130 CMR 502.000: HEALTH CARE REFORM: MASSHEALTH: THE ELIGIBILITY PROCESS

502.001: Application for Benefits

(A) Filing an Application. To apply for MassHealth, a person or their authorized representative must file an application online at www.mahix.org, complete a paper application, complete a telephone application, or apply in person at a MassHealth Enrollment Center (MEC).

(1) Date of Application.

(a) The date of application for an online, telephone, or in-person application is the date the application is submitted to the MassHealth agency.

(b) The date of application for a paper application that is either mailed or faxed is the date the application is received by the MassHealth agency.

(2) Online or Telephone Application Requirements.

(a) People, or their authorized representative, if applicable, completing an application for MassHealth online at www.mahix.org or by telephone must be identity proofed pursuant to 130 CMR 502.001(A)(3). Eligibility based on an online or telephone application cannot be determined until the identity is proven or a paper application is submitted.

(b) If an applicant submits a paper application or applies in person at a MEC, identity proofing is not required.

(3) Identity Proofing Process. A person or their authorized representative, if applicable, completing an online or telephone application will be asked a series of questions to prove their identity.

(a) If the individual is successfully identity proofed, the application may be submitted and an eligibility determination will be performed.

(b) If the individual is not successfully identity proofed, the individual will be asked to provide one or two forms of acceptable documentation proving their identity.

(c) When identity proof is received, an individual can submit an application and the eligibility process begins. The MassHealth agency will determine

1. the coverage type providing the most comprehensive medical benefits for which the applicant is eligible and the application is considered submitted on the date of successful identity proofing; and

2. the need to request any corroborative information necessary to determine eligibility, as provided in 130 CMR 502.001(B) through (D).

(d) If identity proof is not received, the MassHealth agency is unable to determine eligibility for medical benefits.

(e) To prove their identity, a person can submit the acceptable proofs of identity as described in 130 CMR 504.005(A)(1): *Acceptable Proof of U.S. Citizenship and Identity* or 130 CMR 504.005(A)(3): *Acceptable Proof of Identity*.

(4) Paper Applications or In-person Applications at the MEC Containing Missing or Inconsistent Information.

(a) If a paper application is received at a MEC or a MassHealth outreach site and the applicant did not answer all the required questions or if the application is unsigned, the MassHealth agency is unable to determine the applicant's eligibility for MassHealth.

(b) The MassHealth agency requests responses to all the unanswered questions necessary

to determine eligibility. The MassHealth agency must receive such information within 15 days of the date of the request for the information.

(c) If responses to all unanswered questions necessary to determine eligibility are received within 15 days of the date of the request referenced in 130 CMR

502.001(A)(4)(b), the eligibility process begins. The MassHealth agency will determine

1. the coverage type providing the most comprehensive medical benefits for which the applicant is eligible, and the application is considered submitted on the date the initial incomplete application was received by the MassHealth agency; or
2. the need to request any corroborative information during the provisional eligibility period necessary to determine eligibility, as provided in 130 CMR 502.001(B) through (D).

(d) If responses to all unanswered questions necessary for determining eligibility are not received within the 15-day period referenced in 130 CMR 502.001(A)(4)(b), the MassHealth agency notifies the applicant that it is unable to determine eligibility for medical benefits. The date that the incomplete application was received will not be used in any subsequent eligibility determinations. If the required response is received after the 15-day period, the eligibility process begins and the application is considered submitted on the date the response is received. Although, if the required response is submitted more than one year after the initial incomplete application, a new application must be completed.

(e) Inconsistent answers are treated as unanswered.

(B) Corroborative Information. The MassHealth agency requests all corroborative information necessary to verify eligibility. The applicant must supply such information within 90 days of the receipt of the Request for Information Notice, as described at 130 CMR 502.003(C).

(C) Corroborative Information Received. If all necessary information is received within 90 days of the receipt of the Request for Information Notice, as described at 130 CMR 502.003(C), the MassHealth agency will determine the most comprehensive medical benefits for which the applicant is eligible.

