TITLE:
 CHIEF ENGINEER

SHEET 1 OF 15 SHEETS BRIDGE NO. S-XX-XXX (XXX)

NOTES:

1. A revision symbol () shall be located in the lower, upper or right hand margin closest to the revision to facilitate locating revisions.
2. Revisions made on the same date shall have the same number in the revision symbol.
3. When revising the Construction Drawings, erasures of existing details are not permitted. The correct method for revisions is shown above.
4. Indicate the sheet numbers of all revised, added and/or deleted sheets over the title block. If there are any revisions on the first sheet, provide a description of the revisions as well.
