

The Registry of Motor Vehicles offers free, hour-long presentations on issues facing mature drivers, their families, and caregivers: 1) *Shifting Gears* – safe driving for elders; 2) *The Driving Decision* - helping caregivers and professionals deal with unsafe drivers; and 3) *Disability Placards and Plates* – how to obtain a placard or plate and the laws governing them. All workshops include information on the warning signs of unsafe driving, provide safety tips for drivers, and make suggestions for families dealing with unsafe drivers.
