The schedule of institutions to be examined between January 1, 2014 and March 31, 2014 is based upon the best information now available. Examination schedules may change; unanticipated complex issues could arise, for example, that may require more time and resources than originally allotted, thus delaying completion of an examination and delaying other scheduled examinations. For supervisory reasons, the listing of institutions does not include credit unions with assets under \$5 million. However, the Division will continue to publish the public CRA ratings and make available all CRA public evaluations for all state-chartered institutions. If you have any questions regarding the Division's examination schedule, please call (617) 956-1544.
