#MASSBUYS2018

100% Exhibitor Funded

PRESENTER CHANGE

11:00 a.m. - 12:00 p.m.

Cyber Security Awareness

Putnam Club West, Suite Blue 70, Floor 3

Presenter: Paul Shiff

It takes less than five minutes for hackers to create and engage employees with an enticing and deceptive message that could result in disruption or a catastrophic scenario at your organization. This workshop will encourage participants to be inquisitive, to know what to look for, to question the suspicious, and to understand that the potential ramifications of misplaced trust spans beyond your organization's well-being.

Paul Shiff

Vice President

Hub Technical Services, LLC

Paul Shiff serves as Vice President of Sales for Hub Tech. With 30+ successful years of business acumen under his belt, he brings an entrepreneurial spirit as well as the experience necessary to bring together a focused sales team. Mr. Shiff has completed numerous HP University courses and is an HP ASC and ASP for Enterprise solutions and storage. His prior experience in the retail and merchandising industry as the owner and partner of a number of companies allows him to understand business trends and optimize opportunities. He has been with Hub Tech since 2003 and has been an instrumental part of the company's growth and vision.
