¹Discovery Benefits, Inc. reported that "the lives reported are COBRA continuation lives only, so the total lives are smaller than what a typical self-funded employer would report for all of their employees. Because it's COBRA, Discovery only has a "subscriber" when somebody retires or leaves the company and goes on COBRA continuation health coverage, which is a small number of people relative to all of the employees in a company."

Massachusetts Division of Insurance
Proportion of Self-Insured Plan Members who have Coverage for Massachusetts Mandated Benefits as of December 31, 2020
