## TRAINING AND CONTINUING EDUCATION CREDITS ACCOMPLISHED IN 2018

In order to maintain your certification every certified weights and measures official is required to report annually all training received during the year by January 31st for the previous year. Training listed will be credited after verification by the Division's Training Officer. 3.0 CEU's must be obtained every two years for certified officials with less than ten (10) years of service and 2.0 CEU's for officials with more than ten years of service. Failure to procure the required hours of "official" training could adversely impact your certification status.
