Filing Due Date

Massachusetts General Laws (MGL) ch 62C, § 7 requires partnerships to file their tax returns on or before the 15th day of the third month following the close of each taxable year (March 15th in the case of partnerships filing on a calendar year basis). For more information, see TIR 17-5: 2017 Supplemental Budget: Conforming Massachusetts Partnership and C Corporation Tax Return Filing Due Dates to Federal Due Dates.

For calendar year filers Form 3 is due on or before March 15, 2023.

Expansion of Certain Electronic Filing and Payment Requirements

Effective for tax periods ending on or after December 31, 2021, the electronic filing requirement is expanded to all partnership returns and schedules regardless of the partnership's net taxable income or loss or the number of partners in the partnership. As a result, all partnerships must submit all Forms 3 and Schedules 3K-1 to the Department by electronic means. For more information, see TIR 21-9: Expansion of Certain Electronic Filing and Payment Requirements.

Optional Pass-Through Entity Excise and Credit

For taxable years beginning on or after January 1, 2021, pass-through entities, including S-corporations, partnerships, and certain trusts (Eligible PTEs) may make an annual irrevocable election to pay an optional 5% excise on the income that flows through to shareholders, partners, or beneficiaries subject to the personal income tax (PTE Excise). The shareholders, partners, or beneficiaries of the pass-through entity (qualified members) may claim a nontransferable, refundable credit equal to 90% of their allocable share of the entity's excise due (PTE Excise Credit). The PTE Excise Credit may be claimed in the taxable year in which the pass-through entity's taxable year ends. For further information, see MGL ch 63D §§ 1-7; TIR 22-26, Pass-through Entity Excise. See also Elective pass-through entity excise FAQs.

New-Ordinary and Necessary Business Expense Deductions Available for Licensed Massachusetts Marijuana Businesses

IRC § 280E prohibits trades or businesses that traffic in controlled substances from claiming any ordinary and necessary business expense deductions provided by the IRC, other than for the cost of goods sold. As a result, because marijuana remains federally classified as a Schedule I controlled substance and is illegal to sell under federal law, licensed marijuana businesses are unable to claim ordinary and necessary business expense deductions for federal income tax purposes, other than for the cost of goods sold. Effective for tax years beginning on or after January 1, 2022, Massachusetts decoupled from IRC § 280E with respect to licensed marijuana businesses only. As a result, a licensed Massachusetts marijuana business can deduct ordinary and necessary business expenses that would otherwise be disallowed under IRC § 280E. See MGL ch 62, § 2(d)(4) for more information.

Disability Hire Tax Credit

For tax years beginning on or after January 1, 2023, businesses subject to tax under MGL ch 62 that hire employees with a disability who live and work in Massachusetts may be eligible for a credit. The credit is equal to the lesser of \$5,000 or 30% of the wages paid to a qualified employee in the first year of employment, and the lesser of \$2,000 or 30% of the wages paid to a qualified employee in each subsequent year of employment. For an employer to claim a credit with respect to an employee, the employee must (i) be certified by the Massachusetts Rehabilitation Commission as being disabled under the federal American Disabilities Act, 42 U.S.C. § 12102, (ii) be capable of working independently, (iii) have a mental or physical disability that constitutes or results in a substantial impediment to employment, (iv) be hired after July 1, 2021, and (v) be employed by the business for at least 12 consecutive months prior to and in the taxable year in which the credit is claimed. The credit is refundable but is not transferable. For additional information, see 830 CMR 63.38JJ.1: Disability Employment Tax Credit (WORKING DRAFT) (<https://www.mass.gov/regulations/830-CMR-6338jj1-disability-employment-tax-credit-working-draft>).

Changes to the Film Incentive Credit

Motion picture companies subject to tax under MGL ch 62 may claim credits with respect to certain payroll and production expenses. For tax years beginning on or after January 1, 2022, in addition to meeting other requirements, a taxpayer must now either incur at least 75% of the

motion picture's production expenses in Massachusetts or at least 75% of the motion picture's total principal photography days must take place in Massachusetts for the project to qualify for a credit for certain production expenses. A 50% threshold applied to prior tax years. See TIR 22-5 for additional information.

Repeal of Deduction for Energy Patents

For taxable years beginning on or after January 1, 2022, taxpayers may no longer deduct income from certain patents that are useful for energy conservation or alternative energy development. See TIR 22-5 for more information.

Repeal of Medical Device User Fee Credit

For tax years beginning on or after January 1, 2022, taxpayers that develop or manufacture medical devices in Massachusetts may no longer claim a credit for user fees they pay when submitting certain medical device applications and supplements to the Food and Drug Administration, as had been allowed in previous tax years. However, taxpayers will still be able to transfer previously awarded credits, and transferees will be able to apply unused amounts of the credit for up to five years after the credit was awarded. See TIR 22-5 for additional information.

Delay in Reinstatement of the Personal Income Tax Deduction for Charitable Contributions

The Massachusetts charitable deduction, which has been suspended since the 2002 tax year, was scheduled to be reinstated for tax years beginning on or after January 1, 2022. However, this reinstatement has been delayed, and will be available for tax years beginning on or after January 1, 2023. See TIR 22-5 for additional information.

