INTRODUCTION

The following report is a description of court commitments to the Massachusetts county facilities (houses of correction) during 1980. Included is information concerning the operating expenditures, average populations as well as statistics regarding institution of commitment, month committed, present offense, sentence, age at commitment, sex, marital status and last school grade completed. The tables in this report were derived from data collected by the Data Processing Unit and were produced on the Massachusetts State College Computer Network.

Upon referring to the statistical tables in this report, the reader should take note of the following: (1) The total population is sub-divided by committing institution. (2) The top number in each cell represents the total number of individuals who fall into the corresponding category in the table. (3) The bottom number in each cell (the number contained in parenthesis) is the percentage of the number of individuals in the category to the total number of individuals from that institution (column percents). For example, upon referring to the first table on page 6, Month Committed is presented and the following types of information can be obtained:

- (1) The total number of individuals broken down by committing institution is labeled and presented horizontally.
- (2) The specific months are labeled and presented vertically.
- (3) Of the 5,441 individuals committed during 1980, 999 were committed to Billerica.
- (4) Of the 999 individuals committed to Billerica, 88 (9%) were committed in January

Summary of Statistics

During 1980, there were 5,441 individuals sentenced to the county facilities. This represents an increase of 18% over the number of commitments during 1979. The graph below illustrates the total number of commitments by year for the past ten years.

Institutions

Each institution includes the county jail and house of correction except for Suffolk County. Deer Island is the Suffolk County House of Correction and Charles Street is the Suffolk County Jail. The vast majority of the 5,441 commitments were committed to the houses of correction. Excluding the 36 commitments to Charles Street Jail, there were only 30 individuals committed to all other jails combined. The breakdown is as follows: New Bedford, 5; Worcester, 2; Salem, 1; Lawrence, 7; Plymouth, 5; Pittsfield, 1; Dedham, 2; Greenfield, 2; Northampton, 3; and Barnstable, 2.

Over half (55%) of the commitments were sentenced to four institutions - Billerica (18%), Worcester (16%), Deer Island (9%), and Springfield (11%).

Present Offense

The majority of individuals (83%) were committed for non-person offenses (48% for offenses against property, 7% for drug offenses, and 28% for other offenses). The single offense for which individuals were most frequently sentenced was burglary (18%).

Sentence

Sentences to county facilities may not exceed 2 1/2 years. One half (50%) were committed for sentences of three months or less which includes commitments in lieu of fines. Of the 5,441 commitments during 1980, 260 (5%) served weekend sentences.

Age At Commitment

The median age for commitments to houses of correction is 23 years old.

Sex

The vast majority of commitments were male (98%).

Marital Status

Most individuals were single (72%), whereas only 16% were married at the time of their incarceration.

Last School Grade Completed

The median last grade completed was eleventh grade. About one third of the commitments (35%) graduated from high school, whereas only 79 individuals (1%) graduated from college.
