December 21, 2012

The Department of Telecommunications and Cable (“Department”) is announcing its intention to update 207 C.M.R. 10.00, the Department’s regulations governing the advertising, marketing, billing, provision, and termination of telephone and cable television services to residential customers in Massachusetts.

In anticipation of formally announcing a public hearing, which will occur in the January 4, 2013 Massachusetts Register, the Department is releasing the proposed regulation to the public. A copy of which is attached. The proposed regulation is also available electronically at the Department’s website www.ma.gov/dtc, or in person at the Department’s 1000 Washington Street offices.

The Department thanks everyone for their interest in modernizing these important regulations, and looks forward to receiving comment on the proposed changes.
