

# Massachusetts Department of Revenue Credit Manager Schedule

**For calendar year 2015 or taxable year beginning**

**and ending**

Name of corporation

Federal Identification number

Total credits taken this year (from column 1 below)

## Instructions

Taxpayers with credits available for use in the current year must file this schedule to report the credits and the amount of each credit used. In section 1 of this schedule, report all available credits. For credits tracked by certificate numbers issued by the Department of Revenue or another state agency that must be used to claim the credit, enter each certificate number and the associated credits separately. For credits not tracked by certificate number, enter credits separately by type and the year to which they relate. List credits available whether or not they are being used in the current year.

For each credit, report the amount of the credit available for use, the amount of credit taken this year to reduce tax, and for corporations filing a combined report only the amount of credit shared with affiliates.

## Credit claims

**1** List any credit for which this taxpayer is the primary owner and show the amounts used to reduce the total excise or shared with affiliates. List all credits available, including those not used in the current year. **Note:** If you are using a tax credit that does not have an expiration date, for example the Van Pool or Research Credit, fill in the "Non-Expiring" oval and leave the "Period end date" and "Certificate number" fields blank.

a. Credit type	b. Fill in if non-expiring	c. Period end date (mm/dd/yyyy)	d. Certificate number	e. Credit available or certificate balance	f. Credit taken this year	g. Credit shared this year
