

Form DMF-P2FL2
2023 Period II Summer Flounder Pilot Program
Trip-Level Catch Logbook

Instructions: To participate in the 2023 Period II Summer Flounder Pilot Program that allows trawlers to possess and land consecutive days trip limits, you must actively maintain this trip-level catch logbook. A completed copy of your logbook for the 2023 season must be returned to DMF by November 15, 2023, at 5 PM or within 15-business days following September 30, 2023 or the close of the 2023 commercial summer flounder season, whichever occurs sooner. Your logbook may be submitted to Julia Kaplan by e-mail (julia.kaplan@mass.gov), fax (617-626-1509), or mail (Attn: Julia Kaplan, MA Division of Marine Fisheries, 836 S Rodney French Blvd, New Bedford, MA 02744).

This logbook shall be made available upon request by any officer of Massachusetts Environmental Police, an employee of the Division of Marine Fisheries, or any other individual authorized to enforce the marine fisheries laws of the Commonwealth.

Participant Information				
Last Name:		First Name:		DMF ID:
Permitted Captain & Vessel Information				
Vessel Name:			Registration #:	
Homeport:			Phone Number:	
Start Date of Trip	Time of First Tow	Completion Time of Last Tow	Pounds of Species Retained	DMF Issued Tag Number Affixed to Each Container

I certify under the pains and penalties of perjury that all information contained in this log book is true and accurate to the best of my knowledge and belief.
