Camping Season 2021

Hello Campers,

We are pleased to inform you that we will begin accepting reservations for the 2021 DCR camping season beginning on February 15, 2021 at 9:00am. We have a lot of important information to share and appreciate you carefully reading this entire communication.

Our top priority is the safety and wellbeing of our visitors and staff. To reduce the risk of spreading the Covid-19 virus, we have made changes and issued reminders for the upcoming camping season.

2021 Camping Program

- Reservations can be made up to **4 months in advance of arrival date**. For example, if you want to arrive on August 12, the first date that you could possibly make a reservation is April 12;
- When making reservations, additional fields will be required, which will reduce contact at check-in. Please have ready vehicle, camping equipment and occupant information;
- Cabin and yurts will be available, on a limited and required stay basis. Reservations must be made for Friday/Saturday/Sunday or Tuesday/Wednesday stays to allow for thorough cleaning between visitors;
- Primitive campsites will be closed to camping;
- Group campsites will be closed to camping;
- Walk-in camping will not be permitted;
- Visitors will not be permitted. Feel free to meet up in day use area, where available;
- Restrooms will be cleaned and disinfected at least once a day. Please do not enter restrooms when staff are cleaning;
- For many locations, campers will not be allowed in DCR camp offices