Updated IRC Conformity Date ("Code Update")

In general, a taxpayer's Massachusetts gross income, and many deductions, are based on the taxpayer's federal gross income and deductions under the IRC as of a specific date. For tax years beginning on or after January 1, 2022, the Massachusetts personal income tax generally conforms to the IRC as amended on January 1, 2022. The Massachusetts personal income tax previously conformed to the IRC as amended on January 1, 2005. As a result of this update, the Massachusetts personal income tax will now conform to many federal tax law changes affecting the determination of Massachusetts gross income and deductions that have been enacted since 2005. **Massachusetts does not allow the qualified business income deduction allowed for federal tax purposes under IRC § 199A.** The Department

- ▶ Trade or business expenses;
- ▶ Travel expenses;
- ▶ Meals and entertainment expenses;
- ▶ The maximum deferral amount of government employees' deferred compensation plans;
- ▶ The deduction for health insurance costs of self-employed taxpayers;
- ▶ Medical and dental expenses;
- ▶ Annuities;

- ▶ Employer-provided health insurance coverage;
- ▶ Amounts received by an employee under a health and accident plan; and
- ▶ Contributions to qualified tuition programs.

Withholding Requirements for Partnerships

Pass-through entities, including partnerships, have withholding obligations with regard to their non-resident partners or members. A partnership is required to determine which of its partners are non-residents, and to ascertain how its non-resident partners will be complying with their Massachusetts filing obligation. A partnership must withhold Massachusetts tax on the distributive share of any partner that does not certify to the partnership that the partner will be meeting its tax obligation in some other manner. For more information on how to comply with the withholding obligation, see the Guide for Pass-Through Entities, and 830 CMR 62B.2.2 Pass through Entity Withholding.

Privacy Act Notice

Under the authority of 42 U.S.C. § 405(c)(2)(C)(i), and MGL ch 62C, § 5, the Department of Revenue (DOR) has the right to require an individual to furnish his or her Social Security number on a

state tax return. This information is mandatory. DOR uses Social Security numbers for taxpayer identification to assist in processing and keeping track of returns and in determining and collecting the proper amount of tax due. Under MGL ch 62C, § 40, the taxpayer's identifying number is required to process a refund of overpaid taxes. Although tax return information is generally confidential pursuant to MGL ch 62C, § 21, DOR may disclose return information to other taxing authorities and those entities specified in MGL ch 62C, §§ 21, 22 or 23, and as otherwise authorized by law.

When Must a Partnership File a Return?

A Massachusetts partnership return, Form 3, must be filed if the partnership:

- ▶ Has a usual place of business in Massachusetts;
- ▶ Receives federal gross income of more than \$100 during the taxable year that is subject to Massachusetts taxation jurisdiction under the U.S. Constitution.

PTE Excise Election Out-of-state Partnership

▶ An out-of-state partnership Eligible PTE which elects to pay the PTE Excise must file a Massachusetts partnership return even if it is not otherwise required to do so. The out-of-state Eligible PTE must make the election on a timely filed Form 3 and must complete and submit the form including all schedules. In addition, the out-of-state Eligible PTE must file Form 63D-ELT. For more information see the instructions for Form 63D-ELT available at mass.gov.

How Is a Partnership Taxed?

A partnership is not directly subject to income tax. Instead, each partner is taxed on the partner's share of the partnership income, whether distributed or not. Form 3 is a legally required informational return under MGL ch 62C, and subject to penalty for late filing.

Schedule 3K-1

Schedule 3K-1 is designed to allow the partnership to report each partner's distributive share of partnership income. A separate Schedule 3K-1 is required for each partner.

How Does Each Partner Report Partnership Income?

Each partner must report the partner's distributive share of each item of partnership income during the taxable year on the partner's Massachusetts tax return. The following table shows which return should be filed by each type of partner:

<i>Type of partner</i>	<i>Form to file</i>
<i>Full-year resident individual.</i>	<i>1</i>
<i>Nonresident/part-year resident individual</i>	<i>1-NR/PY</i>
<i>Trust or estate</i>	<i>2</i>
<i>Business corporation, generally.</i>	<i>355</i>
<i>Corporation that is part of a Mass. combined report</i>	<i>355U</i>
<i>Domestic or foreign S corporation</i>	<i>355S</i>

Each nonresident partner must report the partner's distributive share of the Massachusetts source income of the partnership, which includes income from any of the following categories:

- ▶ Income derived from or connected with the partnership business carried on in Massachusetts;
- ▶ Income from the ownership of any interest in real or tangible personal property located in Massachusetts; or
- ▶ Interest, dividends, annuities and capital gains from property employed in the partnership business carried on in Massachusetts.

Note: A nonresident limited partner of a limited partnership engaged exclusively in buying, selling, dealing in or holding securities on its own behalf and not as a broker is not subject to tax on income from such partnership.

What is a Nonresident Composite Return?

Massachusetts allows a partnership to file an electronic composite return on Form MA NRCR, Massachusetts Nonresident Composite Return, and make estimated tax payments as an agent on behalf of two or more qualified electing nonresident partners. For more information see the instructions for Form MA NRCR, available at mass.gov.

What is Massachusetts Gross Income?

For personal income taxpayers, Massachusetts gross income is divided into three classes: Part B is taxed at 5.0%, Part A is taxed at 5.0% and 12% and Part C is taxed at 5.0%.

