### **DMF to Host Fluke Industry Meeting**

---

DMF has scheduled an industry meeting to discuss the management of the state's commercial summer flounder quota and fishery. The purpose of the meeting will be to review recent fishery performance and quota utilization, hear from industry members on the challenges they are facing, and scope preferred management measures to better utilize the available quota in the coming years. The meeting will be held on November 18, 2021 at 5PM via Zoom. To attend the meeting, you will be required to register in advance for the meeting. To do so, click the link below.
