The public is invited to a pre-construction meeting for the Roxbury Heritage State Park Signature Park Project. The goal of the project is to improve the visitor's experience at the park by rehabilitating the Dillaway Thomas House, revitalizing the surrounding landscape and installing interactive interpretive exhibits. At the meeting, DCR will update the public on the final design and share information on the schedule and other construction related logistics.

The presentation will be viewable after the meeting on DCR's website at <http://www.mass.gov/eea/agencies/dcr/public-outreach/public-meetings/>.