Part B income:

- ▶ Gross receipts from sales;
- ▶ Ordinary income or loss from other partnerships excluding all interest (other than interest from Massachusetts banks) and dividends;
- ▶ Ordinary income or loss from trusts and estates not subject to Massachusetts taxation;
- ▶ Royalty income or loss;
- ▶ Income from REMIC residual interest;

- ▶ Rental income or loss;
- ▶ Massachusetts bank interest; and
- ▶ Other income taxed at 5.0% (see Form 1 instructions).

Part A income:

- ▶ Interest other than from Massachusetts banks (taxed at 5.0%);
- ▶ Dividends (taxed at 5.0%);
- ▶ Short-term capital gains and losses (taxed at 12%);
- ▶ Gains and losses on the sale, exchange or involuntary conversion of property used in a trade or business and held for one year or less (taxed at 12%); and
- ▶ Long-term gains on collectibles and pre-1996 installment sales classified as capital gain income for Massachusetts purposes (taxed at 12%).

Part C income:

- ▶ Long-term capital gains and losses excluding long-term gains on collectibles; and
- ▶ Losses on the sale, exchange or involuntary conversion of property used in a trade or business and held for more than one year.

Note: Massachusetts gross income does not include interest on obligations of the U.S. or Massachusetts and its political subdivisions.

Are There Differences Between Massachusetts Tax Law and the Internal Revenue Code Provisions Affecting Partnerships?

Yes. There are a number of differences between Massachusetts and U.S. personal income tax law. For Massachusetts tax purposes, a partnership is allowed only those expense deductions that an individually owned business is allowed. Deductions that are itemized by an individual on Schedule A of U.S. Form 1040 are not generally allowed. The deduction for a net operating loss carryover or carryback is not allowed to the partnership nor to an individual under Massachusetts income tax law. Explanations of these differences are provided in the appropriate lines and in the Forms 1 and 1-NR/PY instructions.

Under MGL ch 62, § 2 (d)(1)(N), Massachusetts specifically disallows the bonus depreciation deduction allowed under IRC §168(k), as amended and in effect for the current taxable year. Therefore, a Massachusetts partnership that claims bonus depreciation under IRC § 168(k) for federal tax purposes must calculate a separate depreciation schedule for purposes of claiming depreciation on

the Massachusetts partnership return. For more information, see TIRs 03-25 and 02-11.

Form 3 and Schedule 3K-1 isolate income and deduction items in order to produce the correct Massachusetts partnership total as well as each partner's correct Massachusetts distributive share. These amounts sometimes differ from those reported on U.S. Form 1065, Schedule K-1.

There are also differences between Massachusetts and U.S. corporate taxation.

For more information on difference related to the impact of the CARES Act in Massachusetts see TIR 20-9: Massachusetts Tax Implication of Selected Provisions of the Federal CARES Act.

For more information on differences related to the impact of the TCJA in Massachusetts see TIR 19-17: Application of IRC § 163(j) Interest Expense Limitation to Corporate Taxpayers; TIR 19-11: Legislation Impacting the Massachusetts Tax Treatment of Selected International Provisions of the Federal Tax Cuts and Jobs Act, TIR 19-9: Extension of Time to File Short-Year Returns Resulting from Partnership Technical Termination, TIR 19-7: Massachusetts Treatment of Investments in Qualified Opportunity Zones, TIR 19-6: Impact of the Federal Tax Cuts and Jobs Act on a Taxpayer's Overall Method of Accounting for Massachusetts Purposes and TIR 18-14: Impact of Selected Provisions of the Federal Tax Cuts and Jobs Act on Massachusetts Personal Income Tax under Chapter 62.

When and Where Must a Partnership Return Be Filed?

A partnership return is due on or before the 15th day of the third month after the close of the partnership's taxable year, calendar or fiscal. When a due date falls on a Saturday, Sunday or legal holiday, the filing and payment may be made on the next succeeding business day. If the partnership was dissolved or reorganized during the taxable year, Form 3 must be filed to reflect partnership activity as of the date of dissolution or reorganization. Form 3 must be signed by one of the general partners.

Note: If the return is for a fiscal year, the partnership must file using the tax form for the calendar year within which the fiscal year began. If the return is for a short tax year, the partnership must file according to the rules announced in TIR 11-12.

What is a Proper Return?

A proper return is a return upon which all required amounts have been entered in all appropriate lines on all forms, and all required schedules, forms and other attachments have been submitted. Data sheets, account forms or other schedules must be

available to explain amounts entered on the forms. Referencing lines to enclosures in lieu of entering amounts onto the return is not sufficient.

An exact copy of U.S. Form 1065, including all applicable schedules and any other documentation required to substantiate entries made on this return, must be submitted along with Form 3.

E-File Mandate

Massachusetts has an electronic filing requirement for all partnership returns. See TIR 21-9 for further information.

Under TIR 21-9, where a return is required to be filed electronically any schedules or supporting documents filed with the return must be submitted electronically. In addition, any amendment of that return, or request for abatement with respect to that return, must also be filed electronically. See TIR 21-9 for further information.

Automatic Extensions

All Form 3 filers are automatically granted a six-month extension of time to file their tax return. See TIR 16-10.

What is the Penalty for Filing a Late Return?

A \$5 per day penalty may be imposed for failure to file a partnership return on time. For information regarding extensions of time to file tax returns, see TIR 16-10.

