Marine Fisheries Advisory

**2,500-LB TRIP LIMIT FOR *LOLIGO* SQUID EFFECTIVE SATURDAY, SEPTEMBER 2ND.
NOAA Fisheries Reports 80% of Quarter III Quota Harvested**

The Division of Marine Fisheries (*Marine Fisheries*) is providing this notice that effective Saturday, September 2nd at 0001 hours, the commercial *Loligo* squid fishery will be subject to a 2,500-lb. daily trip limit. This action is being taken after NOAA Fisheries reported that 80% of the Quarter III quota for *Loligo* squid has been harvested. The 2006 Quarter IV quota for *Loligo* squid will become available on October 1, 2006.
