(C) In the event the Trust determines that Beneficial Owners should be able to obtain Bond certificates, the Trust shall notify the Bond Depository and the Bond Trustee of the availability of Bond certificates. In such event, the Bond Trustee shall issue, transfer and exchange Bond certificates as requested by the Bond Depository (or, pursuant to Section 211(B) hereof, any other Bondholder) in appropriate amounts, and, whenever the Bond Depository requests the Trust and the Bond Trustee to do so, the Bond Trustee and the Trust will cooperate with the Bond Depository in taking appropriate action after reasonable notice (i) to transfer the Bonds to any Participant having Bonds credited to its Bond Depository account or (ii) to arrange for another securities depository to maintain custody of certificates evidencing the Bonds.

(D) Notwithstanding any other provision of this Bond Resolution to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee of the Bond Depository, all payments with respect to the Principal Amount or Redemption Price of, and interest on, such Bond and all notices with respect to such Bond shall be made and given, respectively, to or on the order of the Bond Depository as provided in the Representation Letter.

Unless none of the Series 17A Bonds maturing on such date shall then be Outstanding, there shall be due and the Trust shall in all events pay, as Sinking Fund Installments for the retirement of such Series 17A Bonds, the following amounts on February 1 of each of the following years; provided, however, that where there has been optional redemption of all or a portion of the Series 17A Bonds or purchase of all or a portion of such Series 17A Bonds in lieu of redemption as provided herein, the amount of each future Sinking Fund Installment will be reduced as provided in the certificate of an Authorized Officer filed pursuant to Section 408(c) hereof, prior to such optional redemption or purchase:

* Stated maturity.

Section 302. Selection of Bonds to be Redeemed. If less than all of the Series 17A Bonds of a particular maturity are redeemed, and so long as the book-entry only system remains in effect for such Series 17A Bonds, the Series 17A Bonds of such maturity to be redeemed shall be selected by lot by the Bond Depository in such manner as the Bond Depository may determine. If the book-entry only system no longer remains in effect for the Series 17A Bonds, subject to Section 408 hereof, in the event of redemption of less than all of the Series 17A Bonds of like maturity and tenor, the Bond Trustee shall select by lot, using such method of selection as it shall deem proper in its discretion, from all Series 17A Bonds of such maturity and tenor Outstanding, the Series 17A Bonds or portions thereof to be redeemed.

Section 303. Notice of Redemption. (A) When the Bond Trustee shall receive notice from the Trust of its election to redeem all or a portion of the Series 17A Bonds pursuant to Section 301(A), and when redemption of all or a portion of such Series 17A Bonds is required by this Bond Resolution, the Bond Trustee shall give notice, in the name of the Trust, of the redemption of such Series 17A Bonds, which notice shall specify the "CUSIP" number of each Series 17A Bond or portion thereof to be redeemed, the date and interest rate of such Series 17A Bond or portion to be redeemed and the name and telephone number of a representative of the Bond Trustee from whom information regarding such redemption can be obtained. Such notice shall be mailed not more than 60 days and not less than 30 days prior to the redemption date to the registered owners of all Series 17A Bonds or portions thereof to be redeemed.

Notwithstanding anything herein to the contrary, notice of redemption of any Series 17A Bonds or portions thereof given to the registered owner of \$1,000,000 or more Principal Amount of Bonds Outstanding shall, upon the prior written request of such registered owner to the Bond Trustee, be mailed by certified mail, return receipt requested. Failure to mail any redemption notice as herein provided with respect to a Series 17A Bond or any defect therein shall not affect the redemption of any other Series 17A Bonds for which the required notice of redemption shall have been given. Not less than two Business Days prior to the giving of any notice of

redemption of Series 17A Bonds to the registered owners thereof, the Trust shall also give notice of such redemption to at least one national information service who customarily disseminates information concerning the redemption of bonds (provided failure to give such notice or any defect therein shall not affect the redemption of such Bonds on the redemption date therefor). If any Series 17A Bonds called for redemption as provided herein are not presented for payment within 60 days of the redemption date, the Bond Trustee shall mail an additional notice of the redemption of such Bonds to the registered owners thereof, provided that failure to mail such notice or any defect therein shall not affect the redemption of such Bonds on the redemption date therefor.

(B) If, at the time of mailing of the notice of redemption of the Series 17A Bonds pursuant to Section 301, there shall not have been deposited with the Bond Trustee moneys sufficient to redeem all the Series 17A Bonds called for redemption, such notice may state that it is conditional, *i.e.*, subject to the deposit of the redemption moneys with the Bond Trustee not later than the opening of business on the redemption date, and such notice shall be of no effect unless such moneys are so deposited.

Section 304. Payment of Redeemed Bonds. Notice having been given in the manner provided in Section 303, the Series 17A Bonds or portions thereof so called for redemption shall become due and payable on the redemption date so designated at the Redemption Price, plus interest accrued and unpaid to the redemption date, and, upon presentation and surrender thereof at the office specified in such notice, such Bonds, or portions thereof, shall be paid at the Redemption Price plus interest accrued and unpaid to the redemption date. If there shall be called for redemption less than all of a Series 17A Bond, the Trust shall execute and the Authenticating Agent shall authenticate and deliver, upon the surrender of such Bond, without charge to the Owner thereof, for the unredeemed balance of the Principal Amount of the Bond so surrendered, Series 17A Bonds of like maturity, interest rate and tenor in any authorized denomination. If, on the redemption date, amounts for the redemption of all the Series 17A Bonds or portions thereof to be redeemed, together with interest to the redemption date, shall be held by the Paying Agent so as to be available therefor on said date and if notice of redemption shall have been given as aforesaid, then, from and after the redemption date interest or the portion of the Principal Amount applicable to interest on the Series 17A Bonds or portions thereof so called for redemption shall cease to accrue and become payable. If said amounts shall not be available on the redemption date, interest on such Series 17A Bonds or the portion of the Principal Amount thereof applicable to interest shall continue to accrue until paid at the same rate or yield, as applicable, and in the same manner as it would have borne had they not been called for redemption.

(B) When all Costs of a Project to be paid from a particular Project Account have been so paid, as evidenced by a certificate of an Authorized Officer of the Trust delivered to the Bond Trustee, or when otherwise directed herein, any amount remaining unexpended in the Project Account shall be applied to the prepayment of the applicable Loan, Series 17 Direct Loan or issue of Local Governmental Obligations and transferred by the Bond Trustee to one or more other Project Accounts to be applied to Costs of other Projects in accordance with Paragraph (C) below and to the extent permitted under the Clean Water Act or the Drinking Water Act, as applicable, and the DEP Regulations (upon delivery to the Bond Trustee of an original executed counterpart of an amendment or supplement to the applicable Financing Agreement and Regulatory Agreement).

(C) Notwithstanding the provisions of Paragraph (B), no moneys remaining in a Project Account established for a Clean Water Project upon final disbursement therefrom for Costs of the applicable Project shall be transferred by the Bond Trustee to a Project Account established for a Drinking Water Project, and no moneys remaining in a Project Account established for a Drinking Water Project upon final disbursement therefrom for Costs of the applicable Project shall be transferred by the Bond Trustee to a Project Account established for a

Clean Water Project, unless in each case, simultaneously with such transfers the Trust amends the Equity Allocation Certificate to reflect such transfers, including but not limited to, amendments to reflect the resulting changes to the portions of the Bonds that constitute Clean Water Bonds and Drinking Water Bonds, if any.

(D) At least monthly (or more frequently as requested by the Trust) the Bond Trustee shall furnish the Trust with a written statement as to the amount remaining in each Project Account and a Schedule of investments in each such Account. The Bond Trustee shall retain copies of all written requests delivered pursuant to Section 404(A) hereof and of all such statements while the Bonds applicable to the applicable Project Account remain Outstanding.

(E) Unless otherwise directed by certificate of an Authorized Officer of the Trust (including without limitation the Equity Allocation Certificate), all Net Earnings derived from the investment or deposit of moneys in the Project Accounts shall be retained in such Project Account or, if directed by a Certificate of an Authorized Officer of the Trust, transferred by the Bond Trustee to one or more other Project Accounts to be applied to Costs of Projects in accordance with Paragraph (C) above, and to the extent permitted under the Clean Water Act or the Drinking Water Act, as applicable, and the DEP Regulations (upon delivery to the Bond Trustee of an original executed counterpart of an amendment or supplement to the applicable Financing Agreement and Regulatory Agreement).

Section 405. Application of Costs of Issuance Account. (A) Upon authentication and delivery of the Bonds, an aggregate amount of \$9,121.75 of Bond proceeds shall be deposited to the Costs of Issuance Account. Any amounts remaining in the Cost of Issuance Accounts upon payment of all Costs of Issuance (as indicated in a certificate of an Authorized Officer of the Trust delivered to the Bond Trustee) shall be withdrawn by the Bond Trustee and paid to the Program Trustee for deposit in the Administrative Expense Fund.

(B) Unless otherwise directed by certificate of an Authorized Officer of the Trust (including without limitation the Equity Allocation Certificate), all Net Earnings derived from the investment or deposit of moneys in the Cost of Issuance Account shall be transferred by the Bond Trustee to the Administrative Expense Fund.

Section 406. Revenues and Revenue Fund. (A) Except as otherwise provided herein, all Revenues, including without limitation all Borrower Payments, Direct Loan Borrower Payments, Equity Earnings and Contract Assistance Payments shall promptly upon receipt by the Trust be deposited in the Revenue Fund. The Bond Trustee shall also deposit in the Revenue Fund any amounts directed to be so deposited or transferred to such Fund under any provision of this Bond Resolution, and other amounts transferred to the Bond Trustee in accordance with the

provisions hereof, and shall hold for the account of the Revenue Fund all Loans, Series 17 Direct Loans and Local Governmental Obligations purchased in accordance with this Bond Resolution.