Pass-Through Entity Audit Procedures

The Massachusetts Unified Audit Procedures is an audit, assessment, and appeal procedure conducted at the entity level, rather than at the partner or member level. This procedure applies to partnerships, S corporations, and certain trusts. Unified audit procedures require that the partnership designate a Tax Matters Partner see **Tax Matters Partner (Massachusetts Unified Audit Procedures)** below to act as the partnership's representative to DOR. DOR will notify the Tax Matters Partner when a unified audit has commenced. During the unified audit, the Tax Matters Partner has the authority, on behalf of the entity, to request a settlement, to agree to extend the statute of limitations, to request a conference, or to appeal a determination of passthrough entity items. The Tax Matters Partner also has the responsibility, according to the terms of the partnership or other agreement governing the pass-through entity, to inform the members of the entity about the progress of the unified audit. For more information about unified audit procedures, see 830 CMR 62C.24A.1 and TIR 13-15.

Centralized Federal Partnership Audit

DOR has developed procedures for partnerships that have been subject to a federal partnership

audit under the Centralized Federal Partnership Audit regime. For more information see TIR 22-1, Reporting Rules Related to Centralized Federal Partnership Audits.

Item F. Reason for filing Form 3 (choose all that apply)

Fill in each oval that applies to you in filing the Form 3 return. If this is your first filing of Form 3 select **Initial return**; fill in **Final return** if this is the final Form 3 the partnership will be filing. If you are filing Form 3 to reflect a name change select **Name change**. Select **Technical termination** if this event occurred in the taxable year

Filing an Amended Return

New-Supporting Statement. If you are filing an amended return for any reason you **must** attach a statement to the amended return with an explanation of why you are filing the amended return, including the basis for submitting it.

If you need to change a line item on your return, complete a new return with the corrected information and fill in the **Amended return** oval. Your amended return must include all schedules filed with the original return even if there are no changes to the schedules. Mail your amended return to the same address used for the original return. Do not file Form ATB with your amended return. An amended return can be filed to either increase or decrease your tax. Generally, an amended return must be filed within three years of the date that your original return was filed. For further information regarding amended returns, visit mass.gov/dor/amend and see TIR 16-13, Changes to the Amended Return Process Expanded to Most Tax Types.

Federal Changes

If your amended return includes changes you have reported on an amended federal return filed with the IRS for the same tax year, fill in the **Federal amendment** oval.

Amended Return Due to IRS BBA Partnership Audit

The **Amended return due to IRS BBA Partnership Audit** oval is only to be used if you are an upper-tier member of a partnership that was impacted by an IRS adjustment to a lower-tier partnership resulting from a federal centralized BBA audit.

If you are a partnership that was directly impacted by an IRS adjustment from a federal centralized BBA audit do not file an amended Form 3 return to report such IRS adjustments. Instead, a partnership directly impacted by such IRS adjustment must file a Centralized Federal Partnership Audit Report on MassTaxConnect. For further details see TIR 22-1, Reporting Rules Related to Centralized Federal Partnership Audits.

Federal BBA Audit Assessment in Current Tax Year

If there has been a federal BBA Audit Assessment in the current tax year of this return then fill in the **Federal BBA Audit Assessment in current tax year** oval.

If your amended return does not report changes that result from the filing of a federal amended return or from a federal audit (for example, if the amended Massachusetts return is reporting a rental deduction not claimed on the original return) fill in only the **Amended return** oval.

Enclosing Schedule DRE. Disclosure of Disregarded Entity

A partnership that is doing business in Massachusetts (including through the means of activities conducted by a disregarded entity that such partnership owns) and that is also the owner of a disregarded entity for any portion of the taxable year for which a return is being filed must identify each such disregarded entity by filing Schedule DRE with its return. A separate Schedule DRE is required for each such disregarded entity. See Schedule DRE instructions for additional information.

Enclosing Schedule FCI. Foreign Corporation Income

Fill in the oval and enclose Schedule FCI (Foreign Corporation Income) if the partnership is required to complete and file Schedule FCI with Form 3.

All taxpayers with foreign corporation income (including GILTI income) must complete Schedule FCI. Detailed instructions for completing Schedule FCI are available on DOR's website. See Schedule FCI and Instructions.

Enclosing Schedule TDS. Inconsistent Filing Position Penalty

Fill in the oval and enclose Schedule TDS, Taxpayer Disclosure Statement, if you are disclosing any inconsistent filing positions. Schedule TDS is available on our website at mass.gov/dor. The inconsistent filing position penalty (see TIR 06-5, section IV) applies to taxpayers that take an inconsistent position in reporting income. These taxpayers must disclose the inconsistency when filing their Massachusetts return. If such inconsistency is not disclosed, the taxpayer will be subject to a penalty equal to the amount of tax attributable to the inconsistency. This penalty is in addition to any other penalties that may apply.

A taxpayer is deemed to have taken an inconsistent position when the taxpayer pays less tax in Massachusetts based upon an interpretation of Massachusetts law that differs from the position taken by the taxpayer in another state where the taxpayer files a return and the governing law in

that other state is the same in all material respects as the Massachusetts law. The Commissioner may waive or abate the penalty if the inconsistency or failure to disclose was attributable to reasonable cause and not willful neglect.

Common-trust Fund

Fill in Common-trust fund if the partnership is a common trust fund.

