## If you participate in a non-Medicare plan, GIC protects you from balance billing under Massachusetts General Law Chapter 32A, §20.

If you receive covered, medically necessary medical care *in Massachusetts*, doctors, hospitals, and other medical providers may only collect the amount covered by your GIC plan. You are still responsible for your share of the plan's copays, deductibles, and any other eligible medical out-of-pocket costs, but *not* any excess.

Always compare bills to the Explanation of Benefits (EOB) statement provided by your GIC health carrier. If you are not sure your invoice is a balance bill, call your health carrier. If it is a balance bill, advise your provider that as a GIC member, you are not liable for their excess compensation. If your provider persists in efforts to collect, contact the Group Insurance Commission.

Here is an overview of health insurance benefits offered through each of the GIC's Medicare plans. Benefits are subject to definitions, conditions, limitations and exclusions as spelled out in the respective health insurance plans' documents. With the exception of emergency care, out-of-network benefits are not covered through the Tufts Medicare Advantage Plan.

\* Without CIC, deductibles are higher and coverage is only 80% for some services. Contact UniCare for details.
