Tentative Return

1 Estimated amount of tax for the taxable year	1	
2 Advance and/or estimated payments made (if any)	2	
3 Tax due with this application. Subtract line 2 from line 1.	3	

Payment in full of the tax due must be made with the extension request for it to be considered valid. If at least 50% of the tax due for the taxable year is not paid, the extension is null and void. Penalties for a late return will be assessed from the original due date of the return.

General Information

New Streamlined Extension Process for Corporate Excise Taxpayers

The extension process is now automated so that all corporate excise taxpayers will be given an extension of time to file their tax returns as long as certain payment requirements are met. Generally, to meet these payment requirements, corporate excise taxpayers must have paid the greater of (1) 50% of the total amount of tax ultimately due or (2) the minimum corporate excise by the original due date for filing the return. Consistent with current rules, taxpayers meeting these payment requirements will be given a seven-month extension in the case of corporate excise taxpayers filing combined reports and a six-month extension in the case of other corporate excise taxpayers. However, taxpayers filing unrelated business income tax returns will be given an eight-month extension. See TIR 15-15 for more information.

Why Is an Eight-Month Extension Allowed?

In lieu of a six-month automatic extension request, an eight-month automatic extension for exempt organizations filing Form M-990T is allowed. The eight-month extension will make Form M-990T and U.S. Form 990-T due on the same date. For further information, see Department Directive 07-3, Notice to Corporate UBIT Filers.

Who May File Form M-990T-7004?

Any company eligible to file Form M-990T may use this application to request either an automatic eight-month extension of time to file their return or an extension of time to file for more than eight months. Form M-990T-7004 also acts as the required tentative return.

When Should Form M-990T-7004 Be Filed?

This application must be filed on or before the 15th day of the third month after the close of the taxable year, calendar or fiscal.

Must a Payment Be Submitted with This Form?

Yes. The full payment of tax reasonably estimated to be due must accompany this form. If at least 50% of the tax due for the taxable year is not paid, the extension is null and void.

Will Interest and Penalties Be Due?

An extension of time to file a corporation tax return **does not** extend the due date for payment of the tax. Interest will be charged on any tax not paid on or before the original due date. Any tax not paid within the extended period is subject to a penalty of 1% per month, up to a maximum of 25%, from the extended due date.

The notice will be mailed at least 10 days prior to the termination date designated in the notice.