(D) Corroborative Information Not Received. If the necessary information is not received within 90 days of the receipt of the Request for Information Notice, as described at 130 CMR 502.003(C), with the exception of the individuals described at 130 CMR 502.001(D)(1) through (4), the MassHealth agency will attempt to redetermine eligibility using electronic data sources, if available, but if such information is not available from these sources, the applicant's MassHealth benefits will be denied or terminated, as described in 130 CMR 502.003(D)(2). The MassHealth agency will notify the applicant accordingly.

(1) If the only necessary information not received within the provisional eligibility period referenced in 130 CMR 502.003(E) is verification of breast or cervical cancer, the individual will not be considered as an individual with breast or cervical cancer and will be determined for the most comprehensive coverage for which the individual qualifies without this factor.

(2) If the only necessary information not received within the provisional eligibility period referenced in 130 CMR 502.003(E) is verification of HIV-positive status, the individual will not be considered as an individual with HIV-positive status and will be determined for the most comprehensive coverage for which the individual qualifies without this factor.

(3) If the only necessary information not received within the provisional eligibility period referenced in 130 CMR 502.003(E) is verification of disability status, the individual will not be considered a disabled individual and will be determined for the most comprehensive coverage for which the individual qualifies without this factor.

(4) If immigration status information is not received within the reasonable opportunity period referenced in 130 CMR 502.003(F) and the immigration status cannot be verified using electronic data sources, the individual's eligibility will be determined as an "other noncitizen" as described in 130 CMR 504.003(D): *Other Noncitizens*.

502.002: Reactivating the Application

If all required information is received by the MassHealth agency after the period described in 130 CMR 502.001(D), or after a denial of eligibility, the MassHealth agency reactivates the application and considers it submitted as of the date the information is received, and the medical coverage date is established in accordance with 130 CMR 502.006. A new application must be completed if all required information is not received within one year of receipt of the previous application.

502.003: Verification of Eligibility Factors

The MassHealth agency requires verification of eligibility factors including income, residency, citizenship, immigration status, and identity as described in 130 CMR 503.000: *Health Care Reform: MassHealth: Universal Eligibility Requirements*, 130 CMR 504.000: *Health Care Reform: MassHealth: Citizenship and Immigration*, and 130 CMR 506.000: *Health Care Reform: MassHealth: Financial Requirements*.

(A) Information Matches. The MassHealth agency initiates information matches with other agencies and information sources as described at 130 CMR 502.004 in the following order, when an application is received in order to verify eligibility:

- (1) the Federal Data Services Hub, which matches with the Social Security Administration, the Department of Homeland Security, and the Internal Revenue Service; and
- (2) other federal and state agencies and other informational services.

(B) Electronic Data Sources. If electronic data sources are unable to verify or are not reasonably compatible with the attested information, additional documentation will be required from the individual.

(C) Request for Information Notice. If additional documentation is required, including

corroborative information as described at 130 CMR 502.001(B), a Request for Information Notice will be sent to the applicant listing all requested verifications and the deadline for submission of the requested verifications.

(D) Time Standards. The following time standards apply to the verification of eligibility factors.

(1) The applicant or member has 90 days from the receipt of the Request for Information Notice to provide all requested verifications.

(2) If the applicant or member fails to provide verification of information within 90 days of receipt of the MassHealth agency's request, the MassHealth agency does one of the following.

(a) If the required information is available from electronic data sources, the MassHealth agency uses that information to redetermine eligibility.

(b) If the required information is not available from electronic data sources, MassHealth coverage is denied or terminated except for individuals described at 130 CMR 502.001(D)(1) through (4).

(c) If the required verifications are received within one year from the date of the application or renewal form was received, coverage is reinstated to the first day of the month in which the verifications were received.

(d) If the required verifications are not received within one year of receipt of the previous application or renewal form, a new application must be completed.

