MEMORANDUM

TO: All Retirement Boards

FROM: Joseph E. Connarton, Executive Director

RE: 2000 Interest Rate Set at 2.1%

DATE: January 13, 2000

In accordance with the provisions of Section 22(6)(b) of Chapter 32 as amended by c. 306 of the acts of 1996, "regular interest" for regular and additional deductions made after January 1, 1984, shall be a rate established by the Public Employee Retirement Administration Commission in consultation with the Commissioner of Banks, and shall be obtained from the average rates paid on individual savings accounts by a representative sample of no less than 10 financial institutions.

The average rate paid has been determined to be 2.1% for the calendar year 2000.

The average rate 2.1% is to be applied on the accumulated total deductions and interest made on or after January 1, 1946. Such interest should be credited during the calendar year 2000 for refunds and retirements and on outstanding balances as of December 31, 1999 on December 31, 2000.
