Schedule RLSC Instructions

General Information

The Life Sciences Tax Incentive Program under MGL ch 23I, §§ 5(a), 5(d) authorizes MLSC to approve applications from life sciences companies (as defined in MGL ch 23I, § 2) for specified tax benefits. Taxpayers may claim such benefits only as, and to the extent that, such benefits were previously authorized by the MLSC. Some of the tax benefits the MLSC may award are in the form of credits against taxes due under MGL ch 62, for individuals, or ch 63, for corporations. Taxpayers who have previously applied for and been awarded such credits by the MLSC must file this schedule with their return.

Taxpayers with unused Life Science Investment Tax Credits, FDA User Fees Credits or Life Science Job Credits under MGL ch 62, §§ 6(m), 6(n) and 6(r) or MGL ch 63, §§ 31M, 38U or 38CC may apply for a refund of the current year credits remaining after reducing their tax liability, in lieu of any carryover to future years, at 90% of the value of such unused credits. Corporations with unused credits under MGL ch 63, § 38M from the current or prior years may similarly request a refund of their unused credits at 90% of their value to the extent authorized by the MLSC. See Technical Information Releases 08-23 and 11-6 for further information.

Do not file this form unless you have been notified that the MLSC has awarded you one of the tax benefits described above.

All taxpayers claiming credits authorized by the MLSC complete Part 1 (if the award from the MLSC consists exclusively of an authorization to seek a refund of available credits, enter "0" in each field.) Credits taken to reduce the tax otherwise due (including credits shared with combined reporting affiliates under 830 CMR 63.32B.2) are shown in column b. The total of the amounts in column b is shown on Part 1, line 5 and may not reduce the tax below zero. Credits authorized but not taken (excess credits) are shown in column c and the total of these amounts is shown in line 6.

Note: The taxpayer must also enter and report the amount of this credit at the appropriate location on Schedule CMS.

E-File Only.
Paper returns will not be accepted.
