**Marine Fisheries Advisory**

**MARINE FISHERIES RE- OPENS ADDITIONAL AREAS TO SHELLFISH HARVEST**

Effective at sunrise on Wednesday, July 27th, areas in the Towns of Provincetown and Truro (Shellfish Growing Areas CCB:4 and CCB:5) will re-open to harvest of shellfish, **except Surf clams, Ocean quahogs, whole Sea scallops and with roe-on, and carnivorous snails**. Re-opened areas classified as **CONDITIONALLY APPROVED** are open subject to the classification conditions. The following map details the open and closed areas as of July 27, 2005.