(B) On or before each Interest Payment Date for the Outstanding Bonds, the Bond Trustee shall apply the balance on deposit in the Revenue Fund as follows and in the following order of priority, provided that the portion of any Direct Loan Borrower Payments representing the repayment of principal on Series 17 Direct Loans not needed in accordance with paragraph (1) below on any Interest Payment Date shall only be transferred from the Revenue Fund in accordance with paragraph (2) below on each Principal Payment Date; and provided further that, if the Trust by Supplemental Bond Resolution shall have created one or more additional funds and accounts or subaccounts within Funds and Accounts in accordance with Section 402(B) hereof, the Trust may by Supplemental Bond Resolution modify the priority set forth in any clause of this Paragraph (B) other than the priority of Clauses (1) through (5) of this Paragraph (B):

(1) To the Debt Service Fund, if and to the extent required so that the balance therein shall equal the sum of (a) all due and unpaid interest and all interest to become due on such Interest Payment Date on the Bonds Outstanding; and (b) all due and unpaid Principal Installments and all Principal Installments to become due on such Interest Payment Date on the Bonds Outstanding, subject to the provisions of paragraph (C) below;

(2) On each Principal Payment Date, to the Program Trustee for deposit in the Clean Water Pool Program Reserve Account or the Drinking Water Pool Program Reserve Account, as applicable, within the Pool Program Reserve Fund, the portion of any Direct Loan Borrower Payments representing the repayment of principal on the applicable Series 17 Direct Loans, to the extent provided in the Equity Allocation Certificate, subject to the provisions of paragraph (C) below;

(3) To the Rebate Fund, if and to the extent required so that the amount therein shall equal the Rebate Requirement, if any, as most recently calculated in accordance with Section 410 hereof;

(4) To the Program Trustee, for deposit in the Clean Water Pool Program Reserve Account or the Drinking Water Pool Program Reserve Account, as applicable, within the Pool Program Reserve Fund to reimburse either the Clean Water Revolving Fund or the Drinking Water Revolving Fund, as applicable, in the amount of any payments from the applicable Account made as provided in the Program Resolution due to a Payment Default, but only to the extent of Revenues received and deposited in the Revenue Fund in satisfaction of such Payment Default;

(5) To the Program Trustee, for deposit in the Federal Program Subaccount within the Clean Water Deficiency Account, or the Drinking Water Deficiency Account, as applicable, within the Deficiency Fund to reimburse either the Clean Water Revolving Fund or the Drinking Water Revolving Fund, as applicable, in the amount of any payments from either such Account or Subaccount made as provided in the Program

Resolution due to a Payment Default, but only to the extent of Revenues received and deposited in the Revenue Fund in satisfaction of such Payment Default;

(6) To the Redemption Fund, as directed by an Authorized Officer of the Trust, all or any portion of the remaining balance in the Revenue Fund; and

(7) To or upon the order of the Trust, all or any portion of the remaining balance in the Revenue Fund as requested in writing by the Trust, but only upon receipt by the Bond Trustee of a certificate of an Authorized Officer of the Trust to the effect that following such payment expected Revenues and other funds available for the purpose will be sufficient to pay in the current and each subsequent Fiscal Year Aggregate Debt Service when due and all required deposits, if any, into all Funds and Accounts established and maintained hereunder.

(C) In the event that Revenues (other than the portion of Direct Loan Borrower Payments representing the repayment of principal on Series 17 Direct Loans), and any other amounts deposited in the Debt Service Fund are insufficient to make the deposit required for the Debt Service Fund on any Interest Payment Date as set forth in paragraph (B)(1) above, the Trustee shall apply a portion of the Direct Loan Borrower Payments representing the repayment of principal on the Series 17 Direct Loans to make up any such deficiency, provided that if any such deficiency is a result of a Payment Default attributable to a Clean Water Obligation, the Trustee shall apply the portion of Direct Loan Borrower Payments representing the repayment of principal on Series 17 Direct Loans which constitute Clean Water Obligations prior to applying any portion of Direct Loan Borrower Payments representing the repayment of principal on Series 17 Direct Loans which constitute Drinking Water Obligations, and if such deficiency is a result of a Payment Default attributable to a Drinking Water Obligation, the Trustee shall apply the portion of Direct Loan Borrower Payments representing the repayment of principal on Series 17 Direct Loans which constitute Drinking Water Obligations prior to applying any portion of Direct Loan Borrower Payments representing the repayment of principal on Series 17 Direct Loans which constitute Clean Water Obligations.

(D) As long as no Event of Default shall have occurred and be continuing, the Bond Trustee shall be entitled to rely without inquiry on a certificate of an Authorized Officer of the Trust as to the proper amounts to be deposited in the various Funds and Accounts as required by this Section. The Trust agrees to furnish the Bond Trustee with such a certificate prior to each time the Bond Trustee is required or directed to allocate amounts from the Revenue Fund. The Bond Trustee shall retain copies of such certificates while any of such Bonds remain Outstanding and shall also maintain appropriate records of the interest or other income earned on investment or deposit of all such amounts while held hereunder in any Fund or Account.

(E) Notwithstanding anything in this Section to the contrary, so long as there shall be held in the Debt Service Fund an amount sufficient to fully pay all Outstanding Bonds in accordance with their terms (including Principal Amount or Redemption Price and interest) no deposits shall be required to be made into the Debt Service Fund.

Section 407. Application of Debt Service Fund. (A) The Bond Trustee shall pay out of the Debt Service Fund to the Paying Agent (1) on or before each Interest Payment Date of the

Bonds, the amount required for the interest and Principal Installments payable on such date, and (2) on or before each redemption date for the Bonds, the amount required for the payment of interest on the Bonds then to be redeemed. The Paying Agent shall apply such amounts to the payment of interest and Principal Amount on and after the due dates thereof. If on any Interest Payment Date for the Bonds the amount accumulated in the Debt Service Fund for either of the purposes specified above exceeds the amount required therefor, the Trust, by written certificate of an Authorized Officer, may direct the Bond Trustee to deposit such excess in the Revenue Fund. The Bond Trustee shall also pay out of the Debt Service Fund accrued interest, if any, included in the purchase price of Bonds purchased for retirement under any provision of this Bond Resolution.

(B) Notwithstanding anything in Section 406 or this Section 407 to the contrary, by 1:00 p.m. on any day which is two Business Days prior to any Interest Payment Date for any Bonds Outstanding, the Bond Trustee shall promptly notify the Trust and the Program Trustee as to any portion of the Principal Installments or interest on the Bonds then due that will not be paid due to a Payment Default. Such notice shall indicate whether the deficiency is related to the Clean Water Obligations or the Drinking Water Obligations and shall include a request for amounts from the Pool Program Reserve Fund, in accordance with Section 307(C) of the Program Resolution. To the extent that the deficiency resulting from the Payment Default is expected to exceed the available amounts in the Pool Program Reserve Fund, such notice shall include a request for amounts from the Deficiency Fund, in accordance with Section 308(D) of the Program Resolution.

(C) Unless otherwise directed by certificate of an Authorized Officer of the Trust (including without limitation the Equity Allocation Certificate), all Net Earnings from the investment or deposit of moneys in the Debt Service Fund shall be transferred by the Bond Trustee to the Revenue Fund.

(D) As long as no Event of Default shall have occurred and be continuing, the Bond Trustee shall be entitled to rely without inquiry on a certificate of an Authorized Officer of the Trust as to the proper amounts to be deposited in or withdrawn from the Debt Service Fund, the Pool Program Reserve Fund or the Deficiency Fund as required by this Section. The Trust shall furnish the Bond Trustee with such a certificate prior to each time the Bond Trustee is required or directed to deposit amounts in or withdraw amounts from the Debt Service Fund, the Pool Program Reserve Fund or the Deficiency Fund. The Bond Trustee shall retain copies of such certificates while any of the Bonds remain outstanding.

(E) Amounts in the Debt Service Fund with respect to any Sinking Fund Installment (together with amounts therein with respect to interest on the Bonds for which such Sinking Fund Installment was established) shall, if so directed by the Trust, be applied by the Bond Trustee prior to the 45th day preceding the due date of such Sinking Fund Installment to (1) the purchase of Bonds of the subseries, maturity, interest rate and tenor for which such Sinking Fund Installment was established, at prices not exceeding the applicable sinking fund Redemption Price plus interest on such Bonds to the first date on which such Bonds could be redeemed (or in the case of a Sinking Fund Installment due on the maturity date, the Principal Amount thereof plus interest to such date), such purchases to be made in such manner as the Trust shall determine, or (2) the redemption, pursuant to Section 301(A) hereof, of such Bonds then

redeemable by their terms. The applicable Redemption Price or Principal Amount (in the case of maturing Bonds) of any Bonds purchased or redeemed as provided in this Paragraph shall be deemed to constitute part of the Debt Service Fund until such Sinking Fund Installment due date for the purpose of calculating the amount of such Fund. In satisfaction, in whole or in part, of any amount required to be paid into the Debt Service Fund which is attributable to a Sinking Fund Installment, there may be delivered on behalf of the Trust to the Bond Trustee, Bonds of the subseries, maturity, interest rate and tenor entitled to such payment. All Bonds so delivered to the Bond Trustee in satisfaction of a Sinking Fund Installment shall reduce the amount thereof by the amount of the aggregate of the sinking fund Redemption Prices of the Bonds. Notwithstanding anything to the contrary contained in this Section, the Bond Trustee shall not purchase or accept Bonds in lieu of any Sinking Fund Installment following the giving of notice of redemption of the Bonds on account of which such Sinking Fund Installment was established.

(F) As soon as practicable after the 45th day preceding the due date of any Sinking Fund Installment, the Bond Trustee shall proceed (by giving notice as provided in Section 303 hereof) to call for redemption on such due date Bonds of the subseries, maturity, interest rate and tenor for which such Sinking Fund Installment was established (except in the case of Bonds maturing on a Sinking Fund Installment due date) in such amount, if any, as shall be necessary to complete the retirement of the Principal Amount of the Bonds of such subseries, maturity, interest rate and tenor as specified for such Sinking Fund Installment in Section 301(B) hereof, and whether or not the balance in the Debt Service Fund is sufficient to pay all such Bonds. The Bond Trustee shall pay out of the Debt Service Fund to the Paying Agent, on or before such redemption date or maturity date, the amount required for the redemption of the Bonds so called for redemption or for the payment of such Bonds then maturing and such amount shall be applied by the Paying Agent to such redemption or payment.

Section 408. Application of Redemption Fund. (A) If at any time the amount on deposit and available therefor in the Debt Service Fund and the Revenue Fund is insufficient to pay the Principal Installments and interest on the Bonds then due, the Bond Trustee shall withdraw from the Redemption Fund and deposit in the Debt Service Fund the amount necessary to meet the deficiency (other than from moneys held therein for the payment of the Redemption Price of and interest on Bonds for which the required notice of redemption shall have already been given).

(B) All moneys transferred to the Redemption Fund shall be applied to the purchase or redemption of Bonds including the payment of any premium payable upon redemption thereof, as provided in this Section. Upon receipt of the certificate of an Authorized Officer referred to in Paragraph (C) of this Section 408, the Bond Trustee, if so directed by the Trust, shall apply moneys in the Redemption Fund to the purchase of Bonds designated in such certificate at such prices and in such manner as may be determined by the Trust, such prices not to exceed the Redemption Price of such Bonds applicable on the next ensuing redemption date for such Bonds. Bonds not so purchased may, and if directed by the Trust, shall be redeemed at a Redemption Price determined at the time and in the manner provided in Article III. Bonds shall not be purchased pursuant to this Paragraph (B) following the giving of notice of redemption of the Bonds to be redeemed.

(C) Any Bonds to be purchased or redeemed by the Bond Trustee from moneys in the Redemption Fund shall be purchased or redeemed by the Bond Trustee only upon receipt by the Bond Trustee of a certificate of an Authorized Officer determining or certifying the following:

- (1) The Bonds to be purchased or redeemed;
- (2) The subseries or maturities from which Bonds of similar tenor are to be purchased or redeemed;
- (3) The Principal Amount of Bonds of similar tenor within such subseries or maturities to be purchased or redeemed; and
- (4) If any of the Bonds to be purchased or redeemed as designated in Clauses (1) through (3) above are Bonds for which Sinking Fund Installments have been established, the years in which Sinking Fund Installments are to be reduced and the amount by which the Sinking Fund Installments so determined are to be reduced, provided that the aggregate of such reductions in Sinking Fund Installments shall equal the aggregate Principal Amount of the Bonds to be purchased or redeemed.

(D) Unless otherwise directed by certificate of an Authorized Officer of the Trust (including without limitation the Equity Allocation Certificate), all Net Earnings from the investment or deposit of moneys in the Redemption Fund shall be transferred by the Bond Trustee to the Revenue Fund.

