Marine Fisheries Advisory

MARINE FISHERIES RE- OPENS ADDITIONAL AREAS TO SHELLFISH HARVEST

Effective at sunrise on Wednesday, July 20th, areas in Massachusetts Bay from Point Allerton in Hull to the Marshfield/Duxbury line (Shellfish Growing Areas MB:12 to a portion of MB:2), and from the NH/MA state boundary to the Manchester/Gloucester town line (Shellfish Growing Areas N:1 to N:14) will re-open to harvest of shellfish, **except surf clams, ocean quahogs, carnivorous snails, and whole sea scallops and with roe-on** for direct human consumption subject to local rules and regulations. Re-opened areas classified as **CONDITIONALLY APPROVED** are open subject to the classification conditions. The following map details the open and closed areas as of July 20, 2005.
