programming, equipment, and installation rates for the Town of Holland, Public Hearing

Petition to Intervene

TO THE SECRETARY OF THE DEPARTMENT
(by e-mail to dtc.efiling@state.ma.us):

Pursuant to 801 C.M.R. 1.01(9), the Town of Holland by and through its issuing authority, the Select Board, represented by its Select Board members, hereby requests leave of the Division to intervene as a party to the above-captioned matter.

Specific Reasons as to interest

As reason, the Town states that it is the issuing authority for the current license held by CoxCom, Inc. d/b/a Cox Communication ("Cox"), in Holland.

1. The current license between the Town of Holland ("Holland") and Cox is less than one year old.
2. Cox is the only cable television franchise presently licensed within Holland.
3. As further reason Cox has changed its programming without notification to the detriment and great dissatisfaction of the citizens of Holland and without leave of the Department.
4. As such Holland and its citizenry are greatly affected by any results of said proceeding.

Therefore for the above mentioned reasons, Holland prays that the Department grant this Petition to Intervene in the above captioned matter, to protect Holland's interest and the interest of its citizens.

Respectfully submitted,
TOWN OF HOLLAND
By Executive Secretary,

Kelli A. Robbins