Section 409. [Reserved]

Section 410. Rebate Fund. (A) Pursuant to the requirements of Section 148(f) of the Code, the Trust shall pay to the United States at the times and in the manner provided in this Section 410 an amount determined in accordance with said Section 148(f) equal to the sum of (i) the excess of the amount earned on all Nonpurpose Investments (hereinafter defined) allocable to the Series 17A Bonds (other than investments attributable to an excess described in this clause) over the amount which would have been earned if such Nonpurpose Investments were invested at a rate equal to the Yield on the Series 17A Bonds, plus (ii) any income attributable to the investment of the excess described in clause (i) above. The Trust further covenants to pay such amount to the United States whether or not the amount on deposit in the Rebate Fund and available therefor is sufficient for such payment, and to establish such accounting procedures as are required to determine the amount of such excess investment earnings.

(B) In addition to the payments, if any, to the United States pursuant to Section 148(f) of the Code as provided in Paragraph (A) of this Section 410, pursuant to the requirements of Section 148 of the Code and Treasury Regulation §1.148-5(c) the Trust shall also pay to the United States at the times and in the manner provided in this Section 410 any amount required to be so paid in accordance with Treasury Regulation §1.148-5(c) in order that the Series 17A Bonds shall comply with any Yield limitation on proceeds of the Series 17A Bonds (within the meaning of the Code) provided in Section 148 of the Code. The Trust further covenants to pay such amount to the United States whether or not the amount on deposit in the Rebate Fund and

available therefor is sufficient for such payment and to establish such accounting procedures as are required to determine the amount, if any, so payable.

(C) Within 60 days of the end of each Bond Year (or any earlier date that may be necessary to make a required payment to the United States under Paragraph (D) of this Section 410), the Trust shall furnish to the Bond Trustee a certificate of an Authorized Officer, upon which the Bond Trustee may conclusively rely, setting forth the Rebate Requirement for such Bond Year, which certificate shall identify the Rebate Requirement with respect to the Series 17A Bonds and shall specify appropriate accounting procedures to identify investment earnings on such amounts. At any time during a Bond Year, the Trust may in its discretion recalculate the Rebate Requirement and certify to the Bond Trustee the Rebate Requirement as so recalculated.

(D) Within 60 days after the close of the fifth Bond Year following the date of issue of the Series 17A Bonds and within 60 days after the close of each fifth Bond Year thereafter, the Bond Trustee shall pay from the Rebate Fund to the United States on behalf of the Trust the full amount then required to be paid under the Rebate Provision as certified and directed by the Trust in a certificate of an Authorized Officer delivered to the Bond Trustee not less than ten Business Days prior to the due date of such payment. Within 60 days after the Series 17A Bonds have been paid in full, the Bond Trustee shall pay to the United States from the Rebate Fund on behalf of the Trust the full amount then required to be paid under the Rebate Provision as certified by the Trust in a certificate of an Authorized Officer delivered to the Bond Trustee not less than ten Business Days prior to the due date of such payment. Each such payment shall be filed with the Internal Revenue Service Center, Ogden, Utah 84201 or any successor location specified by the Internal Revenue Service, accompanied by Form 8038-T (or other similar information reporting form).

(E) In the event that, at the time of any required payment from the Rebate Fund, the amount in the Rebate Fund available for such payment shall be insufficient to make such payment (after deposit therein of any amounts provided in Section 303(D)(5) and 304(C)(5) of the Program Resolution), the Trust shall pay the amount of the deficiency from any moneys available to the Trust not pledged under this Bond Resolution or the Program Resolution to the Bonds.

(F) In the event that on any Interest Payment Date of the Bonds the amount on deposit in the Rebate Fund exceeds the Rebate Requirement (calculated as of such Interest Payment Date), the Bond Trustee, at the written direction of an Authorized Officer, shall withdraw such excess amount and deposit it in the Revenue Fund.

(G) For purposes of this Section 410, the term "Nonpurpose Investments" shall have the meaning given in Section 148(f) of the Code. Nonpurpose Investments shall be valued at market for the purposes of this Section 410. In determining the aggregate amount earned on Nonpurpose Investments, any gain or loss on the disposition of such Investments shall be taken into account.

(H) The Trust and the Bond Trustee shall keep such records as will enable them to fulfill the responsibilities under this Section and the Rebate Provision and shall retain such records for at least six years following final payment of the Series 17A Bonds.

(I) Notwithstanding anything in this Bond Resolution to the contrary, the Trust shall not be required to comply with any provision with respect to the Series 17A Bonds contained in this Section 410 in the event the Trust receives an opinion of Bond Counsel that compliance with such provision is no longer required to satisfy the requirements of the Code such that interest on the Series 17A Bonds shall be and remain excludable from gross income for federal income tax purposes or that compliance with some other provision in lieu of a provision specified in this Section is required to or will satisfy the requirements of the Code, in which case compliance with such other provisions specified in such opinion shall constitute compliance with the provisions specified in this Section. The Trust shall adopt a Supplemental Resolution reflecting the deletion or substitution of any such provision in this Section in accordance with Section 601 hereof.

Section 411. [Reserved].

Section 412. Moneys of the Trust. All amounts paid to the Trust pursuant to Clause (7) of Section 406(B) hereof shall be free and clear of any lien or pledge created by this Bond Resolution and, subject to the requirements of the Act and the Clean Water Act or Drinking Water Act, as applicable, may be used for any lawful purpose of the Trust, including, without limiting the generality of the foregoing, payment of Administrative Expenses and deposits to the Clean Water Equity Fund or the Drinking Water Equity Fund, as applicable.

Section 413. Investments and Deposits. (A) Except as otherwise provided in Section 1001, moneys held for the credit of any Fund or Account under this Bond Resolution shall, to the fullest extent practicable, be invested, either alone or jointly with moneys in any other Fund or Account, other than the Rebate Fund, by the Bond Trustee at the direction of an Authorized Officer in Investment Obligations which shall mature or be redeemable at the option of the owner thereof on such dates and in such amounts as may be necessary to provide moneys to meet the payments from such Funds and Accounts; provided that if moneys in two or more Funds or Accounts are commingled for purposes of investment, the Bond Trustee shall maintain appropriate records of the Investment Obligations or portions thereof held for the credit of each such Fund or Account. If the Trust shall fail to provide the Bond Trustee with directions of an Authorized Officer for the investment of any moneys held in any Fund or Account hereunder, the Bond Trustee shall invest such moneys in Investment Obligations described in Clause (10) or Clause (11) of the definition thereof in Section 102(B) hereof (and shall be fully protected in making such investment) maturing or redeemable at the option of the owner thereof on or before the next succeeding Interest Payment Date for the Bonds. Investment Obligations purchased as an investment of moneys in any Fund or Account shall be deemed at all times to be a part of such Fund or Account until transferred as provided in this Bond Resolution. In making investments hereunder, the Bond Trustee shall be protected in relying on the directions of an Authorized Officer as to the nature, maturity, rate and amount of such investments.

(B) Unless otherwise provided herein or in the Equity Allocation Certificate with respect to any particular Fund or Account, Net Earnings derived from the investment or deposit of moneys in any Fund or Account shall be credited to the Revenue Fund.

(C) In computing the amount in any Fund or Account held by the Bond Trustee under the provisions of this Bond Resolution, Investment Obligations shall be valued at par if purchased at par or at Amortized Value if purchased at other than par. Valuation on any particular date shall include the amount of interest then earned or accrued to such date on any Investment Obligations.

(D) At the direction of the Trust, the Bond Trustee shall sell at the best price obtainable, or present for redemption, any obligation purchased by it as an investment whenever it shall be necessary in order to provide moneys to meet any payment from the Fund or Account for which such investment was made. The Bond Trustee shall not be liable or responsible for any loss resulting from any such sale or redemption or any such draw or demand except to the extent provided in the agreements relating thereto. The Bond Trustee shall advise the Trust in writing, on or before the 10th day of each calendar month, of the details of all cash and investments held for the credit of, and transactions in, each Fund and Account in its custody under the provisions of this Bond Resolution as of the end of the preceding month.

ARTICLE V PARTICULAR COVENANTS OF THE TRUST

The Trust covenants and agrees as follows:

Section 501. Powers as to Bonds and Pledge. The Trust is duly authorized under the Act and all applicable laws to create and issue the Bonds and to adopt this Bond Resolution and to pledge and grant a security interest in the Series 17 Direct Loans, Loans, Local Governmental Obligations, Revenues and other property purported to be pledged by this Bond Resolution in the manner and to the extent provided in this Bond Resolution. The Series 17 Direct Loans, Loans, Local Governmental Obligations, Revenues and other property so pledged are and will be free and clear of any pledge, lien, charge or encumbrance thereon or with respect thereto prior to, or of equal rank with, the pledge created by this Bond Resolution except to the extent expressly permitted hereby. The Trust shall at all times, to the extent permitted by law, defend, preserve and protect the pledge of the Series 17 Direct Loans, Loans, Local Governmental Obligations, Revenues and other property pledged under this Bond Resolution and all the rights of the Bondowners under this Bond Resolution against all claims and demands of all persons whomsoever. Nothing in this Section shall be deemed to limit the right of the Trust, and the Trust hereby expressly retains the right, to create a pledge, lien or other charge on the Series 17 Direct Loans, Loans, Local Governmental Obligations, Revenues and other property pledged hereunder junior and subordinate to the pledge and lien created hereby, so long as any such pledge, lien or other charge shall not adversely affect the ratings then assigned to any Bonds Outstanding by any Rating Agency.

Section 502. Extension of Payment of Bonds. The Trust shall not directly or indirectly extend or assent to the extension of the maturity of any of the Bonds or the time of payment of any of the claims for interest thereon by the purchase or funding of such Bonds or claims for interest or by any other arrangement and in case the maturity of any of the Bonds or the time for payment of any such claims for interest shall be extended, such Bonds or claims for interest shall not be entitled in case of any default under this Bond Resolution to the benefit of this Bond Resolution or to any payment out of any assets of the Trust or the funds (except funds held in

trust for the payment of particular Bonds or claims for interest pursuant to this Bond Resolution) held by the Fiduciaries, except subject to the prior payment of the Principal Amount of all Bonds Outstanding the maturity of which has not been extended and of such portion of the accrued interest on the Bonds as shall not be represented by such extended claims for interest.

Section 503. Payment of Lawful Charges. The Trust shall pay all taxes and assessments or other municipal or governmental charges, if any, lawfully levied or assessed upon the Trust or in respect of the Program or upon any of the Series 17 Direct Loans, Loans or Local Governmental Obligations and other property held hereunder, or any Revenues therefrom, when the same shall become due, and shall duly observe and comply with all valid requirements of any municipal or governmental authority relative to any part of the Program, and shall not create or suffer to be created any lien or charge upon the Series 17 Direct Loans, Loans, Local Governmental Obligations, Revenues or Funds and Accounts or other property held hereunder, except as provided in or permitted hereby.

