Behavioral Health Roadmap Virtual Town Halls

We invite you to join Commissioner Brooke Doyle for a series of virtual Town Hall sessions to learn more about the Massachusetts Department of Mental Health's (DMH's) role in the Behavioral Health Roadmap and how you can support this effort. The Commissioner hopes to share her vision for DMH and respond to staff questions and concerns.

You can register for one of the following Town Hall sessions listed below and provide your questions to the Commissioner in advance about the Behavioral Health Roadmap implementation and/or DMH's role. We look forward to your participation!
