**GROUND FISH MONITORING AMENDMENT 23  
PUBLIC TRAINING WEBINAR & OPPORTUNITIES FOR COMMENT**

---

On Tuesday, July 14, 2020 at 2PM the New England Fishery Management Council will host a public training webinar to walk through the steps participants need to know to successfully join upcoming Groundfish Amendment 23 webinars and provide oral comments. Essentially, it's a dry run of what will happen during the actual public hearings, and it's a good way to test out muting and unmuting your microphone to make sure you can be heard.

[Click here to register for the training webinar and for further information on Amendment 23](#) webinar dates during July and August as well as resources for formulating comments.
