PROGRAM**

FY 2020 Application Training

The Department anticipates the availability of funding for the following Federal Fiscal Year 2020 Massachusetts Community Development Block Grant (MA CDBG) program components:

Community Development Fund / Mini-Entitlement Program

The MA CDBG program provides federal funds on a competitive basis to municipalities with a population of less than 50,000 that are not designated by HUD as entitlement areas. Communities may apply to the Community Development Fund or the Mini-Entitlement Program for a variety of projects including rehabilitation of housing stock, improvements to infrastructure, stabilization of neighborhoods, planning, public social services and downtown related projects.

Information sessions providing application guidance will be held at the following times and locations. Application guidance materials will be available online at www.mass.gov/dhcd and will also be available at these sessions. Comments on the draft One Year Plan will also be accepted. An additional formal hearing on the Plan is anticipated in early 2020. The CDBG on-line application will be released upon the conclusion of the trainings.
