Starting with the the year-end 2017 report, carriers are no longer submitting data for this report directly to the Division. Instead, the year-end 2017 data (and subsequent year-end reports) shown in this report was produced by the Center for Health Information and Analysis using data submissions by the carriers to the All-Payer Claims Database. As a result, comparing membership from year-end 2016 to subsequent year-end reports may not be appropriate, as the data is taken from separate sources.
