Despite our ability to conduct this renewal, we continue to have limited funding available to support victim service programming across the state due to the reduction to federal award amounts. MOVA continues to advocate to the legislature to secure additional state funding to mitigate these reductions. Please note that anticipated reductions may impact VSS and SAFEPLAN awards differently. More information on our efforts, including details pertaining to our legislative briefing happening tomorrow, can be found on [our website](#).

Ashlee Renich-Malek, Grants Administration Specialist, is the designated Procurement Team Leader for this RGA. Questions may be submitted via e-mail to movagrants@mass.gov.