Consent to Extend the Time to Act on an Amended Return treated as Abatement Application

In certain instances, an amended return showing a reduction of tax may be treated by DOR as an abatement application. Under such circumstances, by filing an amended return, you are giving your consent for the Commissioner of Revenue to act upon the abatement application after six months from the date of filing. See TIR 16-11. You may withdraw such consent at any time by contacting the DOR in writing. If consent is withdrawn, any requested reduction in tax will be deemed denied either at the expiration of six months from the date of filing or the date consent is withdrawn, whichever is later.

Filing an Application for Abatement

File an Application for Abatement, Form ABT, only to dispute one of the following:

- ▶ Penalties
- ▶ Audit assessments
- ▶ Responsible person determinations

For the fastest response time, file your dispute online at mass.gov/masstaxconnect. If you are not required to file electronically or you cannot file online, use Form ABT.

Visit mass.gov/dor/amend for additional information about filing an amended return, or filing an application for abatement.

Member of a Lower-Tier Entity

A tiered structure is a pass-through entity that has a pass-through entity as a member. (The term "pass-through entity" refers to an entity whose income, loss, deductions and credits flow through to members for Massachusetts tax purposes, and includes all entities treated as partnerships under Massachusetts tax law. The term "member" includes a partner in a partnership and a member of a limited liability company treated as a partnership in Massachusetts.) As between two entities, the pass-through entity that is a member is the upper-tier entity, and the entity of which it is a member is the lower-tier entity. If the partnership is a member of another pass-through entity, it should answer Yes to this question.

Investment Partnership as Defined in the Pass-Through Entity Withholding Regulation

An investment partnership, as defined in the Pass-Through Entity Withholding regulation, is a partnership that meets the following criteria:

- ▶ Substantially all of the partnership's assets consist of investment securities, deposits at banks or other financial institutions, or office equipment and office space reasonably necessary to carry on the activities of an investment partnership;
- ▶ Substantially all of the partnership's income is from interest, dividends, and capital gains; and
- ▶ The partnership is not engaged in a trade or business in Massachusetts.

A partnership that invests only in so-defined investment partnerships and has no other Massachusetts- source income may also fill in the Yes oval. Partnerships that meet these criteria are not required to withhold on their partners. See 830 CMR 62B.2.2(3)(b).

Election to opt out of Federal Centralized Partnership Audit Regime

Fill in this oval if the partnership elected out of the federal centralized partnership audit regime for this tax year.

An eligible partnership can elect to opt out of the federal centralized partnership audit regime for the tax year by reporting the election on Schedule B, line 30 of its timely filed U.S. Form 1065. See U.S. Form 1065, Schedule B, line 30 and Instructions for U.S. Form 1065 for further details.

Reporting on Form 63D-ELT (Entity Level Tax)

For purposes of reporting PTE Excise on Form 63D-ELT, a partnership will still include in its PTE Excise tax base the share of income attributable to an entity that is disregarded for tax purposes (if such disregarded entity is owned by an individual or trust). A partnership as Eligible PTE must disclose the identity of the legal or beneficial owner of any disregarded entity in its entity-level tax return (Form 3) so the applicable share of income is included in the PTE Excise. For Form 3 purposes, the Eligible PTE filer must indicate on its Form 3 the legal or beneficial owner of each disregarded entity so that it can include it in calculating the PTE Excise on Form 63D-ELT.

Annual Voluntary Election to pay PTE Excise

Fill in the oval if you are making the annual voluntary election to pay tax at the entity level pursuant to MGL ch 63D. MA Form 63D-ELT must be filed by the Eligible PTE if it has made the annual voluntary election to pay PTE Excise on its Form 3

return. Once the election is made for a tax year it is irrevocable for that year and is binding on all qualified members. See Form 63D-ELT instructions for further information relating to the PTE Excise.

Note: Members of an electing Eligible PTE must report their share of distributive income from the PTE on their own returns. The distributive income may not be reduced by the amount of income reported by the electing PTE or by the amount of PTE Excise paid by the electing PTE.

The partnership, however, must complete Form 3, lines 1 through 12, lines 41 through 53 to the extent applicable, and Schedule 3K-1, lines 21 through 35 (see instructions for Income Apportionment).

Tax Matters Partner (Massachusetts Unified Audit Procedures)

Unless a partnership designates a different Tax Matters Partner for Massachusetts tax purposes, the Tax Matters Partner for a Massachusetts unified audit will be the same as the federal Tax Matters Partner. If the partnership has not designated a federal or Massachusetts Tax Matters Partner, the Tax Matters Partner will be the general partner, managing member, or similar partner with primary management responsibility; or, if no member has primary management responsibility, the direct member having the largest profits interest in the partnership determined based on the year-end profits interests reported on the partnership return for the taxable year for which the determination is being made. If designation based on the largest profits interest is impracticable, the Commissioner will select an interim Tax Matters Partner, pending selection of a Tax Matters Partner by the entity, and shall notify Notice Members of the selection.

- ▶ There is one or more corporate or nonresident individual partners;
- ▶ There is any income from business activity or ownership of any interest in real or tangible property in another state; and
- ▶ Such business activities provide the other state the jurisdiction to levy an income or franchise tax.

The total partnership income is apportioned using the three-factor formula provided in MGL ch 63, § 38(c). For more information regarding the apportionment of income, see 830 CMR 63.38.1 which is available on DOR's website at mass.gov/dor.

The partnership should provide each corporate partner with the applicable apportionment factors to be used in completing Schedule F of the applicable corporate form.

