2012 Commerical Permits Extended Through January 14, 2013

The Division of Marine Fisheries (*MarineFisheries*) has extended the 2012 commercial fishing and dealer permits through January 14, 2013 due to processing delays. New permits will be required as of January 15, 2013. In early December, *MarineFisheries* mailed permit renewals to all permit holders. Please be advised that to receive a 2013 commercial fishing or dealer's permit, permit holders must submit to *MarineFisheries* all outstanding 2012 trip-level reports in advance of the renewal. Moreover, in 2013, permit holders who do not comply with reporting requirements may be subject to non-renewal and/or other permit sanctions.
