Request for Proposals (RFP)
Opportunistic Credit Management for the Massachusetts Port Authority Employees’ Retirement System

The Massachusetts Port Authority Employees’ Retirement System (“MPAERS” or “the Board”) is requesting proposals from interested firms for opportunistic credit management. The MPAERS is seeking to identify a manager(s) to manage all or a portion of an approximately $40 million opportunistic credit mandate, for a term of up to seven (7) years. Presently the System has assets approximating $831 million. The RFP can be downloaded at http://www.massport.com/massport/about-massport/employment/retirement-information/retirement-publications-forms/. Completed responses must be received by 4:00 pm on June 1, 2021.