Line 42. Tangible Property

Line 42a. For tax purposes, average value is based on original cost and is determined by averaging the property values at the beginning and end of the taxable year. Line 42b. Property rented is valued at eight times the annual rental rate less any sub-rentals received.

Line 43. Payroll

Enter the total amount of wages, salaries, or any other compensation paid to employees. An employee's compensation is apportioned to Massachusetts if any of the following apply:

- ▶ The employee's service is performed both in Massachusetts and in other state(s), but the non-Massachusetts service is secondary to the Massachusetts service;

▶ Part of the employee's service is performed in Massachusetts, and the service is controlled from a base of operations/place of control in Massachusetts; or

▶ Part of the employee's service is performed in Massachusetts and the base of operations/place of control of the service is not in a state in which some part of the service is performed, but the employee lives in Massachusetts.

Line 44a. Sales of tangible personal property are assigned to Massachusetts if:

▶ The property is delivered or shipped to any buyer, including the U.S. government, in Massachusetts; or

▶ The selling partnership is not taxable in the state of the buyer and the property is not sold by an agent or agencies chiefly situated at, connected with, or sent out from premises for the transaction of business owned or rented by the partnership outside Massachusetts. A buyer for this item includes the U.S. government.

Sales of tangible personal property are not assigned to Massachusetts if:

▶ The property is shipped or delivered to a buyer in a foreign country; or

▶ The property is sold to any branch or instrumentality of the U.S. government for resale to a foreign government.

Line 44b. Sales of services are assigned to Massachusetts, if and to the extent the service is delivered to a location in Massachusetts. See MGL ch 63, § 38(f) and 830 CMR 63.38.1(9)(d).

Line 44c. Rents from real or tangible property located or used in Massachusetts are assigned to Massachusetts. Royalties are assigned to Massachusetts if and to the extent the intangible property is used in Massachusetts. See MGL ch 63, § 38(f) and 830 CMR 63.38.1(9)(d).

Divide the total apportionment percentage in line 45 by 4.

Note: If an apportionment factor is inapplicable, divide by the number of times each applicable factor is used. For example, if only the sales and payroll factors are used, divide by 3 (double-weighted sales factor plus the payroll factor) instead of 4.

Line 47b. Other Credits (from Schedule CMS)

Enter the combined total from Section 1 and 3 of the Credit Manager Schedule (Schedule CMS).

Be sure to enclose Schedule CMS with your return. Failure to do so will delay the processing of your return.

The partnership must use Schedule CMS to calculate the partnership's credits, with the exception of the other jurisdiction credit. The partnership must report all credits, whether the credit is a non-refundable credit or a refundable credit, in Section 1 or 3 of Schedule CMS. Section 2 and 4 of Schedule CMS should be left blank.

Part 2. Federal Information

Additional information for completing Part 2 is available in the instructions for U.S. Form 1065 and its accompanying schedules.

Schedule 3K-1. Partner's Massachusetts Information

Schedule 3K-1 is designed to allow the partnership to report each partner's distributive share of partnership income. A separate Schedule 3K-1 is required for each partner.

New- Credit Section

A new separate Credit Section has been created on Schedule 3K-1 (and on all other Massachusetts K-1 schedules). The Credit Section must be used by the taxpayer to report specific amounts for the listed credits. The total amount reported in the Credit Section should be entered on **Line 5b. Total Other Credits.**

A. Type of Partner (fill in one only)

The entity type should be indicated on a separate Schedule 3K-1 for each partner. The **Partnership or other PTE** oval should be filled in if the partner is a partnership or another type of pass-through entity, such as a limited liability corporation treated as a partnership for Massachusetts tax purposes. The **IRA** oval should be filled in if the partner is a trustee of retirement funds such as Individual Retirement Accounts or other retirement funds.

When Partner is a Disregarded Entity

When a partner is a disregarded entity (DE), enter the name, address and taxpayer identification number of the beneficial owner of the DE partner in the block reserved for the partner's information on Schedule 3K-1. Complete the rest of Schedule 3K-1 using the beneficial owner's status for "type

of partner" and all subsequent lines. Also complete section **A2.** using the DE partner's information.

When Partner is a Grantor Trust

When a partner is a grantor trust, enter the name, address and taxpayer identification number of the grantor of the grantor trust in the block reserved for the partner's information on Schedule 3K-1. Complete the rest of the partner's Schedule 3K-1 using the grantor's status for "type of partner" and all subsequent lines.

Exempt Organizations (Ch 62 or Ch 63)

The **Ch 62 exempt organization** oval should be filled in if the partner is exempt from federal income tax under IRC § 501 and is treated as a ch 62 taxpayer in Massachusetts. The **Ch 63 exempt organization** oval should be filled in if the partner is exempt from federal income tax under IRC § 501 and is treated as a ch 63 taxpayer in Massachusetts.

A2. Partner is a Disregarded Entity

If a partner is a disregarded entity (DE), enter the DE partner's name, taxpayer identification number (TIN) and DE partner entity type. Fill in the appropriate DE partner status oval (Domestic (U.S.) or Foreign (Non-U.S.)) of DE partner. Leave section A2. blank if the partner receiving the Schedule 3K-1 is not a DE partner.

B2. Status of Partner (Domestic or Foreign)

Fill in to indicate whether the partner is a domestic (U.S.) or foreign (non-U.S.) partner as reported on U.S. Form 1065, Schedule K-1, Item H1.

