RE: Additional Retirement Guides

DATE: November 19, 1997

We have added PERAC's Guide to Disability Retirement For Public Employees and Guide To Survivor Benefits for Public Employees to our Home Page on the Internet. These guides can be accessed via our Publications Directory. Both guides are presented in two formats. The html format is designed to facilitate quick browsing via a hot-keyed table of contents. The pdf format enables you to print an entire guide and retain proper formatting and pagination.

Hard copies of the guides (the pdf versions) are enclosed for your perusal.

If we make changes to the content of any of these guides after posting them to our Internet site, we will notify you.