(E) Provisional Eligibility. The MassHealth agency will provide benefits while the applicant provides the MassHealth agency outstanding corroborative information in accordance with 130 CMR 502.003(D)(1), except for individuals described in 130 CMR 502.003(E)(2). Except as further set forth below, the MassHealth agency will accept self-attestation for all eligibility factors other than citizenship and immigration status, and make a provisional eligibility determination as if the applicant had supplied the information. MassHealth applicants can receive only one provisional eligibility approval during a 12-month period, unless the individual is pregnant. MassHealth members are required to enroll in managed care during the provisional eligibility period, if enrollment is otherwise required as described in 130 CMR 508.004: *Managed Care Organizations (MCOs)*. MassHealth members who have been assessed a premium are subject to payment of premiums during the provisional eligibility period. Premium assistance is not awarded during the provisional eligibility period. It is only provided when all corroborative information has been received and the health insurance investigation is complete, as described in 130 CMR 505.000: *Health Care Reform: MassHealth: Coverage Types*. Provisional eligibility is subject to the following limitations.

(1) Coverage Date.

(a) Coverage for individuals who have been determined provisionally eligible begins on the first day of the month in which the application was received.

(b) If all required verifications are received before the end of the provisional eligibility period, retroactive coverage is provided under 130 CMR 502.006(A)(2).

(2) Limitations. Provisional eligibility is subject to the following limitations.

Rev. 02/13/2026

130 CMR 502.000: HEALTH CARE REFORM: MASSHEALTH: THE ELIGIBILITY PROCESS

(a) Provisional eligibility is not available for adults 21 years of age or older who have not verified all income in their MAGI household, as described at 130 CMR 506.000: *Health Care Reform: MassHealth: Financial Requirements*, unless the individual is

1. pregnant and has attested MAGI income at or below 200% of the federal poverty level (FPL);
2. 21 through 64 years old and HIV-positive with attested MAGI income at or below 200% of the FPL; or
3. in active treatment for breast or cervical cancer and is younger than 65 years old with attested MAGI income at or below 250% of the FPL.

(b) The MassHealth agency will not accept self-attestation of disability. Disability must be verified as described in 130 CMR 505.002(E)(1): *Disabled Adults*. Eligibility for applicants who apply for benefits based on disability will be determined as if they were not disabled until disability is verified as described in 130 CMR 505.002(E)(1): *Disabled Adults*.

(c) A member's coverage type will not be redetermined during the provisional eligibility period, except that members granted provisional eligibility who attest to pregnancy will be enrolled in MassHealth Standard.

(F) Reasonable Opportunity to Verify Citizenship and Identity or Immigration Status. The MassHealth agency provides applicants and members a reasonable opportunity period to provide satisfactory documentary evidence of citizenship and identity or immigration status if MassHealth's electronic data matches are unable to verify the applicant's citizenship or immigration status.

(1) Time Standards. The reasonable period begins on, and extends 90 days from, the date on which an applicant or member receives a reasonable opportunity notice.

(2) Coverage Start Date.

(a) Coverage for individuals who are pregnant and children younger than 19 years old who receive a reasonable-opportunity period will begin as follows.

1. If covered medical services were received during such period, and the individual would have been eligible at the time services were provided, the start date of coverage is determined upon receipt of the application and may be retroactive to the first day of the third calendar month before the month of application except as specified in 130 CMR 502.006(C).

2. If covered medical services were not received during such period, or the individual would not have been eligible at the time services were provided, the start date of coverage is determined upon receipt of the application and coverage begins on the first day of the month in which the application was received, except as specified in 130 CMR 502.006(C).

(b) Coverage for all other individuals who receive a reasonable-opportunity period begins on the first day of the month in which the application was received.

(G) Reasonable Opportunity Extension. Applicants or members who have made a good faith effort to resolve inconsistencies or obtain verification of immigration status may receive a 90-day extension. Requests for a reasonable opportunity extension must be made before the expiration of the verification time period.