Section 504. Issuance of Additional Obligations. (A) Except as permitted by Section 501 hereof, the Trust shall not hereafter create or permit the creation of or issue any obligations or create any additional indebtedness which will be secured by an equal or prior charge and lien on the Revenues, Loans, Local Governmental Obligations, the Series 17 Direct Loans and other property pledged hereunder or which will be payable from any of the Funds or Accounts established and created by or pursuant to this Bond Resolution prior to the payment or provision for payment of the Bonds, except that the Bonds may be refunded in whole or in part, and such refunding bonds may be issued on a parity with the Bonds and secured by an equal charge and lien on the Revenues, Loans, Local Governmental Obligations, the Series 17 Direct Loans and other property pledged hereunder and shall be payable equally and ratably from the Funds or Accounts established and created pursuant to this Bond Resolution.

(B) The Trust expressly reserves the right to adopt one or more other bond resolutions and reserves the right to issue other obligations (including obligations secured on a junior or subordinate lien basis) so long as the same are not a charge or lien prohibited by Paragraph (A) of this Section.

Section 505. Covenants as to Loans and Local Governmental Obligations. Series 17 Direct Loans, Contract Assistance Payments and Equity Earnings. (A) No Loan shall be made by the Trust from the proceeds of the Bonds or other moneys available therefor hereunder, and no Local Governmental Obligations shall be acquired hereunder, and no Bonds shall be issued by the Trust for the purpose of providing funds with which to make Loans or to purchase Local Governmental Obligations, and no Series 17 Direct Loans shall be made or pledged under this Bond Resolution unless (1) the Loans, Local Governmental Obligations and Series 17 Direct Loans shall comply with the terms, conditions, provisions and limitations of the Act, the Clean Water Act or the Drinking Water Act, as applicable, any applicable Grant Agreement and this Section, (2) the Projects to be financed or refinanced by the Loans, Local Governmental Obligations or Series 17 Direct Loans shall have been approved by the Department in accordance with the DEP Regulations and (3) the Loans, Local Governmental Obligations or Series 17 Direct Loans shall have been approved by the Trust. Each Loan, Local Governmental Obligation and Series 17 Direct Loan funded by the Trust hereunder from the proceeds of Bonds, Allocated

Equity or other moneys available therefor under this Bond Resolution, shall be secured, shall be in the amounts and shall otherwise have such terms and conditions as specified herein.

(B) Except as otherwise permitted by this Bond Resolution, the Loans made and Local Governmental Obligations purchased with the proceeds of the Bonds shall have scheduled Borrower Payments thereon which, together with Contract Assistance Payments and Equity Earnings shall result in aggregate Revenues hereunder, which Revenues, together with all other moneys and other Revenues reasonably anticipated to be available therefor to pay the Principal Installments of and interest on the Bonds, shall be at least sufficient in aggregate amount and in time of receipt to pay in the current and each subsequent Fiscal Year all Aggregate Debt Service when due with respect to the Bonds.

(C) The Trust shall duly and properly service all Loans, Local Governmental Obligations and Series 17 Direct Loans and enforce the payment and collection of all Borrower Payments, Direct Loan Borrower Payments and all other payments, if any, thereon or shall cause such servicing to be done by a servicing agent evidencing, in the judgment of the Trust, the capability and experience necessary to adequately service Loans, Local Governmental Obligations and Series 17 Direct Loans.

(D) The Trust shall do all such acts and things necessary to receive and collect Borrower Payments, Direct Loan Borrower Payments and other Revenues as may be consistent with sound banking practices and principles and shall diligently enforce, and take all steps, actions and proceedings reasonably necessary in the judgment of the Trust for the enforcement of, all terms, covenants and conditions of all Loans, Local Governmental Obligations and Series 17 Direct Loans (and the related Financing Agreements), the Commonwealth Assistance Contract and all Investment Obligations, including the prompt payment of all Borrower Payments, Direct Loan Borrower Payments and other Revenues due the Trust thereunder. The Trust shall at all times, to the extent permitted by law, defend, enforce, preserve and protect the rights and privileges of the Trust and of the Bondowners under or with respect to each Loan, Local Governmental Obligation, Series 17 Direct Loan and all related Financing Agreements, the Commonwealth Assistance Contract and all Investment Obligations, provided that, subject to the terms of the applicable Financing Agreement and the rights of the Department thereunder and under the applicable Regulatory Agreement, the Trust shall have the power and authority to settle a Payment Default on any Loan, Local Governmental Obligation or Series 17 Direct Loan or under the Commonwealth Assistance Contract or any Investment Obligation on such terms as the Trust shall determine to be in the best interests of the Trust and the Bondowners and to forbear from taking action with respect to enforcement of a Loan, Local Governmental Obligation or Series 17 Direct Loan or any related Financing Agreement, or under the Commonwealth Assistance Contract or any Investment Obligation if it determines such forbearance to be in the best interests of the Trust and the Bondowners.

(E) Whenever it shall be necessary in order to protect and enforce the rights of the Trust under a Loan, Local Governmental Obligation, Series 17 Direct Loan, the Commonwealth Assistance Contract or any Investment Obligation and to protect and enforce the rights and interest of Bondowners under this Bond Resolution, the Trust shall take or cause to be taken steps to enforce the applicable Financing Agreement, the Commonwealth Assistance Contract or such Investment Obligation and to enforce any lien or security interest or other right created by

such Loan, Local Governmental Obligation or Series 17 Direct Loan or under the related Financing Agreement, the Commonwealth Assistance Contract or such Investment Obligation or otherwise available to the Trust under the Act, including without limitation the exercise of the rights provided in Section 11 of the Act with respect to local aid distributions payable by the Commonwealth to a Borrower, Direct Loan Borrower or any member or other service recipient thereof or any parent governmental unit of any member or other service recipient thereof.

(F) Subject to the provisions of the Clean Water Act or the Drinking Water Act, as applicable, and the applicable Financing Agreement, the Trust may sell, assign, transfer or otherwise dispose of any Loan, Local Governmental Obligation or Series 17 Direct Loan or any participation or other interest therein which is in default or delinquent in the payment of Borrower Payments, or Direct Loan Borrower Payments, as applicable, thereon if the Trust determines that such action is in the best interests of the Trust and the Bondowners and will result in a greater availability of Revenues to pay Aggregate Debt Service when due, together with Administrative Expenses, than would be the case if such Loan, Local Governmental Obligation or Series 17 Direct Loan is not sold, assigned, transferred or otherwise disposed of, in which case such Loan, Local Governmental Obligation or Series 17 Direct Loan may be so disposed of by the Trust free and clear of the pledge of this Bond Resolution.

(G) Subject to the provisions of the Clean Water Act or the Drinking Water Act, as applicable, and the applicable Financing Agreement, the Trust may sell, assign, transfer, or otherwise dispose of any Loan, Local Governmental Obligation or Series 17 Direct Loan or any participation or other interest therein which is not in default or delinquent in the payment of Borrower Payments or Direct Loan Borrower Payments, as applicable, or transfer any such Loan, Local Governmental Obligation or Series 17 Direct Loan to itself free and clear of the pledge of this Bond Resolution, in either case at such price as the Trust shall determine, provided that not less than 10 Business Days prior to any such disposition or transfer the Trust files with the Bond Trustee a certificate of an Authorized Officer showing that following such disposition or transfer anticipated Revenues, available to pay Aggregate Debt Service in the current and each subsequent Fiscal Year payable by the Trust when due will not be less than the amount of Revenues that would have been available for such purposes, if such Loan, Local Governmental Obligation or Series 17 Direct Loan is not so disposed of or transferred. Unless otherwise directed by certificate of an Authorized Officer of the Trust (including without limitation the Equity Allocation Certificate) the proceeds, if any, of sale, transfer or other disposition of any Loan, Local Governmental Obligation or Series 17 Direct Loan which is not in default or delinquent in the payment of Borrower Payments or Direct Loan Borrower Payments, as applicable, shall be deposited in the Revenue Fund.

(H) The Trust may consent or agree to or permit amendment or modification of any Loan, Local Governmental Obligation or Series 17 Direct Loan, and the related Financing Agreement, including amendments and modifications made in connection with settlement of any delinquency or Payment Default, which the Trust determines to be in the best interests of the Trust and the Bondholders; provided that (i) such Loan, Local Governmental Obligation or Series 17 Direct Loan, as so amended or modified, continues to satisfy the requirements of this Bond Resolution for a Loan, Local Governmental Obligation or Series 17 Direct Loan which the Trust may make or purchase and hold hereunder and (ii) the Trust determines that such amendment or modification will not have a material adverse impact, taking into account the

reasonable expectations with respect to such Loan, Local Governmental Obligation or Series 17 Direct Loan immediately prior to such amendment or modification, on the Trust's ability to pay Aggregate Debt Service in the current and each subsequent Fiscal Year.

(I) The Trust may consent or agree to or permit amendment or modification of the Commonwealth Assistance Contract or any Investment Obligation which the Trust determines to be in the best interests of the Trust and the Bondholders; provided that no such amendment or modification shall be effective until the Trust files with the Bond Trustee a certificate of an Authorized Officer showing that following such amendment or modification anticipated Revenues available to pay Aggregate Debt Service in the current and each subsequent Fiscal Year when due will not be less than the amount of Revenues anticipated to be available for such purpose if the Commonwealth Assistance Contract or such Investment Obligation is not so amended or modified.

(J) Subject to the provisions of the Clean Water Act or the Drinking Water Act, as applicable, and the applicable Financing Agreement, the Trust may substitute any Loan, Local Governmental Obligation or any Series 17 Direct Loan or any participation or other interest therein which is not in default or delinquent in the payment of Borrower Payments or Direct Loan Borrower Payments, as applicable, in exchange for another loan or local governmental obligation, provided that not less than 10 Business Days prior to any such substitution the Trust files with the Bond Trustee a certificate of an Authorized Officer showing that following such substitution anticipated Revenues (taking into account such substituted loan, direct loan or local governmental obligation), available to pay Aggregate Debt Service in the current and each subsequent Fiscal Year will not be less than the amount of Revenues (excluding the portion of any Direct Loan Borrower Payments representing the repayment of principal on the applicable Series 17 Direct Loans) that would have been available for such purposes, if such Loan, Local Governmental Obligation or Series 17 Direct Loan is not so substituted and the loans, direct loans or local governmental obligations to be substituted comply with the terms hereof, including without limitation this Section 505.

(K) Subject to the provisions of the Clean Water Act or the Drinking Water Act, as applicable, and the applicable Financing Agreement, the Trust may release from the pledge of this Bond Resolution any Loan, Local Governmental Obligation or Series 17 Direct Loan or any participation or other interest therein, or transfer any such Loan, Local Governmental Obligation or Series 17 Direct Loan to itself free and clear of the pledge of this Bond Resolution, provided that prior to such release or transfer the Trust files with the Bond Trustee a certificate of an Authorized Officer showing that following such release or transfer anticipated Revenues (excluding the portion of any Direct Loan Borrower Payments representing the repayment of principal on the applicable Series 17 Direct Loans) available to pay Aggregate Debt Service in the current and each subsequent Fiscal Year will not be less than the Aggregate Debt Service on the Bonds payable by the Trust in the current and each subsequent Fiscal Year.

