In cases where this is not appropriate, the visitor shall be told to await notification from the Superintendent before returning to the institution.

(7) Whenever a visitor is denied entrance, is barred, or a visit is terminated, except where such denial or termination is based on a prior order of the Superintendent, or on a failure to obtain prior permission to visit where such permission is required by 103 CMR 483.10, the officer shall file an incident report prior to the end of the shift. This report shall include the name of the visitor and the inmate visited, the time of the denial or termination and the reasons

Based on the severity of the incident, the Superintendent may obtain approval from the Commissioner to suspend the visiting privileges for a specified period up to one year, after which time period the visitor may reapply for admission. Should the Superintendent, after consultation with approval from the Commissioner or his or her designee, deny admission for an additional period of up to one year, he or she must state the specific reasons for the continued denial. Any visitor who is barred from visiting due to the introduction of drug contraband or weapons shall not be eligible to visit a correctional facility again under any circumstances. A copy of each such notice shall be sent forthwith to the Commissioner or his or her designee, and a copy shall be given to the inmate.

(9) Every Superintendent's notice pursuant to 103 CMR 483.15(8), shall advise the visitor that he or she may seek a review or reconsideration of the barring, suspension or restrictions by the Superintendent by sending him or her a letter within 15 business days. The visitor's letter shall include a detailed narrative describing the incident and setting forth the reason the visitor feels the bar, suspension or restriction should be lifted. The visitor may also request a meeting with the Superintendent or a designee.

(10) The Superintendent shall review any visitor's letter seeking review or reconsideration of any bar, suspension or restriction still in effect. The Superintendent may take any action he or she deems necessary to resolve questions raised by a visitor's letter including, but not limited to, additional investigation of the facts, consultation with the Commissioner, the Department's Legal Office, or the conducting of an informal meeting or conference. After review, the Superintendent may eliminate, reduce or modify the specific limitations on visiting and shall respond within a reasonable time frame. No person shall be penalized for exercising the rights of appeal provided by 103 CMR 483.00.

(11) Once an inmate transfers to a different institution, any suspended visitor may apply to the Superintendent of the new institution for permission to visit upon conclusion of the original suspension time frame by submitting a new visitor application. The Superintendent shall ensure that a background check pursuant to 103 CMR 483.10(4) is completed.

(12) Nothing in 103 CMR 483.00 shall limit a Superintendent's authority pursuant to M.G.L. c. 127, § 37 to exclude a visitor whenever, in his or her opinion, admitting that person to visit would be injurious to the best interests of the institution, or limit the Superintendent's and Commissioner's authority pursuant to M.G.L. c. 127, § 36 to deny permission to visit.