E. Installment Sales Transactions

An addition to tax applies for taxpayers who have deferred the gain, and the tax associated with that gain, on certain installment sales. This addition to tax is measured by an interest charge on the tax that has been deferred. The addition to tax is determined by each partner based on the partner's own situation. The partnership should fill in the Yes oval if the partnership participated in one or more installment sales transactions that might subject the partner to this addition to tax.

Partnerships that have indicated on Schedule 3K-1 that they are reporting transactions under MGL ch 62C, § 32A, identified as IRC § 453A or 453(l)(2)(B) transactions, must separately communicate information to the partner that will enable the partner to calculate the addition to tax.

For IRC § 453A transactions, the partnership must inform the partner of the partner's share of the aggregate face amount of installment sales trans-

actions arising in and outstanding as of the close of the taxable year, and any other information the partner may need to calculate the addition to tax. The \$150,000 and \$5,000,000 thresholds apply at the level of the individual partner. The partnership must therefore communicate to the partner all IRC § 453A installment sale transactions exceeding \$150,000. The applicable percentage is the ratio of the aggregate face amount of installment sale obligations arising in and outstanding as of the close of the taxable year in excess of \$5,000,000 to the aggregate face amount of such obligations arising in and outstanding at the close of the taxable year. The applicable percentage will be determined by each partner.

For IRC § 453(l)(2)(B) transactions, the partnership must inform the partner of the partner's share of gain on installment transactions, the date of the transactions, and any other information the partner may need to calculate the addition to tax.

Partner's Distributive Share

A partner's distributive share of any item of income, loss, deduction or credit shall be determined by the partnership agreement. If the partnership agreement contains no special provisions with respect to the partner's distributive share of any item of income, loss, deduction or credit, such item shall be prorated in accordance with each partner's ratio of sharing income or losses of the partnership.

Note: Although the following instructions focus on individual partners, partnerships should also complete lines 1 through 20 for corporate partners. These lines should reflect the corporate partner's share of each applicable distributive share item on an unapportioned basis. Corporate partners subject to apportionment under MGL ch. 63, § 38 should continue to calculate their own Massachusetts source income and loss accordingly, on their own returns as appropriate.

Nonresident partner eligible to apportion. Enter in lines 1 through 8 and 10 through 20, the amount of the partner's share of each applicable distributive share item multiplied by the apportionment percentage in Form 3, Income Apportionment Schedule, line 46.

Income should be apportioned if:

- ▶ There is one or more nonresident individual partners and;
- ▶ There is any income from business activity or ownership of any interest in real or tangible property in another state; and
- ▶ Such business activities provide the other state the jurisdiction to levy an income or franchise tax.

All other partners. Enter in lines 1 through 20 the amount of the partner's share of each applicable distributive share item.

Line 1. Massachusetts Ordinary Income or Loss

Enter the amount of the partner's share of the partnership's Massachusetts ordinary income or loss from Form 3, page 2, line 20. For a nonresident partner eligible to apportion, enter the amount of the partner's share of the partnership's Massachusetts ordinary income or loss multiplied by the apportionment percentage in Form 3, Income Apportionment Schedule, line 46.

Line 2. Guaranteed Payments to Partners

Enter the guaranteed payments to each partner from U.S. Form 1065, Schedule K, line 4. Guaranteed payments made to non-resident partners are apportioned as ordinary income of the partnership.

Line 3. Separately Stated Deductions and Exclusions

A partner must report any separately stated deductions and exclusions on the partner's return. Personal income taxpayers report and describe in line 3 any other expense that is deductible from income taxed at 5.0% and properly reportable on Massachusetts Forms 1 or 1-NR/PY, Schedule E-2; or Form 2, which is not reported elsewhere on Schedule 3K-1. Examples of such deductions include oil and gas depletion and the expense deduction for recovery property, IRC § 179. An estate or trust may not elect to expense recovery property. Report and describe in line 3 the partner's elective contribution to a qualified CODA retirement plan. Each partner should report this amount in Forms 1 or 1-NR/PY, Schedule E-2. A partner's distributive share of the federal deduction for any matching contribution made by the partnership is not deductible in Massachusetts. See DOR Directive 01-7.

Line 4. Total of Lines 1 through 3

Combine the amounts in lines 1 through 3. The line 4 result includes each partner's share of the partnership's Massachusetts ordinary income and any guaranteed payments to the partner (deductible and capitalized).

The correct Massachusetts amount of the partner's share of ordinary income and guaranteed payments may differ from the comparable U.S. total reported on the partner's return. Personal income taxpayer use Forms 1 or 1-NR/PY, Schedule E-2, line 11; or Form 2. Each partner should make adjustments in Forms 1 or 1-NR/PY, Schedule E, lines 55 and 56, if applicable; or Form 2, to reflect the correct Massachusetts amount. Each part-

ner should enclose a statement with the partner's Massachusetts tax return and explain.

The partnership should provide each partner with the amount of the partner's share of any interest (other than interest from Massachusetts banks) and dividend income and 5.0% interest from Massachusetts banks included in line 4. Each partner should use these amounts to complete the partner's return. Personal income taxpayer use Forms 1 or 1-NR/PY, Schedule E-2, lines 9 and 10; or Form 2.

Line 5a. Income Tax Paid to Other Jurisdictions

Enter the partner's share of any tax due from the partnership to any other state, territory or possession of the United States, or the Dominion of Canada or any of its provinces on income taxable to the partner in Massachusetts and otherwise allowable as a credit to the individual. The partnership should also provide each such partner with the names of each taxing jurisdiction, the amount of income and the amount taxed.