Section 506. Tax Covenants. (A) The Trust shall not use or permit the use of any proceeds of Bonds or any other funds of the Trust, directly or indirectly, to acquire any securities or obligations, and shall not use or permit the use of any amounts received by the Trust or the Fiduciaries with respect to the Revenues, Loans, Local Governmental Obligations or Series 17 Direct Loans in any manner, and shall not otherwise take or permit to be taken any other action

or actions, which would cause any Bond to be an "arbitrage bond" within the meaning of Section 148 of the Code or, to the extent applicable, which would cause any Bond to violate any of the restrictions contained in Section 141 through Section 150 the Code.

(B) The Trust shall take all lawful action necessary to ensure that interest on the Bonds will remain excludable from gross income for federal income tax purposes and shall not use or permit the use of any proceeds of Bonds or any other funds of the Trust, directly or indirectly, in any manner, and shall not take or permit to be taken any other action or actions, which would cause the interest on the Bonds to become includable in gross income for federal income tax purposes.

(C) The covenants and agreements contained in this Section 506 shall survive the payment of a Bond or the making of provision for the payment thereof as provided in Section 1001 hereof. Notwithstanding anything in this Bond Resolution to the contrary, the covenants and agreements contained in this Section 506 shall not apply to any Bond bearing at the time of original issuance under this Bond Resolution such terms and provisions, or the proceeds of which are applied in such a manner, as shall cause the interest payable on such Bond to be includable in gross income for federal income tax purposes if the opinion of Bond Counsel delivered to the Bond Trustee and the Authenticating Agent upon original issuance of such Bond states, in effect, that under then existing laws the interest payable on such Bond is includable. Notwithstanding the foregoing, unless a different meaning clearly appears from the context, any reference herein to the exclusion of interest on any Bonds from gross income for federal income tax purposes shall not include reference to inclusion of interest on any Bond in any computation of the alternative minimum tax imposed on individuals or corporations by the Code.

Section 507. Additional Tax Covenants. In addition to the requirements of Section 506 hereof, so long as any Bonds shall be Outstanding and unpaid (unless the Trust shall file an opinion of Bond Counsel with the Bond Trustee to the effect that compliance with all or part of the provisions of this Section 507 is not required to maintain the exclusion from gross income for federal income tax purposes of interest on the Series 17A Bonds) the Trust covenants that:

(a) Notwithstanding the definition of Clean Water Equity Requirement and Drinking Water Equity Requirement, but subject to Section 410(B) hereof, at no time shall the amount allocable to the Series 17A Bonds, if any, in the Pool Program Reserve Fund, the Federal Program Subaccount within the Clean Water Deficiency Account in the Deficiency Fund and the Drinking Water Deficiency Account in the Deficiency Fund be invested at a Yield higher than the Yield on the Series 17A Bonds;

(b) At no time shall the amount, if any, of proceeds from the sale of the Series 17A Bonds on deposit in the Pool Program Reserve Fund, the Federal Program Subaccount within the Clean Water Deficiency Account in the Deficiency Fund and the Drinking Water Deficiency Account in the Deficiency Fund exceed an amount equal to 10% of the proceeds of the Series 17A Bonds;

(c) Not less than 95% of those Costs of Issuance funded from proceeds of the Series 17A Bonds constituting legal and underwriting costs associated with the issuance

of the Series 17A Bonds (as determined under the Code) shall be paid not later than the 180th day after the date of authentication and delivery of the Series 17A Bonds; and

(d) The Trust shall not make any arrangement, formal or informal, pursuant to which any Borrower or any other person (including any related person as defined in Section 144(a)(3) of the Code) to whom the Trust may make a Loan or from whom the Trust may purchase Local Governmental Obligations under the Program, shall purchase Series 17A Bonds in an amount related to the amount of such Loan or Local Governmental Obligations.

Section 508. Accounts and Reports. (A) The Trust shall keep, or cause to be kept, proper books of record and account in which complete and accurate entries shall be made of all its transactions relating to the Program and all Funds and Accounts established by or pursuant to this Bond Resolution, which shall at all reasonable times be subject to the inspection of the Bond Trustee, any Borrower and the Owners of not less than 5% in aggregate Principal Amount of Bonds then Outstanding or their representatives duly authorized in writing.

(B) The Trust shall annually file with the Bond Trustee, and otherwise as provided by law, a copy of an annual report for such year (the "Annual Report"), and shall annually, within 120 days after the close of each Fiscal Year, file with the Bond Trustee, and otherwise as provided by law, financial statements relating to the Program containing the report thereon of an independent public accountant or firm of accountants acceptable to the Bond Trustee (the "Annual Program Audit"). The Annual Report shall include statements and reports regarding the Trust's operations and accomplishments and shall include the Annual Program Audit, or a summary thereof, and such other information as the Trust in its discretion shall determine or as may be required by the Act or the Clean Water Act or Drinking Water Act, as applicable. The Annual Program Audit shall include the following statements relating to the Bonds in reasonable detail: (a) the receipts and expenditures for the Program during such Fiscal Year in accordance with the categories or classifications established by the Trust for its operating and capital outlay purposes; (b) assets and liabilities at the end of such Fiscal Year, including a Schedule of Loans, Local Governmental Obligations, and the status of reserve, special or other funds and the Funds and Accounts established by this Bond Resolution; and (c) a Schedule of Bonds Outstanding at the end of such Fiscal Year, together with a statement of the amounts paid, redeemed and issued during such Fiscal Year. The Annual Report and Annual Program Audit may be included with any other annual report and accountant's report relating to other programs and operations of the Trust. A copy of each Annual Report shall be mailed by the Trust to each Bondowner who shall have filed his name and address with the Trust for such purpose.

Section 509. Further Assurance. At any and all times the Trust shall, so far as it may be authorized by law, pass, make, do, execute, acknowledge and deliver all such further resolutions, acts, deeds, conveyances, assignments, transfers and assurances as may be necessary or desirable for better assuring, conveying, granting, assigning or confirming all and singular the rights, Revenues, Loans, Local Governmental Obligations, Series 17 Direct Loans and other moneys, securities and property hereby pledged or assigned, or intended so to be, or which the Trust may hereafter become bound to pledge or assign.

ARTICLE VI

Section 601. Supplemental Bond Resolutions Effective Upon Filing. For any one or more of the following purposes and at any time or from time to time, a resolution of the Trust supplementing this Bond Resolution may be adopted, which resolution, upon the filing with the Bond Trustee of a copy thereof certified by an Authorized Officer of the Trust, accompanied by an Opinion of Counsel as provided in Section 605 hereof, shall be fully effective in accordance with its terms:

- (1) To add to the covenants or agreements of the Trust contained in this Bond Resolution other covenants or agreements to be observed by the Trust which are not contrary to or inconsistent with this Bond Resolution as theretofore in effect;
- (2) To add to the limitations or restrictions to be observed by the Trust which are not contrary to or inconsistent with this Bond Resolution as theretofore in effect;
- (3) To surrender any right, power or privilege reserved to or conferred upon the Trust by this Bond Resolution;
- (4) To confirm, as further assurance, any pledge under, and the subjection to any lien or pledge created or to be created by, this Bond Resolution, of the Revenues, Loans, Local Governmental Obligations, Series 17 Direct Loans or of any other moneys, securities and property; and
- (5) To specify, determine or authorize any and all matters and things relative to the Bonds or the proceeds thereof which are not contrary to or inconsistent with this Bond Resolution as theretofore in effect.

Section 602. Supplemental Bond Resolutions Effective Upon Consent of Bond Trustee. For any one or more of the following purposes and at any time or from time to time, a resolution of the Trust amending or supplementing this Bond Resolution may be adopted, which resolution upon the (a) filing with the Bond Trustee of a copy thereof certified by an Authorized Officer of the Trust, accompanied by an Opinion of Counsel as provided in Section 605 hereof; and (b) filing with the Bond Trustee and the Trust of an instrument in writing made by the Bond Trustee consenting to the amendment or supplement effected by such resolution, shall be fully effective in accordance with its terms:

- (1) To cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision in this Bond Resolution;
- (2) To insert any provisions, not contrary to or inconsistent with this Bond Resolution as theretofore in effect, clarifying matters or questions arising under this Bond Resolution;
- (3) To insert or amend any provision in this Bond Resolution required to comply with the Clean Water Act or the Drinking Water Act, as applicable or necessary to maintain the exclusion from federal income taxes of interest on any Series 17A Bonds

Outstanding to which such exclusion applies and which will not adversely affect the ratings then assigned to any Bonds Outstanding by any Rating Agency (as evidenced by a certificate of an Authorized Officer of the Trust to such effect delivered to the Bond Trustee (upon which the Bond Trustee may conclusively rely), accompanied by letters from each Rating Agency (or other evidence satisfactory to the Bond Trustee) confirming that the adoption of such Supplemental Bond Resolution will not adversely affect the ratings then assigned by such Rating Agency to any Bonds Outstanding); and

(4) To insert, repeal or amend any provision in this Bond Resolution, provided such insertion, deletion or amendment is permitted by the Clean Water Act or the Drinking Water Act, as applicable and the Act and will not adversely affect the ratings then assigned to any Bonds Outstanding by any Rating Agency (as evidenced by a certificate of an Authorized Officer of the Trust to such effect delivered to the Bond Trustee (upon which the Bond Trustee may conclusively rely), accompanied by letters from each Rating Agency (or other evidence satisfactory to the Bond Trustee) confirming that the adoption of such Supplemental Bond Resolution will not adversely affect the ratings then assigned by such Rating Agency to any Bonds Outstanding).

Section 603. Supplemental Bond Resolutions Effective With Consent of Bondowners.

(A) At any time or from time to time, a resolution of the Trust amending or supplementing this Bond Resolution may be adopted modifying any of the provisions of this Bond Resolution or releasing the Trust from any of the obligations, covenants, agreements, limitations, conditions or restrictions therein contained, but no such resolution shall be effective until after the filing with the Bond Trustee of a copy thereof certified by an Authorized Officer of the Trust, accompanied by an Opinion of Counsel as provided in Section 605 hereof, and unless (1) no Bonds delivered by the Trust prior to the adoption of such resolution remain Outstanding at the time it becomes effective, or (2) such resolution is consented to by or on behalf of Bondowners in accordance with and subject to the provisions of Article VII.

(B) The provisions of Paragraph (A) of this Section shall not be applicable to resolutions of the Trust adopted and becoming effective in accordance with the provisions of Section 601 or Section 602.

Section 604. Restriction on Amendments. This Bond Resolution shall not be modified or amended in any respect except as provided in and in accordance with and subject to the provisions of this Article and Article VII. The provisions of Paragraph (A) of Section 603 are in all respects subject and subordinate to the provisions, restrictions, exceptions and limitations set forth in Article VII.

Section 605. Adoption and Filing of Supplemental Bond Resolutions. Any resolution of the Trust referred to and permitted or authorized by Sections 601 or 602 may be adopted by the Trust without the vote or consent of any of the Bondowners, but shall become effective only on the conditions, to the extent and at the time provided in said Sections, respectively. Every such resolution so becoming effective shall thereupon form a part of this Bond Resolution. The copy of every such resolution when filed with the Bond Trustee shall be accompanied by an Opinion of Counsel to the effect that such resolution has been duly and lawfully adopted by the Trust in accordance with the provisions of this Bond Resolution, is authorized or permitted by

the provisions of this Bond Resolution and, when effective, will be valid and binding upon the Trust and enforceable in accordance with its terms. A copy of any such Supplemental Bond Resolution (and Opinion of Counsel) shall also be delivered by the Trust to each Rating Agency then maintaining a rating on any Bonds Outstanding at the time it is filed with the Bond Trustee.

