Updates:

The Commission's Trust cannot be approved by the Secretary of Administration and Finance until we have an approved budget. Given that there is no stable funding, we have no budget.

Several groups have sent donations to help cover the costs associated with for Mumbai Vigil. AAC has received a bill from the Boston Police for a detail but not from the City of Boston yet. A small appropriation may need to be approved by the Commission if these donations do not cover all the costs.

Motion to adjourn by Debbie Ho, Second by Melissa Brown. 11-0 in Favor.

Meeting Adjourned at 1:05PM.

Minutes respectfully submitted by,  
Paul Shaw, Secretary.