This credit is available only to resident partners and may be taken on Form 1, line 30, Form 1-NY/PY, line 34 or where applicable, on Form 2, line 42. For part-year residents the income that is subject to taxation in another state or jurisdiction must have been earned during the period of Massachusetts residency. The credit is not available for taxes paid on Massachusetts source income earned while a nonresident.

Note: The amount in line 5a is not simply the partner's share of the amount reported on Form 3, page 2, line 15, because the credit for taxes paid to other jurisdictions does not include local income taxes paid or taxes paid to nations other than Canada.

Line 5b. Total Other Credits (from "Credit Section")

The partnership must use Schedule CMS to calculate the partnership's credits, with the exception of the other jurisdiction credit which should be entered on line 5a. Based on those calculations, the partnership should use line 5b of Schedule 3K-1 to provide each partner with the amount of each partner's share of the partnership's credits according to the partner's ownership share. The partner will then include these credits on the partner's Schedule CMS.

Credit Section

The credits are separately listed on the Credit Section of Schedule 3K-1 with the exception of the Life Science credits that are combined and reported on the Life Sciences credit line. The Life Science credits may include Life Science (FDA), Life Science (ITC), Life Science (Jobs), Life Science (RD) and the Life Science Angel Investor

Credit. The partnership must also provide each partner with any required schedules, certificate numbers and/or other supporting documents related to each credit, including information on how the Life Science credit was calculated.

Note: Some credits may only be claimed by individual partners and/or certain corporate partners. See instructions to Schedule CMS, Form 1 and Form 355 for more information.

Line 6. Credit Recapture

If the partnership is required to recapture any Economic Opportunity Area Credit, Brownfields Credit, Low-Income Housing Credit, Historic Rehabilitation Credit, or any other credit that requires recapture, enter the partner's share of any recapture as computed on Schedule CRS, Credit Recapture Schedule. This amount should then be used by each partner to complete their return.

Line 7. Net Income or Loss from Rental Real Estate Activity

Enter the partner's share of the partnership's net rental income or loss from real estate activity from Form 3, line 23.

The correct Massachusetts amount of the partner's share of net income or loss from rental real estate activity may differ from the comparable U.S. total reported on the partner's return. Personal income taxpayer use Forms 1 or 1-NR/PY, Schedule E-1, line 24; or Form 2. Each partner should make adjustments in Forms 1 or 1-NR/PY, Schedule E, line 55; or Form 2, to reflect the correct Massachusetts amount. Each partner should enclose a statement with the partner's Massachusetts tax return and explain.

Line 8. Net Income or Loss from Other Rental Activity

Enter the partner's share of the partnership's net rental income or loss from other activity from Form 3, line 26.

The correct Massachusetts amount of the partner's share of net rental income or loss from other activity may differ from the comparable U.S. total reported on the partner's return. Enter the partner's share of the partnership's interest on U.S. debt obligations from Form 3, line 28. For a nonresident partner eligible to apportion

enter the partner's share without apportionment. This income is taxable by the federal government, but tax-exempt in Massachusetts.

Each partner should include the line 9 total in the partner's return. Personal income taxpayer use Forms 1 or 1-NR/PY, Schedule B, line 6; or Form 2, Schedule B.

Line 10. 5.0% Interest from Massachusetts Banks

Enter the partner's share of the partnership's 5.0% interest from Massachusetts banks from Form 3, line 29. For a nonresident partner eligible to apportion, enter the partner's share of the partnership's 5.0% interest from Massachusetts banks multiplied by the apportionment percentage in Form 3, Income Apportionment Schedule, line 46.

Each partner should include the line 9 total in Form 1, line 5; Form 1-NR/PY, line 7; or Form 2.

Each nonresident partner whose income is apportioned should receive from the partnership the amount of the partner's pre-apportionment share of 5.0% interest from Massachusetts banks. Each nonresident individual whose income is apportioned should include this amount in Form 1-NR/PY, Schedule B, line 5. This amount should be used instead of any amount from Form 1-NR/PY, line 7 because the partner's full distributive share of such income is included in the U.S. amount reported in Schedule B, line 1. Each nonresident trust or estate whose income is apportioned should include its pre-apportionment share of 5.0% interest from Massachusetts banks in Form 2, Schedule B, line 6, instead of any amount from Form 2, line 16.

Line 11. Interest and Dividend Income

Enter the partner's share of the partnership's interest (other than interest from Massachusetts banks) and dividend income from Form 3, line 30. For a nonresident partner eligible to apportion, enter the partner's distributive share of the partnership's interest (other than interest from Massachusetts banks) and dividend income multiplied by the apportionment percentage in Form 3, Income Apportionment Schedule, line 46.

The correct Massachusetts amount of the partner's share of interest (other than interest from Massachusetts banks) and dividend income may differ from the comparable U.S. total reported on the partner's Forms 1, 1-NR/PY or 2, Schedule B, lines 1 and 2. Each partner should make adjustments in Form 1 and 1-NR/PY, Schedule B, line 6; or Form 2, Schedule B, line 7 to reflect the correct Massachusetts amount. Each partner should enclose a statement with the partner's Massachusetts tax return and explain.

Line 12. Non-Massachusetts State and Municipal Bond Interest