Section 606. Authorization to Bond Trustee. The Bond Trustee is hereby authorized to accept the delivery of a certified copy of any resolution of the Trust referred to and permitted or authorized by Sections 601, 602 or 603 and to consent to such resolution and to make all further agreements and stipulations which may be therein contained, and the Bond Trustee, in taking such action, shall be fully protected in relying on an Opinion of Counsel that such resolution is authorized or permitted by the provisions of this Bond Resolution.

ARTICLE VII AMENDMENTS

Section 701. Mailing of Notices. Except as otherwise provided in any Supplemental Bond Resolution theretofore in full force and effect, any provision in this Article relative to the mailing of a notice or other paper to Bondowners shall be fully complied with if it is mailed, postage prepaid, only (1) to each registered owner of any Bonds then Outstanding at his last address, if any, appearing upon the registry books and (2) to the Bond Trustee.

Section 702. Powers of Amendment. Any modification or amendment of this Bond Resolution and the rights and obligations of the Trust and of the Owners of the Bonds thereunder, in any particular, may be made by a Supplemental Bond Resolution with the written consent, given as hereinafter provided in Section 703, of the Owners of at least 60% in aggregate Principal Amount of the Bonds Outstanding at the time such consent is given; provided, however, that if such modification or amendment will, by its terms, not take effect so long as any Bonds of a subseries of similar tenor and of any specified maturity and interest rate remain Outstanding, the consent of the Owners of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds under this Section; and provided, further, that no such modification or amendment shall permit a change in the terms of redemption or maturity of any Outstanding Bonds or of any installment of interest thereon or a reduction in the Principal Amount or the Redemption Price thereof or the rate of interest thereon without the consent of the Owner of such Bond, or shall reduce the percentages of Bonds the consent of the Owners of which is required to effect any such modification or amendment, or shall change or modify any of the rights or obligations of any Fiduciary without the filing with the Bond Trustee of such Owner's written assent thereto.

Section 703. Consent of Bondowners. The Trust may at any time adopt and file in accordance with the provisions of Section 603 a resolution of the Trust making a modification or amendment permitted by the provisions of Section 702, to take effect when and as provided in this Section. A copy of such resolution (or brief summary thereof or reference thereto in form approved by the Bond Trustee), together with a request to Bondowners for their consent thereto in form satisfactory to the Bond Trustee, shall be mailed by the Trust to Bondowners (but failure to mail such copy and request shall not affect the validity of such resolution when consented to as in this Section provided). Such resolution shall not be effective unless and until, and shall only take effect in accordance with its terms when, (1) there shall have been filed with the Bond

Trustee (a) the written consents of Owners of the percentage of Outstanding Bonds specified in Section 702, and (b) an Opinion of Counsel to the effect required by Section 605 and (2) a notice shall have been mailed as hereinafter in this Section provided. Any such consent shall be binding upon the Owner of the Bonds giving such consent and upon any subsequent Owner of such Bonds and of any Bonds issued in exchange therefor (whether or not such subsequent Owner thereof has notice thereof) but, notwithstanding the provisions of Section 1101, such consent may be revoked in writing by the Owner of such Bonds giving such consent or a subsequent Owner thereof by filing such revocation with the Bond Trustee prior to but not later than the time the written statement of the Bond Trustee hereinafter in this Section provided for is filed with the Trust. The fact that a consent has not been revoked may likewise be proved by a certificate of the Bond Trustee filed with the Bond Trustee to the effect that no revocation thereof is on file with the Bond Trustee. When the Owners of the required percentage of Bonds shall have filed their consents to such resolution, the Bond Trustee shall make and file with the Trust a written statement that the Owners of such required percentage of Bonds have filed and given such consents. Such written statement shall be conclusive that such consents have been so filed and have been given. Not more than 90 days after the Owners of the required percentage of Bonds shall have filed their consents to the resolution and the written statement of the Bond Trustee hereinabove provided for is filed with the Trust, notice, stating in substance that such resolution (which may be referred to as a resolution adopted by the Trust on a stated date a copy of which is on file with the Bond Trustee) has been consented to by the Owners of the required percentage of Bonds and will be effective as provided in this Section, shall be given to Bondowners by the Trust by mailing such notice to Bondowners. The Trust shall file with the Bond Trustee proof of the mailing of such notice. A record, consisting of the papers required or permitted by this Section to be filed with the Bond Trustee, shall be proof of the matters therein stated. Such resolution making such modification or amendment shall be deemed conclusively binding upon the Trust, the Fiduciaries and the Owners of all Bonds upon the mailing of such last-mentioned notice.

Section 704. Modifications by Unanimous Consent. Notwithstanding anything contained in Article VI or in the foregoing provisions of this Article VII, the terms and provisions of this Bond Resolution and the rights and obligations of the Trust and the Owners of the Bonds, in any particular, may be modified or amended in any respect upon the adoption by the Trust and filing in accordance with the provisions of Article VI of a resolution of the Trust making such modification or amendment and the consent to such resolution of the Owners of all of the Bonds then Outstanding, such consent to be given as provided in Section 703 except that no notice to Bondowners shall be required; provided, however, that no such modification or amendment shall change or modify any of the rights or obligations of any Fiduciary without the filing with the Bond Trustee of its written assent thereto in addition to the said consent of Bondowners.

Section 705. Exclusion of Bonds. Bonds owned or held by or for the account of the Trust shall be excluded and shall not be deemed Outstanding for the purpose of consent or other action or any calculation of Outstanding Bonds provided for in this Article VII. At the time of any consent or other action under this Article VII, the Trust shall furnish the Bond Trustee a certificate of an Authorized Officer, upon which the Bond Trustee may rely, describing all Bonds so to be excluded.

Section 706. Notation on Bonds. Bonds delivered after the effective date of any action taken as in Article VI or this Article VII provided may, and if the Bond Trustee so determines shall, bear a notation by endorsement or otherwise in form approved by the Trust and the Bond Trustee as to such action and in that case, upon demand of the Owner of any Bond Outstanding and presentation of such Bond at the Principal Office of the Bond Trustee, suitable notation shall be made on such Bond by the Bond Trustee as to any such action. If the Trust or the Bond Trustee shall so determine, new Bonds so modified as in the opinion of the Bond Trustee and the Trust to conform to such action shall be prepared, authenticated and delivered and, upon demand of the Owner of any Bond then Outstanding, shall be exchanged, without cost to such Bondowner, for Bonds of the subseries, the maturity, tenor and interest rate then Outstanding, in the manner provided in Section 206 hereof.

Section 707. Amendments to Financing Agreements, Loans, Local Governmental Obligations, and Series 17 Direct Loans. (A) Without notice to or the consent of any of the Bondowners, the Trust may, with prior written notice to the Bond Trustee, execute and deliver one or more amendments to or supplements to the Financing Agreements pertaining to any of the Loans, Local Governmental Obligations, or Series 17 Direct Loans, for any of the following purposes:

(1) To cure any ambiguity, supply any omission or cure or correct any defect or inconsistent provisions in such Financing Agreement, Loan, Local Governmental Obligation or Series 17 Direct Loan;

(2) To insert any provisions therein, not contrary to or inconsistent with the instrument as theretofore in effect, clarifying matters or questions arising under the instrument or to effect any amendment thereof permitted by the terms of such instrument as theretofore in effect; and

(3) To insert, repeal or amend any provision in such instruments, provided such insertion, deletion or amendment is permitted by the Clean Water Act or the Drinking Water Act, as applicable, (to the extent applicable to such amendment) and the Act and will not adversely affect the ratings then assigned to any Bonds Outstanding by any Rating Agency, as evidenced by a certificate of an Authorized Officer of the Trust to such effect delivered to the Bond Trustee (upon which the Bond Trustee may conclusively rely), accompanied by letters from each Rating Agency (or other evidence satisfactory to the Bond Trustee) confirming that the execution and delivery of such amendment or supplement will not adversely affect the ratings then assigned by such Rating Agency to any Bonds Outstanding.

(C) Except as provided in paragraph (A) of this Section 707, the Trust shall not execute and deliver any amendment to or supplement of a Financing Agreement pertaining to any Loan, Local Governmental Obligation or Series 17 Direct Loan, unless such amendment or supplement shall have been consented to by or on behalf of the Bondholders to the same extent and in the same manner as if such amendment or supplement were a Supplemental Bond Resolution to which the provisions of Section 603 hereof apply.

ARTICLE VIII
DEFAULTS AND REMEDIES

Section 801. Events of Default. Each of the following shall constitute an "Event of Default" under this Bond Resolution:

- (1) Default in the payment of the Principal Amount or Redemption Price of any Bond when due, whether at maturity or by call for redemption, or otherwise or in the payment of any Sinking Fund Installment when due;
- (2) Default in the payment of any installment of interest on any Bond when due;
- (3) Default by the Trust in the performance or observance of any other of the covenants, agreements or conditions on its part provided in this Bond Resolution or in the Bonds and such default shall continue for a period of 30 days after written notice thereof shall be given to the Trust by the Bond Trustee or to the Trust and the Bond Trustee by the Owners of not less than 25% in aggregate Principal Amount of the Bonds Outstanding; provided that if such default cannot be remedied within such 30-day period, it shall not constitute an Event of Default hereunder if corrective action is instituted by or on behalf of the Trust within such period and diligently pursued until the default is remedied;
- (4) If an order, judgment or decree is entered by a court of competent jurisdiction (a) appointing a receiver, trustee, or liquidator for the Trust or the whole or any substantial part of its assets, (b) granting relief in involuntary proceedings with respect to the Trust under the Federal bankruptcy act, or (c) assuming custody or control of the Trust or of the whole or any substantial part of its assets under the provisions of any law for the relief of debtors, and the order, judgment or decree is not set aside or stayed within 60 days from the date of entry of the order, judgment or decree; or
- (5) If the Trust (a) admits in writing its inability to pay its debts or the interest thereon generally as they become due, (b) commences voluntary proceedings in bankruptcy or seeking a composition of indebtedness, (c) makes an assignment for the benefit of its creditors, (d) consents to the appointment of a receiver of the whole or any substantial part of its assets, or (e) consents to the assumption by any court of competent jurisdiction under any law for the relief of debtors of custody or control of the Trust or of the whole or any substantial part of its assets.

