

**Verizon New England Inc.
d/b/a Verizon Massachusetts**

Commonwealth of Massachusetts

D.T.E. 97-88/18 Phase II

Respondent: Peter Shepherd
Title: Director

- REQUEST:** New England Public Communications Council, Set #3
- DATED:** October 5, 2001
- ITEM:** NEPCC 3-1 Reference is made to Verizon's response to NEPCC No. 2-18, part c.
- a. For each time interval identified therein (e.g., 9/15/95 to 1/16/00, 1/17/00 to 11/19/00 11/20/00 to present, etc.), please provide the average revenue per minute that Verizon received from PAL subscribers in the Eastern LATA.
 - b. For each time interval identified, please provide the average revenue per minute that Verizon received from lines subscribed to any business service, including but not limited to PALs, in the Eastern LATA.
 - c. For each time interval identified, please provide the average call duration (in minutes of use) for calls made from lines subscribed to PAL service in the Eastern LATA.
 - d. For each time interval identified, please provide the average call duration (in minutes of use) for calls made from lines subscribed to any business service, including but not limited to PALs, in the Eastern LATA.
 - e. For each time interval identified, please provide the average call duration (in minutes of use) for calls made from lines subscribed to PAL service in the Eastern LATA.
 - f. For each time interval identified, please provide the average mix of Zone 1 and Zone 2 minutes for calls made from lines

ITEM: NEPCC 3-1
(cont'd)

subscribed to any business service, including but not limited to
PALs, in the Eastern LATA.

REPLY:

(a-f) Please see Attachment. That Attachment includes available data responsive to this request for the period from April 15, 1997, to present (*i.e.*, the time period referred to in NEPCC 2-18). The Company's reply to each sub-part of this NEPCC request is contained in the corresponding lettered column in the Attachment.

It should be noted that data relating to applicable usage discounts or PAL credits is not readily available for the time period between April 15, 1997 to present and is, therefore, not reflected in the Attachment. In addition, Eastern LATA information for PALs corresponding to sub-parts a, c and e of this request are not available for the period between January 17, 2000 and November 19, 2000.
