2007 PERMITS EXTENDED THROUGH JANUARY 31, 2008 –
2007 Catch Reports due January 31 st

Due to an unavoidable delay in the distribution of 2008 permit renewals, the Division of Marine Fisheries (*Marine Fisheries*) has extended the validity of 2007 permits through January 31, 2008. Valid 2008 permits will be required by February 1, 2008. *Marine Fisheries* is currently mailing out permit renewals and 2007 catch reports. Please be advised that 2007 catch reports are due at *Marine Fisheries* by January 31, 2008, with the exception of commercial striped bass catch reports, which were due no later than November 30, 2007.