Section 802. Remedies. (A) Upon the happening and continuance of any Event of Default, then, and in each such case, the Bond Trustee may proceed, and upon the written request of the Owners of not less than 25% in aggregate Principal Amount of the Outstanding Bonds shall proceed, in its own name, to protect and enforce its rights and the rights of the Bondowners by such of the following remedies, as the Bond Trustee, being advised by counsel, shall deem most effectual to protect and enforce such rights:

- (1) By suit, action or proceeding, to enforce all rights of the Bondowners, including the right to require the Trust to carry out the covenants and agreements as to the Revenues, Loans, Local Governmental Obligations and Series 17 Direct Loans and to require the Trust to carry out any other covenant or agreement with Bondowners and to perform its duties under the Act;
- (2) By bringing suit upon the Bonds;
- (3) By action or suit, to require the Trust to account as if it were the trustee of an express trust for the Owners of the Bonds;
- (4) By action or suit, to enjoin any acts or things which may be unlawful or in violation of this Bond Resolution or of the rights of the Owners of the Bonds;
- (5) By exercising any and all rights of the Trust with respect to the Revenues, Loans, Local Governmental Obligations and Series 17 Direct Loans; and
- (6) For Events of Default other than as described in Clause (3) of Section 801 hereof, by declaring the Principal Amount of all the Bonds then Outstanding, and the interest accrued thereon, to be due and payable immediately, and upon any such declaration the same shall become and be immediately due and payable, anything in this Bond Resolution or in any of the Bonds contained to the contrary notwithstanding; provided that the Principal Amount of the Bonds shall not be declared due and payable as aforesaid unless simultaneously with such declaration the unpaid principal amount of all Loans, Local Governmental Obligations and Series 17 Direct Loans outstanding, and the interest thereon, is similarly declared due and payable, and provided further that the right to make such declaration as aforesaid is subject to the condition that if, at any time after such declaration as aforesaid, all outstanding Events of Default (other than the payment of Principal Amount and interest due and payable solely by reason of such declaration) shall have been cured or provision deemed by the Bond Trustee to be adequate shall be made therefor, then and in every such case, unless a final judgment has been obtained for any Principal Amount or interest coming due and payable solely by reason of such declaration, the Owners of not less than 25% in aggregate Principal Amount of the Bonds Outstanding, by written notice to the Trust and to the Bond Trustee, may annul such declaration, or, if the Bond Trustee shall have acted without a direction from Bondowners and if there shall not have been theretofore delivered to the Bond Trustee written direction to the contrary by the Owners of not less than 25% in aggregate Principal Amount of the Bonds then Outstanding, then any such declaration shall be deemed to be annulled.
- (C) Upon the occurrence of an Event of Default, other than an Event of Default described in Clause (3) of Section 801, the Trust, at the request of the Bond Trustee or the Owners of not less than 25% in aggregate Principal Amount of the Outstanding Bonds, shall assign, endorse and convey to the Bond Trustee any and all interests and rights held by the Trust in the Loans, Local Governmental Obligations and Series 17 Direct Loans pledged hereunder and shall take any other steps requested by the Bond Trustee or Bondowners to further effectuate

the rights of the Bond Trustee under this Bond Resolution to such Loans, Local Governmental Obligations and Series 17 Direct Loans.

Section 803. Application of Revenues, and Other Moneys After Default. (A) The Trust covenants that if an Event of Default shall occur and shall not have been remedied, other than an Event of Default described in Clause (3) of Section 801, the Trust, upon demand of the Bond Trustee, shall pay over or cause to be paid over, to the Bond Trustee upon receipt thereof all Revenues, and other moneys pledged hereunder. Unless otherwise directed by a court, all such Revenues and other moneys, and any other moneys received or collected by the Bond Trustee acting pursuant to the Act or this Article VIII, shall, except as provided below, be held, transferred and applied as provided in Article IV.

(B) In the event that, upon the happening and continuance of an Event of Default, other than an Event of Default described in Clause (3) of Section 801, the funds held by the Fiduciaries shall be insufficient for the payment of interest and Principal Installments then due on the Bonds, such funds (other than funds held for the payment or redemption of particular Bonds which have theretofore become due at maturity or by call for redemption) and any other moneys received or collected by the Fiduciaries acting pursuant to the Act and this Article VIII, after making provision for the payment of any expenses necessary in the opinion of the Bond Trustee to protect the interests of the Owners of the Bonds, and for the payment of the charges and expenses and liabilities incurred and advances made by the Fiduciaries in the performance of their duties under this Bond Resolution, shall be applied as follows:

(1) Unless the Principal Amount of all the Bonds shall have become or have been declared due and payable,

First: To the payment to the persons entitled thereto of all installments of interest then due in the order of the maturity of such installments, and, if the amount available shall not be sufficient to pay in full any installment, then to the payment thereof ratably, according to the amounts due on such installments, to the persons entitled, without any discrimination or preference; and

Second: To the payment to the persons entitled thereto of all unpaid Principal Installments of any Bonds which shall have become due, whether at maturity or by call for redemption, in the order of their due dates and, if the amounts available shall not be sufficient to pay in full all Principal Installments due on any date, then to the payment thereof ratably, according to the amounts of Principal Installments due on such date, to the persons entitled thereto, without any discrimination or preference.

(2) If the Principal Amount of all of the Bonds shall have become or have been declared due and payable, to the payment of the Principal Amount and interest then due and unpaid upon the Bonds without preference or priority of Principal Amount over interest or of interest over Principal Amount or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for Principal Amount and interest, to the persons entitled thereto without any discrimination or preference except as to any difference in the respective rates of interest specified in the Bonds.

(C) Whenever moneys are to be applied by the Bond Trustee pursuant to the provisions of this Section, such moneys shall be applied by the Bond Trustee at such times, and from time to time, as the Bond Trustee in its sole discretion shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional money becoming available for such application in the future; the deposit of such moneys with the Paying Agents, or otherwise setting aside such moneys in trust for the proper purpose, shall constitute proper application by the Bond Trustee; and the Bond Trustee shall incur no liability whatsoever to the Trust, to any Bondowner or to any other person for any delay in applying any such moneys, so long as the Bond Trustee acts with reasonable diligence, having due regard for the circumstances, and ultimately applies the same in accordance with such provisions of this Bond Resolution as may be applicable at the time of application by the Bond Trustee. Whenever the Bond Trustee shall exercise such discretion in applying such moneys, it shall fix the date (which shall be an Interest Payment Date unless the Bond Trustee shall deem another date more suitable) upon which such application is to be made and upon such date interest on the Principal Amount to be paid on such date shall cease to accrue. The Bond Trustee shall give such notice as it may deem appropriate for the fixing of any such date.

(D) If and whenever all overdue installments of interest on all Bonds together with the reasonable and proper charges and expenses of the Fiduciaries, and all other sums payable by the Trust under this Bond Resolution, including the Principal Amount and Redemption Price of and accrued unpaid interest on all Bonds which shall then be payable by declaration or otherwise, shall either be paid by or for the account of the Trust, or provision satisfactory to the Bond Trustee shall be made for such payment, and all Events of Default under this Bond Resolution shall have been cured, the Bond Trustee shall reassign and endorse the Loans, the Local Governmental Obligations and Series 17 Direct Loans to the Trust, and thereupon the Trust and the Bond Trustee shall be restored, respectively, to their former positions and rights under this Bond Resolution and all Revenues and other moneys shall thereafter be applied as provided in Article IV. No such reassignment to the Trust by the Bond Trustee or resumption of the application of Revenues as provided in Article IV shall extend to or affect any subsequent default under this Bond Resolution or impair any right consequent thereon.

Section 804. Limitation on Powers of Bond Trustee. Nothing contained in this Bond Resolution shall be deemed to give power to the Bond Trustee either as such or as attorney-in-fact of the Bondowners to vote the claims of the Bondowners in any bankruptcy proceeding or to accept or consent to any plan of reorganization, readjustment, arrangement or composition or other like plan, or by other action of any character to waive or change any right of any Bondowner or to give consent on behalf of any Bondowner to any modification or amendment of this Bond Resolution requiring such consent or to any resolution requiring such consent pursuant to the provisions of Article VI or Article VII.

Section 805. Enabling Action by Bond Trustee. (A) All rights of action under this Bond Resolution or upon any of the Bonds, enforceable by the Bond Trustee, may be enforced by the Bond Trustee without the possession of any of the Bonds, or the production thereof on the trial or other proceedings relative thereto, and any such suit, action or proceeding instituted by the Bond Trustee may be brought in its name for the ratable benefit of the Owners of said Bonds, subject to the provisions of this Bond Resolution.

(B) In the enforcement of any rights under this Bond Resolution, the Bond Trustee shall be entitled to sue for, enforce payment of and to receive any and all amounts then or during any default becoming, and at any time remaining, due for Principal Amount, interest or otherwise under any of the provisions of the Act or this Bond Resolution or of the Bonds and unpaid, with interest on overdue payments, together with any and all costs and expenses of collection and of all proceedings hereunder and under such Bonds, without prejudice to any other right or remedy of the Bond Trustee or of the Bondowners, and to recover and enforce any judgment or decree against the Trust for any portion of such amounts remaining unpaid, with interest, costs and expenses as aforesaid, and to collect in any manner provided by law, the moneys adjudged or decreed to be payable.

Section 806. Accounting and Examination of Records after Default. The Trust covenants with the Bond Trustee that, if an Event of Default shall have happened and shall not have been remedied, (1) the books of record and account of the Trust and all records relating to the Program shall at all times be subject to the inspection and use of the Bond Trustee and of its agents and attorneys, and (2) the Trust, whenever the Bond Trustee shall demand, will account, as if it were the trustee of an express trust, for all Revenues, Loans, Local Governmental Obligations, Series 17 Direct Loans and other property pledged or held under this Bond Resolution for such period as shall be stated in such demand.

Section 807. Restriction on Bondowner's Action. No Owner of any Bond shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of any provision of this Bond Resolution or for the execution of any trust hereunder or for any other remedy hereunder, unless (1) (a) such Owner previously shall have given to the Trust and the Bond Trustee written notice of the Event of Default on account of which such suit, action or proceeding is to be instituted, (b) after the occurrence of such Event of Default, written request shall have been made of the Bond Trustee to institute such suit, action or proceeding by the Owners of not less than 25% in aggregate Principal Amount of the Bonds then Outstanding and there shall have been offered to the Bond Trustee security and indemnity satisfactory to it against the costs and liabilities to be incurred therein or thereby, and (c) the Bond Trustee shall have refused or neglected to comply with such request within a reasonable time, and (d) such suit, action or proceeding is brought for the ratable benefit of all Owners of all Bonds subject to the provisions of this Bond Resolution.

Section 808. Remedies Not Exclusive. No remedy by the terms of this Bond Resolution conferred upon or reserved to the Bond Trustee (or to Bondowners) is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given hereunder or now or hereafter existing at law or in equity or by statute, except as provided in Section 804 and Section 807.

Section 809. Control of Proceedings. The Owners of a majority in aggregate Principal Amount of the Bonds then Outstanding shall have the right, subject to the provisions of Section 807, by an instrument in writing executed and delivered to the Bond Trustee, to direct the time, method and place of conducting any proceeding for any remedy available to the Bond Trustee, or exercising any trust or power conferred upon the Bond Trustee; provided, however, that the Bond Trustee shall have the right to decline to follow any such direction if the Bond Trustee shall be advised by counsel that the action or proceeding so directed may not lawfully be

taken, or if the Bond Trustee in good faith shall determine that the action or proceeding so directed would involve the Bond Trustee in personal liability or be unjustly prejudicial to Bondowners not parties to such direction.

Section 810. Effect of Waiver and Other Circumstances. No delay or omission of the Bond Trustee or of any Owner of Bonds to exercise any right or power accruing upon any Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default, or acquiescence therein, and every right, power and remedy given by this Bond Resolution to them or any of them may be exercised from time to time and as often as may be deemed expedient by the Bond Trustee or, in an appropriate case, by the Bondowners. In case the Bond Trustee shall have proceeded to enforce any right under this Bond Resolution, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely to the Bond Trustee, then and in every such case the Trust and the Bond Trustee will be restored to their former positions and rights hereunder as if no such proceedings had been taken.

