### Marine Fisheries Advisory

### **Notice to Fishermen: North Shore Geophysical Survey Completed**

The Amitié Fiber Optic Cable marine survey has been completed. All fishing gear can safely be returned to the survey corridor that was communicated previously (see map below). The survey team would like to thank all parties, including the fixed gear fisherman, for their cooperation in temporarily removing gear from the marine survey corridor.

Please note, starting February 1, 2020, all DMF advisories will be posted through our new email subscription service. To ensure your subscription with DMF continues, we kindly ask you to review your [subscriber preferences](#). With this new service you can customize emails based on your personal interests such as newsletters, commercial and/or recreational fishing advisories, event updates and more. Thank you for your continued interest in DMF.
