Good Morning,

Attached to this email are electronic copies of signature forms from ten Commonwealth of Massachusetts taxpayers. This group would like to form a Ten Taxpayer Group relevant to the application by Berkshire Health Systems for an original license for a critical access hospital in North Adams, to be known as North Adams Regional Hospital. I will be the contact person for this 1199SEIU TTG. No member of this ten taxpayer group is acting as an agent for another party.

If possible, please forward this information to all other parties of record, or alternatively please provide me with their contact details and I will forward this information to them myself.

We would like to request a public hearing on this application.

Would you confirm receipt of this email, and also let me know if you need any additional information from us at this time. Thank you.