Section 811. Right to Enforce Payment of Bonds Unimpaired. Nothing contained in this Article shall effect or impair the right of any Bondowner to enforce the payment of the Principal Amount of and interest on such Bond, or the obligation of the Trust to pay the Principal Amount of and interest on each Bond to the Owner thereof, at the time and place expressed in said Bond.

ARTICLE IX THE FIDUCIARIES

Section 901. Bond Trustee. U.S. Bank National Association is hereby appointed as Bond Trustee hereunder, and the property, rights, powers and duties of the Bond Trustee under this Bond Resolution are hereby vested in said Bond Trustee in trust for the Bondowners.

Section 902. Paying Agents. The Bond Trustee shall act as a Paying Agent for the Bonds. The Trust may at any time or from time to time by Supplemental Bond Resolution appoint one or more other Paying Agents for the Bonds. Each Paying Agent shall be a bank, trust company or national banking association, having trust powers and having a capital and surplus aggregating at least \$25,000,000, if there be such a bank or trust company or national banking association willing and able to accept the office on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by this Bond Resolution. Each Paying Agent (other than the Bond Trustee) shall signify its acceptance of the duties and obligations imposed upon it by this Bond Resolution by executing and delivering to the Trust a written acceptance thereof.

Section 903. Responsibilities of Fiduciaries. The recitals of fact contained herein and in the Bonds shall be taken as the statements of the Trust and no Fiduciary assumes any responsibility for the correctness of the same. No Fiduciary makes any representations as to the validity or sufficiency of this Bond Resolution or of any Bonds issued thereunder or in respect of the security afforded by this Bond Resolution, and no Fiduciary shall incur any responsibility in respect thereof. No Fiduciary shall be under any responsibility or duty with respect to the issuance of the Bonds for value or the application of the proceeds thereof except the Bond

Trustee to the extent such proceeds are paid to the Bond Trustee in its capacity as Bond Trustee, or the application of any moneys paid to the Trust or others in accordance with this Bond Resolution. No Fiduciary shall be under any responsibility or duty with respect to the application of any moneys paid to any other Fiduciary. No Fiduciary shall be under any obligation or duty to perform any act which would involve it in expense or liability or to institute or defend any action or suit in respect of this Bond Resolution or Bonds, or to advance any of its own moneys, unless indemnified to its reasonable satisfaction. No Fiduciary shall be liable in connection with the performance of its duties hereunder except for its own negligence or default. The Authenticating Agent shall, however, be responsible for its representation contained in its certificate of authentication on the Bonds to the extent provided in Article 8, Section 208, as amended, of the Massachusetts Uniform Commercial Code. The Bond Trustee prior to the occurrence of an Event of Default and after the curing of all Events of Default which may have occurred, undertakes to perform only such duties as are specifically set forth in this Bond Resolution. In case an Event of Default has occurred (which has not been cured) the Bond Trustee shall exercise such of the rights and powers vested in it by this Bond Resolution, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs. Any provisions of this Bond Resolution relating to action taken or to be taken by the Bond Trustee or the evidence upon which the Bond Trustee may rely shall be subject to the provisions of this Section 903.

Section 904. Funds Held in Trust. All moneys held by any Fiduciary, as such, at any time pursuant to the terms of this Bond Resolution shall be and hereby are assigned, transferred and set over unto such Fiduciary in trust for the purposes and under the terms and conditions of this Bond Resolution.

Section 905. Evidence On Which Fiduciaries May Act. Each Fiduciary shall be protected in acting and relying without inquiry upon any notice, resolution, direction, request, consent, order, certificate, opinion, bond, or other paper or document believed by it to be genuine, and to have been signed or presented by the proper party or parties as contemplated by this Bond Resolution. Each Fiduciary may consult with counsel, who may or may not be counsel to the Trust, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith. Whenever any Fiduciary shall deem it necessary or desirable that a fact or matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a certificate of an Authorized Officer stating the same, and such certificate shall be full warrant for any action taken or suffered in good faith under the provisions of this Bond Resolution upon the faith thereof, but in its discretion the Fiduciary may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as to it may seem reasonable. Except as otherwise expressly provided herein, any request, direction, order, notice or other instruction required or permitted to be furnished pursuant to any provision hereof by or on behalf of the Trust to any Fiduciary shall be sufficiently executed if executed by an Authorized Officer.

Section 906. Compensation and Expenses; Indemnity. The Trust shall indemnify and save each Fiduciary harmless against any liabilities which it may incur in the exercise and performance of its powers and duties hereunder which are not due to its negligence or default.

Section 907. Certain Permitted Acts. Any Fiduciary may become the owner of or may deal in Bonds as fully and with the same rights it would have if it were not a Fiduciary. To the extent permitted by law, any Fiduciary may act as depository for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Bondowners or to effect or aid in any reorganization growing out of the enforcement of the Bonds or this Bond Resolution, whether or not any such committee shall represent the Owners of a majority in aggregate Principal Amount of the Bonds Outstanding.

Section 908. Resignation. The Bond Trustee, or any successor thereof, may at any time resign and be discharged of its duties and obligations created by this Bond Resolution by giving not less than 60 days' written notice to the Trust and mailing notice thereof, specifying the date when such resignation shall take effect, to the Owners of all Bonds Outstanding within 20 days after the giving of such written notice. Such resignation shall only take effect upon the day specified in such notice provided a successor has been appointed as provided herein by the Trust or Bondowners, unless previously a successor shall have been appointed, in which event such resignation shall take effect immediately on the appointment of such successor. A Paying Agent (other than the Bond Trustee) may at any time resign and be discharged of its duties and obligations created by this Bond Resolution according to the terms of the Paying Agent's agreement with the Trust and otherwise by giving 30 days' written notice to the Trust.

Section 909. Removal. The Bond Trustee, or any successor thereof, may be removed at any time by the Owners of a majority in aggregate Principal Amount of the Bonds then Outstanding, excluding any Bonds held by or for the account of the Trust, by an instrument or concurrent instruments in writing signed and duly acknowledged by such Bondowners or by their attorneys duly authorized in writing and delivered to the Trust. The Trust may remove the Bond Trustee at any time, except during the existence of an Event of Default, upon filing with the Bond Trustee a copy of the resolution of the Trust, certified by an Authorized Officer, providing for the removal of such Bond Trustee. Copies of each such instrument shall be delivered by the Trust to the Bond Trustee and any successors thereof. A Paying Agent (other than the Bond Trustee) may be removed at any time by the Trust, upon filing with the Bond Trustee and with such Paying Agent a copy of the resolution of the Trust, certified by an Authorized Officer, providing for the removal of such Paying Agent.

Section 910. Appointment of Successor Fiduciary. In case at any time a Fiduciary, or any successor thereof, shall resign or shall be removed or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator or conservator of such Fiduciary or of its property shall be appointed, or if any public officer shall take charge or control of such Fiduciary or of its property or affairs, a successor may be appointed (1) in the case of the Bond Trustee, by the Owners of a majority in aggregate Principal Amount of the Bonds then Outstanding, excluding any Bonds held by or for the account of the Trust, by an instrument or concurrent instruments in writing signed by such Bondowners or their attorneys

The Trust shall mail notice of any such appointment to the Owners of all Bonds Outstanding within twenty (20) days after such appointment. Any successor Bond Trustee appointed by the Trust shall, immediately and without further act, be superseded by a Bond Trustee appointed by Bondowners. If in a proper case no appointment of a successor Bond Trustee shall be made pursuant to the foregoing provisions of this Section within 45 days after the Bond Trustee shall have given to the Trust written notice as provided in Section 908 or after the occurrence of any other event requiring or authorizing such appointment, the Bond Trustee or any other Fiduciary or any Bondowner may apply to any court of competent jurisdiction to appoint a successor. Said court may thereupon, after such notice, if any, as said court may deem proper and prescribe, appoint such successor Bond Trustee. Any successor Bond Trustee appointed under the provisions of this Section shall be a trust company or a bank having the powers of a trust company authorized to do business in the Commonwealth, and having a capital and surplus aggregating at least \$50,000,000, if there be such a bank or trust company or national banking association willing and able to accept the office on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by this Bond Resolution.

Section 911. Transfer of Rights and Property to Successor Fiduciary. Should any deed, conveyance or instrument in writing from the Trust be required by such successor Fiduciary for more fully and certainly vesting in and confirming to such successor Fiduciary any such moneys, estates, properties, rights, powers and duties, any and all such deeds, conveyances and instruments in writing shall, on request, and so far as may be authorized by law, be executed, acknowledged and delivered by the Trust.

Section 912. Merger or Consolidation. Any company into which any Fiduciary may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which such Fiduciary may sell or transfer all or substantially all of its corporate trust business, provided such company shall be a bank or trust company or national banking association which is qualified to be a successor to such Fiduciary under Section 902 or 910, as applicable, and shall be authorized

In such event, the Bond Trustee shall, upon request of the Trust, execute and deliver to the Trust all such instruments as may be desirable to evidence such release and discharge and the Fiduciaries shall pay over or deliver to the Trust all moneys or securities held by them pursuant to this Bond Resolution which are not required for the payment or redemption of Bonds not theretofore surrendered for such payment or redemption.

(B) Bonds or portions thereof or interest installments for the payment or redemption of which moneys shall be held by the Fiduciaries (through deposit by the Trust of funds for such payment or redemption or otherwise), whether at or prior to the maturity or the redemption date of such Bonds, shall be deemed to have been paid within the meaning and with the effect expressed in Paragraph (A) of this Section 1001. All Outstanding Bonds or any portion of the Bonds shall prior to the maturity or redemption date thereof be deemed to have been paid within the meaning and with the effect expressed in Paragraph (A) of this Section 1001 if (1) in case any of said Bonds are to be redeemed on any date prior to their maturity, the Trust shall have given to the Bond Trustee, in form satisfactory to it, irrevocable instructions to give notice of redemption of such Bonds as provided in Article III, (2) there shall have been deposited with the Bond Trustee either moneys in an amount which shall be sufficient, or Investment Obligations as defined in clauses (1), (2) or (3) of the definition of Investment Obligations hereunder and not subject to redemption at the option of the issuer thereof prior to the due date thereof, or as to which irrevocable notice has been given by the obligor to call such Investment Obligations on a date specified in such notice, the principal of and interest on which when due will provide moneys which, together with the moneys, if any, deposited with the Bond Trustee at the time of deposit of such Investment Obligations, shall be sufficient, to pay when due the Principal Amount or Redemption Price, as applicable, and interest due and to become due on said Bonds on and prior to the redemption date or maturity date thereof, as the case may be, and (3) in the event said Bonds are not by their terms subject to redemption within the next succeeding 60 days, the Trust shall have given the Bond Trustee in form satisfactory to it irrevocable instructions to mail, as soon as practicable, a notice to the owners of such Bonds that the deposit required by clause (2) above has been made with the Bond Trustee and that said Bonds are deemed to have been paid in accordance with Paragraph (A) of this Section 1001 and stating the maturity or redemption date upon which moneys are to be available for the payment of the Principal Amount or Redemption Price, as applicable, on said Bonds.