(H) Hospital-determined Presumptive Eligibility.

(1) Presumptive Eligibility Determinations. A qualified hospital may make presumptive eligibility determinations for its patients in accordance with 130 CMR 450.110: *Hospital-determined Presumptive Eligibility*. Presumptive eligibility will be determined based on attested information. The MassHealth agency will use estimated gross household income rather than MassHealth MAGI to assess whether the financial requirements described below have been met. The qualified hospital may determine presumptive eligibility for the following:

(a) MassHealth Standard if the individual appears to meet categorical and financial requirements in 130 CMR 505.002: *MassHealth Standard* and the individual is

1. a child younger than one year old;
2. a child one through 18 years old;
3. a young adult 19 through 20 years old;

- (2) Coverage Start Date. Benefits provided through the hospital presumptive eligibility process will begin on the date that the hospital determines presumptive eligibility and will continue until

- (3) Premium Assessment. Individuals who are determined eligible through hospital-determined presumptive eligibility will not be assessed a premium. Premium assistance is not awarded during the presumptive eligibility period.
- (4) Continued Eligibility. The individual must submit a complete application as described in 130 CMR 502.001 to determine continued eligibility for MassHealth.
- (I) Verification Exceptions for Special Circumstances. Except with respect to the verification of citizenship and immigration status, the MassHealth agency will permit, on a case-by-case basis, self-attestation of individuals for all eligibility criteria when documentation does not exist at the time of application or renewal, or is not reasonably available, such as in the case of individuals who are homeless or have experienced domestic violence or a natural disaster.

502.004: Matching Information

The MassHealth agency may initiate information matches with other agencies and information sources when an application is received, at annual renewal, and periodically, to update or verify eligibility. These agencies and information sources may include, but are not limited to, the following: the Federal Data Services Hub, the Department of Unemployment Assistance, the Department of Public Health's Bureau of Vital Statistics, the Department of Industrial Accidents, the Department of Veterans' Services, the Department of Revenue, the Bureau of Special Investigations, the Social Security Administration, the Systematic Alien Verification for Entitlements, the Department of Transitional Assistance, and health insurance carriers.

(D) The time standards described in 130 CMR 502.005(A) through (C) may be extended by the amount of time used by the applicant to respond to requests for additional information needed to make the disability determination.

MassHealth eligibility rules, or because of a member's failure to provide verification within requested time frames. The MassHealth agency updates eligibility based on information received because of such review. The MassHealth agency reviews eligibility

- (1) by information matching with other agencies, health insurance carriers, and information sources;
 - (2) through a written update of the member's circumstances on a prescribed form;
 - (3) through an update of the member's circumstances in person, by telephone, or on the MAHIX.org account; or
 - (4) based on information in the member's case file.
- (B) Eligibility Determinations. The MassHealth agency determines, because of this review, if
- (1) the member continues to be eligible for the current coverage type;
 - (2) the member's current circumstances require a change in coverage type, premium payment, or premium assistance payment; or
 - (3) the member is no longer eligible for MassHealth.
- (C) Eligibility Reviews. MassHealth reviews eligibility in the following ways.
- (1) Automatic Renewal. Members whose continued eligibility can be determined based on electronic data matches with federal and state agencies will have their eligibility automatically renewed.
 - (a) If the data match results in no change in benefits or in a more comprehensive benefit, the MassHealth agency will notify the member that eligibility has been reviewed using the automatic renewal process.
 - (b) In addition, if the member's coverage type changes to a more comprehensive benefit, the member will be sent a notice informing them of the start date for the new coverage. The start date of the new coverage is described at 130 CMR 502.006, except that premium assistance payments begin in the month of the MassHealth agency's eligibility determination or in the month that the insurance deduction begins, whichever is later in accordance with 130 CMR 506.012(F)(1)(d).
 - (2) Prepopulated Renewal Application.
